“O January; first of this new year.  
What scenes are hidden in the coming hours;  
We greet thee with mingled joy and fear,  
And as we blindly meet each new born day,  
We ask for guidance o’er the untried way.”

“Welcome New Year; Faith bids each hear be strong,  
For God will order all that comes with thee  
To Him we leave it, glad to march along,  
Feeling that what is best alone will be,  
And as we onward pass, kind wishes fall  
That this may prove a happy years for all.”

5 Jan. Sabb. Quite a dreary day. Harlan Clara clayton and Jason at Sabbath School. Mr Mc and I at church. Fannie & Homer and Mary L- at home Noah absent. Mr Mortons text “I press towards the mark of the high calling of God in Christ Jesus.” If we would be successful we must press forward – bend all our energies put forth our best effort to our work. Christ is the prize – the treasure that is set before us to obtain. There is nothing so cheering so animating amid all our hardships than to look up and see our Saviour ready to help us. If we would be successful in bringing men and women to Jesus we must set the Lord before them. We must show them Jesus – Hold him up in all of his loveliness. Again Immortal souls is the Prize we are to reach. Not only to find Christ our selves – but to bring others to Christ. What is it to bring them to Christ. Its is to bring them to the church. Again Heaven is the prize that is set before us. If we would win Christ our selves – or win souls for him we must be mightally [sic] in earnest. We must make this the business of life – What we need is more devotion – more consecration – Like Paul we must “press toward the mark of the high calling of God in Christ Jesus.” Bro David preached at the U. P. Church to day. Uncle John and Annabell there. Mr Mc went down to grandmothers and brought Uncle John & Annabel out They were here to dinner. This eve it rained to hard for Fannie & co. to go to the young folks meeting hence all stayed at home – Uncle John and Annabel with us to night. 7 Jan. Tuesday. Almost constant rain last night – and rain to day again. The country around almost a flood of water. This morning Jim Little us all good bye and Fannie took him to C- as he leaves this Evening for St. Louis to take a position there – about ten O'clock Harlan told us good bye and Mr Mc took him up to Springfield to take the course in Commercial College. 9 January. Thurs. Quite a gloomy day – much cooler – but not cold. This is a Fast day appointed by our Synod. None of us at church but Mr Mc and I. Homer at Selma School. Clara Clayton and Jason at Mr Hs School. Fannie at home with Mary L- Noah came last night and went away to day again. Mr Pigg around this morning. Uncle Joe around to day. I feel like we have done all wrong not to keep this day sacredly – We certainly need one day out of the year to keep for God – and more than this if we would take them Of course I know I have tried to keep this day – but it was Joshua that said “as for me and my house we shall serve God.” Not I shall serve him – but we shall serve him – my house. Mr Morton was wonderfully in earnest to day – his text “He that covereth his sins shall not prosper; but whoso confesseth and forsaketh them shall have mercy.” The only way for an individual to be prospered is to confess and forsake his sin. It is folly to try to hide or to cover up our sins – for we will not succeed in covering them – we will be found out – and more than this our peace and comfort will be gone. Next the wisdom of confessing and forsaking our sins – the promise is we shall have mercy – Let us not forget that confession and pardon are inseparably connected – so also is pardon and prosperity. So let us also not forget that this is way to individual and spiritual prosperity. This is also that way that the church is prospered. Notice some of the sins of the church – Our prominent sin is negligence and another is conformity to the world. Often this deadness and coldness is because there is some Achan in the camp. Often some secret sin that is covered up that is eating out the vitals of the church. Often the Lords host meets with apparent defeat because of this. The only way for an individual or a church or an nation to be prospered is first to find out what their sin are – then to confess their sin – then forsake their sin. After the close of the meeting the congregation had a meeting – Mr Mc and I remained for it after which we came almost directly home. This Eve all at home around the fire.

