MARCH 2 UPDATE: COMMENCEMENT, COVID VACCINES AT CEDAR CARE, AND SPECTATORS AT SPRING SPORTS

 [▶ Caring Well, Staying Well.](#)

March 2, 2021 | [2 Comments](#)

Sing praises to the Lord, O you his saints, and give thanks to his holy name. (Psalm 30:4)

We have made it to March and the halfway point in the semester. We are so grateful for the Lord's continued gracious protection of our campus community. The [March 2 COVID-19 reporting dashboard](#) showed just one student isolating on campus and four isolating off-campus. Praise the Lord!

This week's Caring Well post includes:

- A commencement planning update
- COVID vaccines now available at Cedar Care
- Clarification on guidelines for quarantining after getting the vaccine
- Spring sports spectators policy

Commencement – We are continuing to make plans to hold commencement in person on May 1. We are awaiting further guidance from the governor — hopefully coming this week — and will provide additional information as soon as possible.

COVID Vaccines at Cedar Care – Cedar Care Village Pharmacy is now offering COVID-19 vaccinations to eligible patients. Those in the [Ohio Phased Approach for vaccine distribution](#) Phase 1A and Phase 1B are currently being prioritized, and starting Thursday, March 4, Phase 1C and Phase 2 will be eligible. Cedar Care also recently received 100 doses of the Johnson & Johnson one-dose vaccine that patients can choose as supply lasts. If you qualify for a COVID-19 vaccine, [schedule an appointment online](#). If you are unsure of your eligibility, please call the pharmacy at 937-766-2273.

Quarantine Exemption After Vaccination – The CDC has recently clarified guidelines related to quarantine for those who have received the COVID-19 vaccine. There is a 14-day waiting time after receiving the second dose of the COVID-19 vaccine before you can be exempt from quarantine.

Spring Sports – As Yellow Jacket athletes begin their spring seasons, Athletics has released the following guidance for spectators at outdoor sporting events:

Soccer /Track & Field

- Tickets available online. No tickets purchased at the site.
- Faculty, staff, and students will have access to approximately 150 tickets for each match. Tickets will be available online for a 24-hour window beginning the day before the match.
- Maximum capacity of the bleachers is 300.
- Masks and social distancing are required.

Tennis Courts (Outdoor)

- No charge to watch event.
- No spectators inside the fence. Home/visitor fans sit in surrounding area on blankets and/or lawn chairs.
- Social distancing is required. Masks are required when social distancing is not possible.

Baseball/Softball

- No charge for admission.
- Chairback seats (baseball) are available for approximately 50.
- There will be no bleacher seating for spectators. Home/Visitor fans may sit in surrounding area on blankets and/or lawn chairs.
- Social distancing is required. Masks are required when sitting in chairback seats and when not socially distanced.

Is there a 2 week quarantine for anyone after receiving a second vaccine dose, or is it just if someone has tested positive before getting the vaccine?

Thanks.
