WELCOME

March 5, 1993

Dear NAIA Participants:

It is with great pleasure that I welcome all student-athletes, coaches and spectators to the 1993 NAIA National Men's and Women's Indoor Track and Field Championships held at Municipal Auditorium.

As an association, the NAIA serves the student-athletes at our member colleges and universities by creating for them an environment in which they can succeed academically as well as athletically. This association of more than 400 member institutions has found a distinctiveness in academic standards. This foundation is at the base of the NAIA's strongest belief that athletics is an integral part of the total educational program of an institution.

Further, any action taken on the part of the association is done to ensure that our student-athletes reach two goals at the end of their athletic careers. The first goal is the attainment of a college degree, and the second is the satisfaction of competing to the highest level of their athletic ability.

Congratulations and best of luck to all student-athletes competing at this year's indoor track and field championships!

Sincerely,

James R. Chasteen
NAIA President and CEO

What do you eat before you run?

Two time world cross country
 champion Lynn Jennings eats
 PowerBars to raise and sustain her
 energy.

"One day, I was really hungry and I was supposed to do a
 workout. Somebody gave me a PowerBar. I ate it, drank some water
 and 15 minutes later went on my run.

"I felt *great* and I had no stomach problems. Now I eat
 PowerBars all the time. I like them so much, I even
 eat them as snacks."

-Lynn Jennings

Life's full of trade-offs. But the Grand Am[®] Sport Sedan's 2.3L Quad Overhead Cam engine isn't one of them. Its advanced technology combines fuel-injected muscle with a very low appetite. Add the control and security of standard anti-lock brakes and the kind of style that's exciting even standing still, and you'll see why Grand Am is still in a class by itself. Especially when it's priced thousands less than an Accord or Camry. If this is your kind of driving excitement, visit your Pontiac dealer or call 1-800-762-4900 for more information.*

A man in a light blue dress shirt and a dark striped tie is smiling and holding a black plate with a cooked steak, garnished with vegetables. He is standing in a restaurant kitchen with a brick wall and hanging lamps in the background. A chef in a white uniform and hat is visible in the background.
