## Athletic Center

Opened in the fall of 1981, the Athletic Center features five full-length basketball courts, a one-tenth mile indoor track, three volleyball courts, two tennis courts, a batting cage, three racquetball courts, a weight room, and training room facilities. There are spacious locker room facilities, including separate areas for visiting teams, physical education classes, and faculty and staff.

## Media Information

Mark Womack is in his 14th year as sports information director at Cedarville College. He writes and edits *The STING*, the sports information quarterly from the college, and writes and produces "Yellow Jacket Sports Update" for the CDR Radio Network.

Womack is the publicity director for the Mid-Ohio Conference and is a member of the College Sports Information Directors of America (CoSIDA).

Mark and his wife, Amy, reside in Cedarville with their three daughters: Amber, 11, Aubrey, 9, and Alison, 6.

## Cedarville College

Cedarville College is a Baptist college of arts, sciences, and professional programs serving over 2,500 students. The school is located on a 100-acre campus at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 3,000. The village and its surrounding area have long maintained a reputation for providing a wholesome environment for learning.

Though located in a rural community, Cedarville is conveniently situated in the center of a triangle formed by Columbus, Dayton, and Cincinnati, which allows easy access to three of the fastest-growing metropolitan areas in the nation.

Founded in 1887 by the Reformed Presbyterian Church, the College was established by individuals, who had a vital interest in the spiritual welfare of young people. In 1953, the operation of the College was transferred to the trustees of Baptist Bible Institute of Cleveland with the goal of enlarging the Institute's ministry. The name, Cedarville College, was retained, and the school continues to perpetuate the original purpose of its founders. The school motto, "...for the Word of God and testimony of Jesus Christ," reflects this commitment.

Since its founding, Cedarville has coupled a balanced liberal arts program with a fundamentalist, theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with biblical perspectives.

In keeping with the liberal arts concept, the curriculum centers on a basic program of general studies, including biblical education, communications, humanities, physical education, science and mathematics, and social science. Students choose a major field of concentrated study related to their abilities, interests, and career goals. The college offers over 90 programs of study leading to a baccalaureate degree.

The College recognizes that students must live and work in a society where computers and computer networks are an essential part of everyday life. To equip students to function effectively in this environment, Cedarville has launched CedarNet, the campus-wide computer information network. CedarNet, which allows access to Internet, WWW and OhioLINK, links computers in every dorm room and office on campus.

Cedarville views individual ministry involvement to be a vital and necessary part of each student's education and personal growth. The Christian Ministries Division provides training and assistance to the hundreds of students who volunteer for any of the more than 100 different ministries each quarter.

Cedarville attracts students from 47 states, and nearly 65 percent of the student body comes from out of state, including more than 33 international students.

Residence hall living is considered an integral part of the educational process with approximately 80 percent of the student body residing on campus in college housing.

## Dr. Paul Dixon, President

Dr. Paul Dixon is a graduate of Tennessee Temple University and Temple Baptist Theological Seminary. In 1986 he received his doctorate in higher education from the University of Cincinnati. He also received the Doctor of Divinity from his alma mater and Doctor of Laws from Liberty University.

After 14 years in an evangelistic ministry, Dr. Dixon became the president of Cedarville College in 1978. Under his administration, the

College's enrollment has more than doubled, with 2,509 students enrolled in fall 1996.

For the past 20 years, Dr. Dixon has been a popular speaker for professional sports chapel programs, including the Cincinnati Reds and Bengals and many of the National League baseball and NFL teams.

Mrs. Dixon, the former Pat Landers of Chattanooga, Tennessee, served as a faculty member in the Department of Language and Literature for 25 years before retiring last spring. The Dixons have one son, Scott, who is an assistant pastor at the Grand Ledge Baptist Church in Grand Ledge, Michigan. He is also pursuing his doctoral degree at Michigan State University. Scott and his wife, Sara, have five children.

Psalms 37:23 has been a challenge for Dr. and Mrs. Dixon since their marriage in 1960: "The steps of a good man are ordered by the Lord, and he delighteth in his way."

## Dr. Don Callan, Athletic Director

Dr. Don Callan begins his 36th year as athletic director at Cedarville College. He oversees a Yellow Jacket program that features 13 varsity sports.

Callan served as head men's basketball coach at Cedarville from 1960 through 1995. Upon completing his legendary career, he was the NAIA's third winningest active coach with a record of 579-423 and was 19th on the NAIA all-time win list. Callan is a member of the Halls of Fame at the NAIA, NCCAA, Cedarville College, and Taylor University, his alma mater.

Callan received the prestigious Lifetime Achievement Award presented by the Agonis Club in Dayton, Ohio last February. He was one of seven people honored for his longtime commitment and contribution to athletics in the state of Ohio.

The coaching career of Dr. Callan has had an impact internationally, as well. He has coached and lectured in Australia, Japan, Korea, Hong Kong, the Philippines, Poland, Portugal, New Guinea, Spain, Taiwan, and Thailand. He is also founder of the Missionary Internship Service (MIS) at Cedarville College.

