February 21, 2009

Dear Indoor Track & Field Participant:

Welcome to Cedarville University and the 2009 National Christian College Athletic Association's National Indoor Track & Field Championship in the Doden Field House. We at Cedarville are delighted to be the hosts for this wonderful event. Congratulations to each participating student-athlete and coach for their accomplishments and success during the 2009 season.

May we use the opportunity this weekend to continue the commitment of each of the Christian colleges and universities involved in the NCCAA to magnify Jesus Christ in all that we do.

Again, we welcome each of you to Cedarville University, Greene County, and Southwestern Ohio. Have a *great* time of fellowship and competition!

Sincerely in Christ,

A handwritten signature in cursive script that reads 'Bill Brown'.

Bill Brown  
President

cg

From the Executive Director...

## NATIONAL CHRISTIAN COLLEGE ATHLETIC ASSOCIATION

**O**n behalf of the NCCAA and the Board of Directors, I welcome you to the NCCAA Indoor Track & Field Championship. It is exciting for all of us to have these institutions from across the United States at Cedarville University to compete in this National Championship.

This event is just one of our 20 national championships and four invitationals sanctioned by the NCCAA. Over 13,000 student-athletes and 113 institutions make up the NCCAA and this event is an important part of our Association.

Congratulations to each student-athlete and coach who participates in this indoor track & field championship. Your participation in this tournament setting certainly represents many weeks of dedicated time and work. It is also a statement that you stand for the Lord while you compete.

The NCCAA thanks Jeff Bolender, head track & field coach at Cedarville University, for his excellent leadership in organizing and administrating this fine event. I am also very grateful for the time and dedicated work of the NCCAA Indoor Track & Field Committee and Coach Bolender as its chairperson.

Sincere appreciation goes to Dr. Alan Geist, Athletics Director, and Dr. Bill Brown, President, of Cedarville University, as well as their administrative colleagues, for their willingness to host a tournament of this magnitude.

The NCCAA is simply about using intercollegiate athletics to serve the Great Commission. Events such as this help showcase that effort and we trust each of you will experience the NCCAA at its finest this weekend

Sincerely,

Dan Wood  
Executive Director

## About Cedarville University ....

Cedarville University is an accredited, Christ-centered Baptist university of arts, sciences, professional and graduate programs. The school is located on a 400-acre campus at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 3,000. The village and its surrounding area have long maintained a reputation for providing a wholesome environment for learning.

Though located in a rural community, Cedarville is conveniently situated in the center of a triangle formed by Columbus, Dayton, and Cincinnati, which allows easy access to three of the fastest-growing metropolitan areas in the nation.

Founded in 1887 by the Reformed Presbyterian Church, Cedarville College was established by individuals who had a vital interest in the spiritual welfare of young people. In 1953, the operation of the College was transferred to the trustees of Baptist Bible Institute of Cleveland with the goal of enlarging the Institute's ministry. The name Cedarville College was retained, and the school continues to perpetuate the original purpose of its founders. The school credo, "...for the Word of God and testimony of Jesus Christ," reflects this commitment. The institution became known as Cedarville University in 2000.

Since its founding, Cedarville has coupled a balanced liberal arts program with a conservative theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with biblical perspectives.

In keeping with the liberal arts concept, the curriculum centers on a basic program of general studies, including biblical education, communications, humanities, physical education, science and mathematics, and social science. Students choose a major field of concentrated study related to their abilities, interests, and career goals. The University offers more than 100 undergraduate and graduate programs of study.

The University recognizes that students must live and work in a society where computers and computer networks are an essential part of everyday life. To equip students to function effectively in this environment, Cedarville launched CedarNet, the award-winning campus-wide computer information network. CedarNet, which allows access to the Internet, the world-wide web, and OhioLINK, links computers in every dorm room and office on campus. The University has been a recipient of the CAUSE Award in the category of campuses with operating budgets of under \$100 million. This award recognizes the nation's most outstanding use of campus technology. Also, Cedarville has been identified as one of the nation's "100 Most-Wired Campuses" by Yahoo! Internet Life magazine.

Cedarville views individual ministry involvement to be a vital and necessary part of each student's education and personal growth. The Christian Ministries Division provides training and assistance to the hundreds of students who volunteer for any of the more than 150 different ministries each semester.

Cedarville attracts students from most every state and nearly 65 percent of the student body comes from out of state, including more than 30 international students.

Residence hall living is considered an integral part of the educational process with approximately 75 percent of the student body residing on campus in University housing.

### Doden Field House

The spacious Doden Field House was opened in March, 2004 and has been a welcome addition to the Cedarville University track & field program. It provides for year round training for multiple Yellow Jacket sports, enhances the school's popular intramural program, and the University moved its graduation ceremonies into the facility with enough room to provide seating for up to 7,000.

The poured granular rubber service features six 36-inch lanes around the track as well as eight 42-inch lanes for sprints and hurdles. The high jump is contested on the same surface as the lanes.

There are two long jump/triple jump pits with minimum 125-foot runways and a 9 x 20 foot landing area. Two pole vault plant boxes include a minimum 135-foot runways. Throws are conducted on a wood throwing circle with an NCAA legal cage.

The facility includes an 8-lane electronic scoreboard and there is ample bleacher seating for approximately 1,000 fans. Cedarville's indoor track & field season in the building annually features two high school meets and two college meets including the 2009 NCCAA Indoor Championships.

### Track & Field Complex

Cedarville University's track & field complex which opened in Spring 2004 and is located on the north end of the campus, continues the tradition of excellent outdoor facilities built at the University under the direction of former Athletic Director Pete Reese. The track, which is part of a lighted soccer stadium that opened in the fall of 2002, hosted its first meet on April 16, 2004.

The facility features an eight-lane polyurethane track as well as multiple field event areas both on the infield and surrounding the track. The irrigation system on the grass infield coupled with the track's drainage capabilities will help minimize maintenance on the entire facility.

Cedarville's outstanding track facilities over the years have allowed the Yellow Jackets to host several meets including the NCCAA Championships, Mid-Ohio Conference Championships and several high school meets. Cedarville hosted the first-ever American Midwest Conference Championship in 1999 as well as the 2005 and 2006 meets.
