This afternoon his text "Who hath also sealed us and given the earnest of the Spirit in our heart" When the holy Spirit is applied to our heart it leaves its strength. The inscription it leaves is love joy, peace, long suffering, gentleness, goodness, faith, meekness, temperance. Where we find one of these marks it as an evidence that the others are there and will appear in due time All the joy and Spiritual happiness we enjoy here are but earnest of what the delights and joy of heaven will be they are but what the first shear is to the full harvest or what the first drops of rain are to the full shower. The earnest or impress of the Spirit which we receive is an evidence that the rest will be given. JB McMillan was at our church to day and read a letter from Rev. Hugh McMillan in India and one from Rev Mr. Calderwood. All at home this eve. WFB and nannie were at church today.

text "Woe to them that are at ease in Zion"- Those who are at ease in Zion are those who do not give the powers of their mind, the faculties of their soul and the affections of their heart to God. Personal consecration to God is what we need. Are we active earnest and devoted in bringing souls to Christ: Do we lead our children right to the saviour and implore his salvation and his saving their immortal souls: Do we stop short of pointing all souls who are out of Christ and with whom we come in contact to the Saviour. Do we who are church members pay more for taxes for the support of the government that [sic] we do for the church and the cause of Christ if we do it looks like we are at ease in Zion. After preaching we waited at mothers and at Aunt Janes for Ellen. Mr Mc and Fannie took supper at the latters and our three boys and I at Mothers. Eve all of us at at home.

Perhaps the reason we are alive today is because Christ intercedes for us. He does this by his word, his gospel, his providence and in various ways- His prayer is but alone this year-he does not ask that we may never be cut down- fret not now- He says but him alone this year till I put him in a place where he shall be taught by sickness, disappointment, and bereavement as he has never been taught before that he may put forth fruit to the glory of God- But
