About Cedarville University

Cedarville University is a Christ-centered, Baptist university of arts, sciences and professional and graduate programs. The school is located on a 400-acre campus at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 4,000. The village and its surrounding area have long maintained a reputation for providing a wholesome environment for learning.

Though located in a rural community, Cedarville is conveniently situated in the center of a triangle formed by three interstate highways, I-70, I-75, and I-71, and thus enjoys quick access to Columbus, Dayton and Cincinnati.

Founded in 1887 by the Reformed Presbyterian Church, Cedarville College was established by individuals who had a vital interest in the spiritual welfare of young people. In 1953, the operation of the College was transferred to the trustees of Baptist Bible Institute of Cleveland with the goal of enlarging the Institute's ministry. The name Cedarville College was retained, and the school continues to perpetuate the original purpose of its founders. The school credo, "...for the Word of God and testimony of Jesus Christ," reflects this commitment. The institution became known as Cedarville University in 2000.

Since its founding, Cedarville has coupled a balanced liberal arts program with a conservative theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with biblical perspectives.

In keeping with the liberal arts concept, the undergraduate curriculum centers on a basic program of general studies including biblical education, communications, global studies, humanities, physical education, science and mathematics, and the social sciences. Following this program, students choose a major field of concentrated study related to their abilities, interests, and career goals. Upon completion, students receive the baccalaureate degree. The University also offers graduate coursework.

The University is known nationally as a leader in campus computer networking and instructional technology, providing networked computers in each of the residence hall rooms, laboratories, and offices. One of the major advantages to the network, called CedarNet, is that students have access to over 150 commercial software packages directly from the residence hall rooms without going to a specialized laboratory.

Cedarville views individual ministry involvement as a vital and necessary part of each student's education and personal growth. The Christian ministries division provides training to the hundreds of students who volunteer each year.

Cedarville attracts students from most every state and nearly 65 percent of the student body comes from out of state, including more than 30 international students.

Residence hall living is considered an integral part of the educational process with approximately 75 percent of the student body residing on campus in University housing.

Doden Field House

The spacious Doden Field House was opened in March, 2004 and has been a welcome addition to the Cedarville University track & field program. It provides for year round training for multiple Yellow Jacket sports, enhances the school's popular intramural program, and the University moved its graduation ceremonies into the facility with enough room to provide seating for up to 7,000.

The poured granular rubber service features six 36-inch lanes around the track as well as eight 42-inch lanes for sprints and hurdles. The high jump is contested on the same surface as the lanes.

There are two long jump/triple jump pits with minimum 125-foot runways and a 9 x 20 foot landing area. Two pole vault plant boxes include a minimum 135-foot runways. Throws are conducted on a wood throwing circle with an NCAA legal cage.

The facility includes an 8-lane electronic scoreboard and there is ample bleacher seating for approximately 1,000 fans. Cedarville's indoor track & field season in the building annually typically features two high school meets and two college meets.

Track & Field Complex

Cedarville University's track & field complex which opened in Spring 2004 and is located on the north end of the campus, continues the tradition of excellent outdoor facilities built at the University under the direction of former Athletic Director Pete Reese. The track, which is part of a lighted soccer stadium that opened in the fall of 2002, hosted its first meet on April 16, 2004.

The facility features an eight-lane polyurethane track as well as multiple field event areas both on the infield and surrounding the track. The irrigation system on the grass infield coupled with the track's drainage capabilities will help minimize maintenance on the entire facility.

Cedarville's outstanding track facilities over the years have allowed the Yellow Jackets to host several meets including the NCCAA Championships, Mid-Ohio Conference Championships and several high school meets. Cedarville hosted the first-ever American Midwest Conference Championship in 1999 as well as the 2005 and 2006 meets.

2011 Cedarville Collegiate Invitational

Tentative Time Schedule / HJ & PV Progression

Field Events:

- 4:00 p.m. High Jump - Men (scoreboard end) & Women (bleacher end)
- 4:00 p.m. Weight Throw - (Men then Women) then Shot Put (Men then Women)
- (after HJ) 5:25 p.m. Pole Vault - (Women then Men)
- (after HJ) 5:25 p.m. Long Jump - Men (scoreboard end)
- (after HJ) 5:25 p.m. Long Jump - Women (bleacher end)
- Triple Jump - (scoreboard end) Women then Men (following LJ)
