## Track & Field Complex

Cedarville University's track & field complex which opened in Spring 2004 and is located on the north end of the campus, continues the tradition of excellent outdoor facilities built at the University under the direction of former Athletic Director Pete Reese. The track, which is part of a lighted soccer stadium that opened in the fall of 2002, hosted its first meet on April 16, 2004.

The facility features an eight-lane polyurethane track as well as multiple field event areas both on the infield and surrounding the track. The irrigation system on the grass infield coupled with the track's drainage capabilities will help minimize maintenance on the entire facility.

Cedarville's outstanding track facilities over the years have allowed the Yellow Jackets to host several meets including the NCCAA Championships, Mid-Ohio Conference Championships and several high school meets. Cedarville hosted the first-ever American Midwest Conference Championship in 1999 as well as the 2005 and 2006 meets.

## Doden Field House

The spacious Doden Field House was opened in March, 2004 and has been a welcome addition to the Cedarville University track & field program. It provides for year round training for multiple Yellow Jacket sports, enhances the school's popular intramural program, and the University moved its graduation ceremonies into the facility with enough room to provide seating for up to 7,000.

A new flooring surface was installed during the 2017-18 Christmas break by Connor Sports Flooring of Elk Grove Village, Illinois. The project took more than a month to resurface nearly 56,000 square feet.

The blue Connor 10mm Pro Traxx surface features six 36-inch lanes around the track as well as eight 42-inch lanes for sprints and hurdles. The high jump is contested on the same surface as the track. The gray infield includes a poured Connor ElastiPlus surface with game lines painted for basketball, volleyball, tennis and soccer.

There are two long jump/triple jump pits with minimum 125-foot runways and a 9 x 20 foot landing area as well as a regulation high jump pit. Two pole vault plant boxes include a minimum 135-foot runways. Throws are conducted on a wood throwing circle with an NCAA legal cage.

The facility includes an 8-lane electronic scoreboard and there is ample bleacher seating for approximately 1,000 fans. Cedarville's indoor track & field season in the building annually typically features a high school meet and several college meets.
