## Cedarville College

Cedarville College is an independent Baptist college of arts, sciences, and professional programs serving over 2,550 students. The school is located on a 300-acre campus at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 3,000. The village and its surrounding area have long maintained a reputation for providing a wholesome environment for learning.

Though located in a rural community, Cedarville is conveniently situated in the center of a triangle formed by Columbus, Dayton, and Cincinnati, which allows easy access to three of the fastest-growing metropolitan areas in the nation.

Founded in 1887 by the Reformed Presbyterian Church, the college was established by individuals who had a vital interest in the spiritual welfare of young people. In 1953, the operation of the college was transferred to the trustees of Baptist Bible Institute of Cleveland with the goal of enlarging the Institute's ministry. The name, Cedarville College, was retained and the school continues to perpetuate the original purpose of its founders. The school motto, "...for the Word of God and testimony of Jesus Christ," reflects this commitment.

Since its founding, Cedarville has coupled a balanced liberal arts program with a fundamentalist, theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with Biblical perspectives.

In keeping with the liberal arts concept, the curriculum centers on a basic program of general studies, including biblical education, communications, humanities, physical education, science and mathematics, and social science. Students choose a major field of concentrated study related to their abilities, interests, and career goals. The college offers over 90 programs of study leading to a baccalaureate degree.

The College recognizes that students must live and work in a society where computers and computer networks are an essential part of everyday life. To equip students to function effectively in this environment, Cedarville has launched CedarNet, the campus-wide computer information network. CedarNet, which allows access to Internet, WWW and OhioLINK, links computers in every dorm room and office on campus.

Cedarville views individual ministry involvement to be a vital and necessary part of each student's education and personal growth. The Christian Ministries Division provides training and assistance to the hundreds of students who volunteer for any of the more than 100 different ministries each quarter.

Cedarville attracts students from 47 states and nearly 65 percent of the student body comes from out of state which includes more than 30 international students.

Residence hall living is considered an integral part of the educational process with approximately 80 percent of the student body residing on campus in college housing.

## Dr. Paul Dixon, President

Dr. Paul Dixon is a graduate of Tennessee Temple University and Temple Baptist Theological Seminary. In 1986 he received his doctorate in higher education from the University of Cincinnati. He is the recipient of two honorary degrees: the Doctor of Divinity from his alma mater and Doctor of Laws from Liberty University.

After 14 years in an evangelistic ministry, Dr. Dixon became the president of Cedarville College in 1978. Under his administration, the College's enrollment has grown over 90 percent, with 2,559 students in fall 1997.

For the past 20 years, Dr. Dixon has been a popular speaker for professional sports chapel programs including the Cincinnati Reds and Bengals and many of the National League baseball and NFL teams.

Mrs. Dixon, the former Pat Landers of Chattanooga, Tennessee, served as a faculty member in the Language and Literature Department for 25 years before retiring in 1996.

The Dixons have one son, Scott, who is an assistant professor of Bible at the College. He and his wife, Sara, have five children and reside in Springfield.

Psalm 37:23 has been a challenge for Dr. and Mrs. Dixon since their marriage in 1960: "The steps of a good man are ordered by the Lord, and he delighteth in his way."

## Dr. Don Callan, Athletic Director

Dr. Don Callan begins his 37th year as athletic director at Cedarville College. He oversees a Yellow Jacket program that contains 14 varsity sports.

Upon completing his legendary career, he was the NAIA's third winningest active coach with a record of 579-423 and was 19th on the NAIA all-time win list. Callan is a member of the Halls of Fame at the NAIA, NCCAA, Cedarville College, and Taylor University, his alma mater.

Callan received the prestigious Lifetime Achievement Award presented by the Agonis Club of Dayton, Ohio in February, 1996. He was one of seven people honored for longtime commitment and contribution to athletics in the state of Ohio.

The coaching career of Dr. Callan has had an impact internationally as well. He has coached and lectured in Australia, Japan, Korea, Hong Kong, the Philippines, Poland, Portugal, New Guinea, Spain, Taiwan, and Thailand. He is also founder of the Missionary Internship Service (MIS) at Cedarville College.

Dr. Callan is a 1955 graduate of Taylor University. He received his master's degree from Ball State University in 1960, and his Ph.D. in physical education from The Ohio State University in 1968.

Dr. Callan and his wife Nedra reside in Cedarville and have two married children. A daughter, Jan Leach, and her husband, Mark, reside in Fairfield, Ohio along with their two children: Joel Donald, 12, and Annette Marie, 9. ## Dave Dillon, Head Coach

Dave Dillon has been given the responsibility of being the first Cedarville College women's soccer head coach. He joins the Yellow Jacket athletic program with extensive experience at various levels of soccer.

Most of Dillon's association with the game has come at the youth level in the Canadian provinces of Alberta and British Columbia as well as in Cedarville. He was a head coach for most of five years, but more recently has established himself as a certified soccer official as both a senior referee and a referee trainer. Since 1994, he has officiated youth soccer matches and tournaments of all age groups throughout the Miami Valley and the nation.

