TOURNAMENT HEADQUARTERS

The tournament headquarters will be located in the Activity area in the Zornow athletic complex at the University of Rochester. (716-275-4305). This area can be reached by entering the front door of Alumni Gym, connected to the back of Zornow.

USTA MEMBERSHIP

USTA membership is encouraged but not mandatory for participation in this tournament. However, a player's performance is considered for ranking only if he is enrolled in the USTA.

TEAM POINTS

Each team is awarded 1 point for each entry (singles & doubles). One point is awarded for each victory, including a default, in the main events. In the consolations, no entry points are awarded and $\frac{1}{2}$ point is scored for each victory.

A singles player or doubles team losing the first match played in the main tournament after advancing solely by default may elect to play in the consolations but must forfeit in this case all victory points earned in the main draw due to victories by default.

TEAM CHAMPIONSHIP

The college or university accumulating the most points in both main events and consolations will hold for one year the challenge cup for the team championship. In addition, the winning and second place teams will be given permanent trophies.

INDIVIDUAL PRIZES

The Eastern Association medals will be awarded to winners and runner-up in all events except consolations where trophies will be awarded.

BRIEF HISTORY OF THE EITC

The Eastern Intercollegiate Tennis Championships was held for the first time at the West Side Tennis Club in Forest Hills in 1923. It was financed then and for seven years afterwards by the Eastern Lawn Tennis Association. In the late 50's, Colgate University was the site of this tournament, following other eastern sites, and the tournament stayed there until the spring of 1970, when the University of Rochester hosted it for the first time. It has been held here ever since.

TOURNAMENT RULES

All matches will be the best of 3 sets. The NO-AD scoring system will be used. The 12-point tie-breaker will go into effect at 6 games all in every set. Pro-sets will be used in the consolations to the finals, unless the number of entries is very small. In order to deter unsportsmanlike conduct and unnecessary delays in the progress of the tournament, the USTA Point Penalty System may be used at the discretion of the referee.

FOOTFAULTS

All participants should observe the footfault rule. Roving judges may be on hand to warn offenders and enforce the rule. First offense - a warning; further offenses - enforcement of the rule.

COACHING

Coaching by the coach or faculty representative will be permitted provided it does not disrupt play nor interfere with the continuity of play.

TOWELS LOCKERS

Locker room and shower facilities are available at the university. However, players are urged to bring their own locks and towels.

PARKING

Free parking can be found on Wilson Boulevard, a short walk from the residence halls and the tennis center. Parking on campus is also permitted in legitimate areas. On weekdays a guest pass must be purchased for each car to be parked on campus from the Visitor's Parking Office, located on the corner of Alumni Road and Wilson Boulevard nearly $\frac{1}{2}$ mile from the Elmwood Avenue intersection and nearly opposite the Interfaith Chapel.

In the finals a change of balls will be made after the first nine games and after the subsequent eleven games. In the consolations good used balls will be used to the finals.
