#### ***Paul Orchard named track and field coach at Cedarville College***

CEDARVILLE -- Paul Orchard has been named the head track and field coach at Cedarville College. He will be responsible for both the men's and women's programs, plus serve as a physical education instructor. The Michigan native takes over for John McGillivray, who held the position on an interim basis last year.

Orchard joins the Yellow Jackets after spending the last six years at the University of Akron. He served as an assistant coach for the Zips track and cross country programs plus coordinated all of their recruiting.

Orchard previously coached on the junior high level and later served as a graduate assistant women's track coach at Miami University where he earned his master's degree in 1986. Orchard competed for four years in track and cross country at Taylor University (Ind.) prior to graduating in 1983.
