New Years day. — 1891. “Thursday”
“Ah! well for us that we do not know
what the future holds of glory or woe;
Ah well that we, creatures of the dust,
Should place in our Maker perfect trust:
Will not He, our gracious Father and Friend,
Watch over us all unto life’s end?
The day and night are alike to Him
Why should our faith in God grow dim?”

“O New Year, teach us faith;
The road of life is hard;
When our feet bleed and scouring
winds us scathe
Point then to Him whose visage was
more marred
Than any man’s; who saith,
“Make straight paths for your feet,”
And to the oppressed,
“Come ye to me, and I will give you rest”—

This is our marriage anniversary. Twenty four years of married life is past. So we looked upon the saintly remains of this sister her work all done. I felt a pressure “forward and upward” calling for a more earnest exemplary higher devoted and consecrated life. That we may be thus animated through all the years that are to come is the desire of the one who writes these lines.

We ought to be humble because of the actual state of our own church. When the Lord calls us to do a certain work it is not safe for us to refuse or object. While the disciples experienced trouble and difficulty—Yet they had much to comfort them. Subtext of the text. The Christians prayer in affliction. No great or lasting good ever comes to an individual family church or state without first enduring or going through affliction. The great good and change comes after we have suffered a while. Those who do most for God & humanity are those who have suffered awhile_ at no time do we need to pray so fervently as in the hour of affliction_ We need Strength to do the work and bear the burdens of the hour. God Strengthens us as the Oak strengthens the vine. To be patient with impatient — and forgiving with the unforgiving is hard but it is what the Spirit of the blessed Jesus will enable us to do — Nothing does more to dishonor God and to drive our children to ruin as an impatient and unforgiving spirit. — The Spirit of patience is the Spirit that conquers strong men and grand women have been complete failures because they failed to exercise patience.
