Choral Fantasy translation

With grace, charm and sweet sounds
the harmonies of our life, and the sense
of beauty engenders the flowers which
eternally bloom. Peace and joy advancing
in perfect accord, like the alternating play
of the waves; all harsh and hostile
elements render to a sublime sentiment.

When the magic sounds reign and the
sacred word is spoken, that strongly
engender the wonderful, the night and
the tempest divert light, calm without,
profound joy within, awaiting the great

hour. Meanwhile, the spring sun and
art
bathe in the light.

Something great, into the heart blooms
anew when in all its beauty, which
spirit taken flight, and all a choir of
spirits resounds in response. Accept
then, oh you beautiful spirits joyously
of the gifts of art. When love and
strength are united, the favour of God
rewards man.
