Our Vision

We, the School of Engineering and Computer Science, seek to honor the Lord Jesus Christ in every endeavor and earnestly desire to cultivate engineers who are committed to moral excellence and who are exemplary in character, conduct, and skill. Therefore, we strive to provide an excellent educational environment that will nurture our students to honor the Lord in all things and to help them grow in spiritual maturity, wisdom, knowledge, and expertise for purposeful lives of service.

“Where there is no vision, the people perish.”

Proverbs 29:18a