Dillon is a 1978 graduate of Faith Baptist Bible College in Ankeny, Iowa where he was a three-year starter as a goalkeeper. He earned his master's degree from Grand Rapids Baptist Seminary in 1983 and is currently pursuing his Ph.D. in education at Ohio State University.

Dave and his wife, Beth, reside in Cedarville with their three children. Son Shawn, 15, is a sophomore at Cedarville High School, daughter Krista, 13, is in the 8th grade, and son Cody, 11, is a 6th grader.

Wambold is a 1996 graduate of Cedarville College with a degree in elementary education. She spent last year as a substitute teacher in the west central Ohio school districts of West Carrollton and Bellbrook.

Wambold was a three-sport prep athlete at Cedarville High School in basketball, softball, and tennis. She later played tennis one year for the Lady Jackets.

## 1997 Season Outlook

There's a new varsity sport on the Cedarville College campus and they can't wait to get started. The long awaited inaugural edition of Lady Jacket soccer is finally in place as the school's 14 intercollegiate program.

"All of the players brought with them an enthusiasm into camp that is refreshing," remarked head coach Dave Dillon. "They have given us a tremendous effort without complaint. Everyone is excited to be a part of this first season."

Women's soccer at Cedarville College did not develop overnight. As long as three years ago, a group of women gathered on campus to play among themselves with the foresight of seeing a varsity program come to fruition. Last year, the Lady Jackets fielded a junior varsity squad before it attained full varsity status for 1997.

"Our primary goals in beginning our program is to construct a solid foundation and establish some benchmarks upon which we can build," Dillon explained. "We obviously want the players to develop and have an understanding of the college game. We will constantly be assessing our progress and move on."

Dillon will look to the leadership of the team's three captains to set the example both on and off the field. The responsibility has been awarded to senior midfielder Meredith Allgrim (Almond, NY), junior back Lisa Thomson (Monroeville, PA), and junior midfielder Michelle Miller (Dallas, PA).

Fourteen matches dot the schedule which includes some established programs. Wilmington is ranked in the NCAA Division III Top 25 while Indiana Wesleyan is the defending NCAA National Champion.

The Lady Jackets will play as an independent within the NAIA Great Lakes Region this season. They'll begin Mid-Ohio Conference play in 1998 along with current members Malone, Tiffin, and Walsh as well as incoming members Geneva PA, St. Vincent PA, and Notre Dame College of Ohio.

## NAIA

Throughout its history, the National Association of Intercollegiate Athletics (NAIA) has provided strong leadership for all aspects of intercollegiate sports. Since its introduction of intercollegiate championship basketball in 1937, the NAIA has maintained the highest standards while administering first-rate athletics programs.

Time and time again, the NAIA has stepped forward to address the important issues of the day — be it racial integration in the '40s and '50s or establishing the first women's championship program in 1980. The NAIA has not been afraid to enact changes while others have watched and waited.

In the past decade, presidents of the NAIA colleges and universities have assumed a position of responsible leadership. The NAIA's Council of Presidents, the organization's primary governing body, is comprised of 32 college and university presidents from all regions of the United States.

With its major emphasis on educational development, it was natural for the NAIA to further strengthen academic eligibility requirements in the mid-'80s. All NAIA participating student-athletes must maintain a certain grade point average (GPA) while accumulating credit hours for a declared academic degree. Unlike other associations, NAIA student-athlete academic eligibility is monitored on a semester-by-semester basis. The All-America Scholar-Athlete program, a long-standing NAIA tradition, recognizes junior and senior student-athletes with a minimum cumulative 3.5 GPA on a 4.0 scale.

Since 1937, the NAIA has administered athletics programs and championships in proper balance with the overall collegiate educational experience. Serving higher education in this manner is a responsibility the NAIA does not take lightly. It is a relationship built on confidence and trust — a relationship strengthened year after year.

## NCCAA

The NCCAA, with national headquarters in Marion, Indiana, is a miracle organization. In just a few years an idea has become a reality providing Christian student-athletes in Christian colleges both an opportunity for fellowship and competition on the national level.

The NCCAA game plan is to produce true winners; a game plan that will carry an individual through his or her entire life. The game plan is devised to draw out the student-athlete's greatest potential — body, mind, and spirit.

This game plan is catching on virtually all over the United States. Since its first tournament in 1968, the NCCAA has grown to encompass more than 100 Christian colleges nationwide, both liberal arts and Bible colleges in nature. The participating schools are dedicated not only to the best athletic competition possible, but also to exemplify Jesus Christ in everything.

The NCCAA believes:

- That athletics are a means to an end, not an end in themselves.
- That the process is as important as the performance.
- That the person (student-athlete) is more important than the program.

NCCAA. It is an organization bringing Christian colleges together not just for athletic competition. More importantly, it is an organization bringing colleges together who have common goals and perspectives in Christian higher education.
