CEDARVILLE COLLEGE
CEDARVILLE, OHIO

Dear Friends:

Cedarville College is facing another very important problem: we are writing our fellow alumni about it.

Cedarville College has made a great record in the educational field for more than fifty years and has met the severe test of the war in splendid way. We are now face to face with the overwhelming challenge of a greatly increased enrollment thrust upon us by the returning war veterans. To meet this challenge new faculty members will be added this fall in the departments of physical education, of science, and of music, and in such other fields as the demands will dictate.

Now here is our immediate need, about which we are writing you: Due to the shortage of labor and materials during recent years we have had to forego necessary repairs and redecorations of our college buildings. Now we must bring our buildings up to the highest standards of efficiency and beauty in order to meet the needs of an enlarged student body. The Property Committee has estimated that it will take \$15,000 to put our six buildings in good repair and make them attractive. The Board of Trustees has authorized a campaign to secure this amount. We have launched a campaign for this purpose.

The alumni have been asked to take one-half of this amount, or \$7,500. Already the response has been good. At a recent meeting of the Greene County Alumni and the Board members in Xenia, a cordial vote of approval was given.

You will be interested to know that the Board members have been solicited and are giving generously to this fund. They are whole-heartedly behind Cedarville College. We are sure that the alumni will want to support the Board in their sacrificial giving.

Naturally gifts to this repair and rehabilitation fund will vary according to the ability of the donor. Not all can give in the same amounts but all can and will do something.

Here is the plan: we are asking for subscriptions to this fund to be made on a 12 months' basis beginning June 1, 1946. To secure this amount we will need a group of people who will subscribe in varying amounts. For instance, we will need:

a group who will subscribe	\$25	per month	for 12 months
a group " " " "	\$10	" " "	12 months
a group " " " "	\$5	" " "	12 months
another group " " " "	\$3	" " "	12 months
still another group " " " "	\$2	" " "	12 months

We do not know in which group you will place yourself. Perhaps you will want a share in the \$10 group, or \$5, or \$3, or \$2. In

whatever group you place yourself, or whatever share you take, we know you will do your very best for Cedarville College in her hour of golden opportunity.

Please use the enclosed pledge card and envelope. We are informed that if you desire to deduct your gift from your income tax returns that check should be made payable to Cedarville College Repair Fund. However, if you desire to contribute through the treasurer of the Alumni Association, you may send your contribution directly to Miss Mabel Stormont, Treasurer, R. R. #5, Xenia, Ohio.

Yours for success in raising this \$7,500.

Very sincerely yours,

John W. Bickett, Chairman
