1988 Season Outlook

The Cedarville women will be seeking their fifth straight Western Buckeye Collegiate Conference title in '88. Coach Elvin King says there seems to be a balance of talent in all events and that the Lady Jackets will be competitive. Junior hurdler Shelly Fratus is expected to be the top athlete this spring. She qualified for the semifinals in the 400 meter hurdles last year at the NAIA Nationals.

1988 Season Outlook

Cedarville Coach Elvin King expects some excellent individual performances again this spring, especially in the long distances where the Yellow Jackets will be strongest. One major weakness will be the lack of depth in other events.

Sophomore Eric Fillinger and senior John Oswald, both specializing in the 10,000 meters, will be the best bets to succeed. Fillinger placed 7th in the NAIA national meet while Oswald won the event in District 22 in 1987. Both runners were NAIA All-Americans in cross country this past fall.
