## Scoring

The meet will be scored on a 10-8-6-5-4-3-2-1 basis.

## Awards

All-American -- The first place finisher in each individual event and the first place team members in each relay will be named NCCAA All-American and will receive an All-American plaque. All other placers will receive an achievement certificate indicating the event and finishing place.

At-Large All-Americans -- Six men and six women will be selected At-Large All-Americans based on the best non-winning performances as determined by objective (top ten all-time performances) and subjective analysis by the At-Large All-American Committee.

Coach of the Year -- The men's and women's Coach of the Year awards will be decided by a vote of the respective coaches at the close of the meet and presented at the meet awards ceremony.

Outstanding Performance Awards -- These awards for both men and women will be selected by a vote of the respective coaches immediately at the conclusion of the meet. Plaques will be presented by the Track Sports Chair immediately following the vote.

NCCAA Scholar-Athletes -- Men's and women's athletes who meet NCCAA academic qualifications and are nominated by their coach will be eligible for the NCCAA Scholar-Athlete team. Those honored will receive a certificate.

NCCAA Certificates of Participation -- These will be given to all student-athletes competing in the National Track and Field Meet.

Team Awards -- For both the men and women, the NCCAA track championship banner will be awarded to the first place team, and plaques will be given to the next three teams.

## The Wheeler Track and Field Award

The awards, for men and women, are sponsored by John and Joanne Wheeler who have been involved in the athletic activities of Christian high schools and colleges for several years. Mr. and Mrs. Wheeler have each had a continuing and active participation in the area of athletics and wish to promote athletics in Christian colleges.

The awards were established in order to enhance excellence in Christian track and field competition and to perpetuate the Christian philosophy and faith as exemplified through Christ-like track and field participation in NCCAA member colleges and universities.

Candidates are nominated by their track and field coaches with final selection of the recipients made by a committee composed of the track and field sport chair, vice-chair, national meet director, and the highest ranking National Executive Committee member present at the meet. Presentation of the awards will be in ceremonies following the meet.

Recipients must each be a team member of a Christian college recognized by the NCCAA; must each possess a vital Christian testimony on and off the track; must each exhibit outstanding leadership qualities including Christian service activities; must each be highly skilled in track and field; must each be a junior or senior student in good academic standing; must each be a participant in the national meet of the year of nomination.

A trophy descriptive of the honor will be awarded each recipient recognizing the honor. A similar trophy will be awarded each recipient's institution recognizing the honor as well.