Dr. Callan is a 1955 graduate of Taylor University. He received his master's degree from Ball State University in 1960, and his Ph.D. in physical education from The Ohio State University in 1968.

Dr. Callan and his wife, Nedra, reside in Cedarville and have two married children. A daughter, Jan Leach, and her husband, Mark, reside in Fairfield, Ohio, along with their two children: Joel Donald, 11, and Annette Marie, 8. The Callans also have a son, Jon David, who lives in Wilmington, Ohio with his wife, Karen, and their two children: Matthew David, 6, and Alyson Marie, 4.

## Teresa Clark, Head Coach

Teresa Clark begins her first year as head coach of the Lady Jacket volleyball program. A 1975 graduate of Cedarville College, she spent the last seven years as volleyball coach at Blackhawk Christian High School in Ft. Wayne, Indiana.

Clark registered a 78-86 record at Blackhawk, but her last two teams were particularly impressive with a combined record of 35-11. Her 1994 club finished 16-6 and finished as Sectional Runner-Up to Snider High School, a perennial power in Indiana high school volleyball. Blackhawk advanced to the Sectional semi-

finals last fall and finished with a 19-5 mark.

Clark is an assistant professor in the Department of Health and Physical Education. She earned her master's degree from Indiana University in 1986.

Teresa's husband, Jim, who is a 1975 Cedarville graduate is her assistant coach. The Clarks reside in Cedarville and have two children: Carla, 18, who is a freshman at the College and Jonathan, 16, who is a sophomore at Cedarville High School.

## 1996 Season Outlook

It's a new era in Cedarville College volleyball as first-year head coach Teresa Clark takes over the reins. Helping in the transition will be nine returning players from last year's 32-17 squad that advanced to the semifinals of the Mid-Ohio Conference Tournament. Coach Clark is looking forward to the next level of coaching and is excited about the prospects in Yellow Jacket volleyball for 1996.

"There is some real talent in place, and we certainly have the potential for a winning season," Clark said. "We have good senior leadership along with some other returning players who have experience, plus some newcomers who will help right away. We're excited about the possibilities."

The top player back is senior all-around performer Sarah Jackson. The 5-foot-8 product from Cincinnati (Sycamore H.S.) was voted All-MOC First Team as well as Team MVP last fall after averaging 3.73 kills per game, the second-highest season average in school history. Her 796 kills ranks fifth on the Lady Jackets all-time list and she's on line to become only the third player in school history to reach 1,000 kills for a career.

The number two hitter back is 5-10 sophomore middle hitter Julie Opperman (Durand, Illinois; Durand H.S.). She averaged 2.37 kills per game and led the team with 51 block assists.

Opperman, Heather Scheffel, a 5-8 junior from Streetsboro, Ohio (Streetsboro H.S.), and Suzanne Lehman, a 5-6 sophomore from Kidron, Ohio (Dalton H.S.), each played in all 49 matches last year.

Heading the list of other key returning players is back row specialist Marcie Curry, a 5-4 senior from Pekin, Illinois (Peoria Christian). She has 981 career digs and will soon become the sixth Lady Jacket to top 1,000. Also back is 5-10 all-around performer Lisa Weirich, a junior from Mt. Pleasant, Michigan (Mt. Pleasant Baptist), and 5-6 senior Melissa Sprankle, who is from Chesapeake, Virginia (Greenbrier Christian).

Six newcomers are on the roster including 5-7 sophomore setter Julie Barkhaus (Fort Wayne, Indiana; Blackhawk Christian), who transferred from The Master's in California. Notables among the freshmen are 5-11 middle blocker Miranda Woller (Westerville, Ohio; Worthington Christian) and 5-7 setter Amanda Johns (Davison, Michigan; Davison).

The Lady Jackets will be in the Athletic Center on 12 dates highlighted by the Ninth Annual Cedarville Invitational on Sept. 6-7. They will host nine Mid-Ohio Conference matches with Kenyon being the lone non-conference dual match in the season opener.

## Returning Seniors

### Sarah Jackson 5'8" Senior Cincinnati, Ohio

#1

Sarah Jackson is an outstanding all-around volleyball player and has posted some impressive statistics in her first three years of play at Cedarville. Last year she earned a spot on the All-MOC First Team when she led the Lady Jackets with 3.73 kills per game and 4.19 digs per game. Sarah will post her 1,000th career kill as a Lady Jacket this season and could possibly finish in the top three of all-time Cedarville hitters. Clark comments, "Sarah has the potential to dominate a match, she is our 'go to' person when we need a kill." Jackson will provide the vital senior leadership on the court this year.

