HIGHLIGHTS ON RETURNING STARTERS

DREW BAKER will take up a lot of the jumping and scoring slack left from Kauffman's absence. The 6'2" junior forward compensates for his lack of height under the basket with a strong leaping ability. Drew was last year's top rebounder, bringing down 168 defensive & 115 offensive rebounds. He also had the highest field goal percentage of 56.5 and was last year's third highest scorer totaling 405 points for a 14.0 points per game average.

Team captain, ERIC MOUNTS, will be returning for his final season and will in all probability become Cedarville College's all time leading scorer sometime during the course of the season. After only three years on the Yellow Jacket court, Eric is already the fourth leading scorer with 1,833 points to his credit. The school record was set by 1968 graduate Al Knot and stands at 2,056 points. Last year, Eric was the cagers leading scorer with 680 points for the season. He was also awarded the Mid-Ohio Conference Most Valuable Player, NAIA All-American Honorable Mention, NCCAA All-American Second Team, NAIA All-District 22 Team, Mid-Ohio All-Conference Team, and J. Albert Turner Award titles. Eric was also selected last spring to travel as one of twenty student/athletes to Australia with the NAIA All-Stars.

Highlights on returning starters

Junior, MARK WOMACK, is a strong team player. He is consistent, intelligent, methodical and makes few mental or physical mistakes. Mark also brings a good deal of cohesiveness and organization to the club and the Yellow Jacket style of play. Mark's 56.4 field goal percentage last year was second only to Baker's 56.5. The fact that a majority of the shots from this high percentage shooter comes from outside is key to the Yellow Jacket offense. With the additional punch added by Mounts and Berger, this year's offensive attack will be tough to beat from outside. Mark was last year's fourth leading scorer with 360 points, and held an 82.9 free throw percentage.