Mary Lancaster rode down with them and attended our church. Mr Mc and I at preaching. Homer and Jason at home alone. Mr Mortons text “Be not afraid, only believe. Faith is the subject of the text. Strong unwavering faith is the great panacea or cure of all of lifes ills. Jesus says to all anxious inquirers – to all sinners who are deeply concerned about salvation Be not afraid only believe. My poor desponding brother and sister don’t wait until the burden is removed but come at once to Jesus and have it removed. Don’t wait till your sin is less but come to Jesus for pardon and forgiveness. Jesus addresses this language to all weak and doubting Christians and to all afflicted Christians and to all dying Christians. What we need amid our every day trials and discouragements is strong unwavering faith. Faith that will lay our burdens and sorrows at the masters feet – and triumph over the world the flesh & the devil. This P.M. Clara went from Church with Aunt Jane. All the rest of us at home. Mr [illegible] called – here to dinner – and went with Mr Mc to Wm Stuarts this afternoon – Mr Mc returned near dark. Homer at Selma School to day. this afternoon Uncle Joe and Fannie at C- This Eve all of us at home. This is the twenty Third Anniversary of our marriage day, just 23 years this eve since Mr Mc and I were married. To look back over the way – over the long miles to that evening away back yonder – back over the sunshine – back over the Snow – back over the graves – back over the sorrows – and back over the cares – back to that place where all the world was bright –it looks like a very long road. And yet a year how short. “How quickly come – and how soon gone” –

Often we feel we have not sufficient time for the work we are called upon to perform – Duties press – Every day brings its trials – and each year its changes. It is not a year that seems so long – but the years that lengthen out so far when one year is added to another stretching back over the past –

But Oh!

“The present mingles with the past,  
And silently steals away –  
While the deeds of our lives with hopes and fears  
Are stored away with the garnered years;  
To reappear at the eventide,  
When the sunset gilds the lea,  
And a backward look reveals how brief  
Is life; Ah, me, Ah, me!  
But there is unending life and song,  
And eternity is long, so long.”

people, and tongues, stood before the throne, and before the lamb, clothed with white robes and palms in their hands." Subject of the text the Heavenly Word. Notice the great number of the inhabitants of heaven. Heaven is a densely populated place – and all nations will be represented there – Notice the exalted position of the inhabitants of heaven – they stand before the throne – Notice the spotless purity of the inhabitants of heaven – They are arrayed in spotless or in white robes. One reason is because of Gods gracious assurance— As soon as any of Gods children comes out of Satins kingdom God draws near to that individual and never leaves him till he is passed safely over into the promised land. Next the relationship of God to his people— fear not for I am with thee— He strengthens his people— he imparts grace and strength and courage as it is needed— Helps his children His promises grow sweeter the farther we go— Last of all he promises to uphold us with the right hand of his righteousness. 9 Feb. Sabb. Moderated— Homer Clara and Jason at Sabbath School. Fannie and Clayton at home— Mr Mc and I at church— Mr Mortons text “wait on the Lord; and keep his way, and he shall exalt thee to inherit the land” — The subject of the text how to reach the promised land. What is to wait on God. It is to wait patiently quietly & believingly. It is with this help to do our duty and leave the whole results with God and rest satisfied. One of the hardest lessons we have to learn is to meet discouragement and losses and to wait and be patient— And the most important duty—the highest attainment any one can make is be patient and wait and trust and depend for God even amid the clouds and discouragements. To be able to reach heaven we must attain to what is commanded in this text. No matter how hard we are pressed—how hard the walk we must confidently & believingly trust in him. No matter what your trial— what your walk in the family— a voice—says—look up look to God and he shall help you— How are we to wait on God? We are to wait actively and keep his way. We are to obey his command. The great lesson that God is teaching us is obedience. The final promise—when the lessons all are learned — He will exalt -- He will lift us up to a higher and holier and purer atmosphere— He will lift us up closer to the throne— he will receive us into heaven.
