SOCCER

The Yellow Jacket soccer team split another week of games to bring their overall record to 7-5. In a road match at Wilmington on Tuesday, the kickers fell 2-0 to a strong Quaker team that had "one of their best games of the season at Cedarville's expense. The Yellow Jackets played with the Quakers in the first half resulting in a 0-0 dead lock at the end of the period, but Wilmington scored two goals in the second period for their 2-0 victory.

Saturday provided the Yellow Jackets with another match on the victory column following the 1-0 victory over Mt. Vernon. Though a low scoring game, Cedarville clearly demonstrated the first half but was unable to get the needed finish for the desired goals. The second half rally attempt by Mt. Vernon was squelched by the strong Yellow Jacket defense which has allowed only 1.4 goals per game all season.

The Yellow Jackets continue to be plagued by injuries as the season winds down. The injuries have allowed more playing time for freshman, Tom Fite, Noel Hack, Rick Foster and Kurt Weisenfluh, who have skillfully filled the gaps.

Two games this week will complete the Yellow Jacket regular season play. The first with Findlay and then the final game with Malone College for the Mid-Ohio Conference title. Both Cedarville and Malone go into Saturday's game being undefeated in conference play.

VOLLEYBALL

The volleyball team battled against Oberlin and Kenyon in a tri-match on Tuesday. The women were victorious over both teams. After dropping the first game 7-15 to Oberlin, the Yellow Jackets came back to take the best of 3 matches, 15-6 and 15-12. The spikers continued to roll as they defeated Kenyon 15-8 and 15-9.

On Thursday, the spikers were defeated by Ohio Dominican 7-15, 8-15 and 14-16. The Jackets have the talent to compete with the likes of OD, but simple errors continue to result in a tarnished season record. Since October 16 however, the Yellow Jackets have completed a 4-2 record. With 2 weeks of playing time left, there is reason to believe the spikers will

finish the season with a .500 season and some respectable play in NCCAA District Tourney play this weekend.

In a review of the stats, 3 names continue to surface, Karen Hobar, Renee Gaston and Peg Quigley.

MEN & WOMEN HARRIERS LOOK TO NAIA DISTRICTS

Both the men's and women's Cross Country teams were in action this past Saturday in separate invitationals. The men competed in the University of Cincinnati Invitational, while the women were in Indiana running in the Anderson College Invitational.

In Cincinnati, the harriers finished a disappointing fourth place out of the seven team field. Cincinnati won the event, followed by Belmont of Tennessee, and Walsh College. Junior, Craig Slater was the top finisher for the Jackets by covering the 5-mile course in 26:38 for 13th place. Dean Johnson placed 22nd in 27:13. Freshman, Tom Hill, who was Cedarville's top runner in the last five meets did not have a good outing as he finished 25th in 27:21. Gary Anderson was 30th in 27:32 and Dave Sallee finished 39th in 28:05 to round out the scoring.

Coach, Elvin King was expecting a good race out of the men this week, but he described their performance as "poor." He felt they were a little over anxious at the start of the race, and thought that may have been caused by a lack of experience on the part of the younger runners. He said they must forget about this meet and prepare to beat them this Saturday in the

NAIA District 22 Meet for a berth in the Nationals.

Coach King said the women did a "good job" as they tied for fifth place out of 12 teams at Anderson. Spring Arbor won the meet with 44 points, followed by St. Josephs -53, Manchester-55, Anderson-82, and Grace and Cedarville tied with 136 points. Freshman, Sue Vaughan led the women again by finishing 25th with a time of 21:25 over the 5,000 meter course. Terri Schmidt was not far behind at 27th place in 21:28. Completing the scoring were Carla Marling, Beth Britton, and Deb Richardson with times of 22:58, 24:11 and 25:27 to take 39th, 47th and 51st respectively.