### Marcie Curry 5'4" Senior Pekin, Illinois

#21

Marcie Curry returns for her senior year as the sparkplug of the Lady Jacket defensive scheme. She will register her 1,000th career dig early in the 1996 season and join five other Cedarville volleyball players who have reached this milestone. Marcie has proven to be a durable athlete as she has not missed a match during her career at Cedarville. Coach Clark loves Marcie's enthusiasm for the game saying, "Marcie can come into a game and immediately have a positive impact with her ability to pass and return the opponents attacks."

### Melissa Sprankle 5'6" Senior Chesapeake, Virginia

#12

Melissa Sprankle will be a co-captain along with the other two seniors on the Lady Jacket roster. She will fill the setter position in the 6-2 Lady Jacket offensive plan. Coach Clark states, "Melissa is a player who is capable of keeping a steady, positive attitude on the floor in the heat of battle." Melissa was honored last season as an All-MOC Scholar-Athlete.

## 1995 Season Review

Cedarville College posted the third most wins for a season in school history after finishing with an overall record of 32-17 and a Mid-Ohio Conference mark of 10-8 to place fourth in the league. The Lady Jackets also finished second in four tournaments during the '95 campaign and qualified for the MOC playoffs.

A number of accolades came Cedarville's way with junior hitter Sarah Jackson and senior all-around performer Melissa Hartman, earning spots on the All-MOC First Team. Senior hitter Cheryl Miller was an All-MOC Second Team selection while rookie setter Krista Hoffman was named to the All-MOC Freshman Team.

The Lady Jackets maintained their focus in the classroom as well. Melissa Hartman, Laura Huggler, Melissa Sprankle, and Marcie Duez were recognized as All-MOC Scholar-Athletes. Hartman and Huggler were both named to the NAIA and NCCAA All-America Scholar-Athlete teams for the second straight year.

Hartman and Miller both graduated with a number of school records to their credit. Hartman leaves as the Lady Jackets' all-time leader for matches played (184), games played (544), digs (2,429), pass percentage (.941), and digs per game (4.47). Miller holds records for total attacks (4,077), attack percentage (.271), solo blocks (220), block assists (261), and total blocks (481). Miller also finished with 1,478 career kills and is only the second Cedarville player to go over 1,000.

Sarah Jackson paced the team in 1995 with 3.73 kills and 4.19 digs per game. Krista Hoffman averaged a team-leading 6.02 assists per game.

The spikers got off to a hot start by winning nine of their first ten matches and 14 of the first 16. They also finished strong by winning four straight matches before losing to eventual MOC champion Mt. Vernon Nazarene in the semifinals of the conference tournament.

## NAIA

Throughout its history, the National Association of Intercollegiate Athletics (NAIA) has provided strong leadership for all aspects of intercollegiate sports. Since its introduction of intercollegiate championship basketball in 1937, the NAIA has maintained the highest standards while administering first-rate athletics programs.

Time and time again, the NAIA has stepped forward to address the important issues of the day — be it racial integration in the '40s and '50s or establishing the first women's championship program in 1980. The NAIA has not been afraid to enact changes while others have watched and waited.

In the past decade, presidents of the NAIA colleges and universities have assumed a position of responsible leadership. The NAIA's Council of Presidents, the organization's primary governing body, is comprised of 32 college and university presidents from all regions of the United States.

With its major emphasis on educational development, it was natural for the NAIA to further strengthen academic eligibility requirements in the mid-'80s. All NAIA participating student-athletes must maintain a certain grade point average (GPA) while accumulating credit hours for a declared academic degree. Unlike other associations, NAIA student-athlete academic eligibility is monitored on a semester-by-semester basis. The All-America Scholar-Athlete program, a long-standing NAIA tradition, recognizes junior and senior student-athletes with a minimum cumulative GPA 3.5 on a 4.0 scale.

Since 1937, the NAIA has administered athletics programs and championships in proper balance with the overall collegiate educational experience. Serving higher education in this manner is a responsibility the NAIA does not take lightly. It is a relationship built on confidence and trust — a relationship strengthened year after year.

## NCCAA

The NCCAA, with national headquarters in Marion, Indiana, is a miracle organization. In just a few years an idea has become a reality providing Christian student-athletes in Christian colleges both an opportunity for fellowship and competition on the national level.

The NCCAA game plan is to produce true winners; a game plan that will carry an individual through his or her entire life. The game plan is devised to draw out the student-athlete's greatest potential — body, mind, and spirit.

This game plan is catching on virtually all over the United States. Since its first tournament in 1968, the NCCAA has grown to encompass more than 100 Christian colleges nationwide, both liberal arts and Bible colleges in nature. The participating schools are dedicated not only to the best athletic competition possible, but also to exemplify Jesus Christ in everything.

The NCCAA believes:

***That athletics are a means to an end, not an end in themselves.***

***That the process is as important as the performance. That the person (student-athlete) is more important than the program.***

NCCAA. It is an organization bringing Christian colleges together not just for athletic competition. More importantly, it is an organization bringing colleges together who have common goals and perspectives in Christian higher education.
