About the Major

Cedarville's theatre major, offered through the Department of Art, Design, and Theatre, is a rigorous program with concentrations in design and performance, and minors in performance, design and arts administration. Our graduates are well prepared for graduate school, professional theatre, public media, and ministry settings.

They excel in their art as they honor God with their lives.

Visit cedarville.edu/theatre to learn more about theatre majors and minors.

Scholarships are available.

Due to production deadlines, some crew members may not be listed. We apologize for any omission.
