Bunnies on Ice

Bunnies on Ice is narrated by a young bunny who considers herself to be a champion ice-skater. Throughout the story, she relates all the tips that involve being a champion: waiting for the right season, eating healthy, having a good support team. The champion ice-skater bunny's narrative is accompanied by colorful pictures illustrating the story. While this story does not serve an entirely education purpose, it is a good read for young children who are involved in a sport; it would also make an excellent seasonal book. **Optional.** *Reviewed by Mollie Nelson, Centennial Library Intern.*
