Dear Indoor Track & Field Participant:

Welcome to Cedarville University and the 2022 National Christian College Athletic Association's National Indoor Track & Field Championship in the Doden Field House. We at Cedarville are delighted to be the hosts for this wonderful event. Congratulations to each participating student-athlete and coach for their accomplishments and success during the 2022 season.

May we use the opportunity this weekend to continue the commitment of each of the Christian colleges and universities involved in the NCCAA to magnify Jesus Christ in all that we do.

Again, we welcome each of you to Cedarville University, Greene County, and Southwestern Ohio. Have a *great* time of fellowship and competition!

Sincerely in Christ,

National Christian College Athletic Association

On behalf of the NCCAA and the Board of Directors, I welcome you to the **2022 NCCAA Men's & Women's Indoor Track & Field Championships**. It is exciting for all of us to have these institutions from across the United States competing in Cedarville, Ohio this weekend.

These championships are just two of our 26 national events sanctioned by the NCCAA. Over 17,000 student-athletes and 90 institutions make up the NCCAA and these Championships are an important part of our competitive calendar as we proceed through this 2021-22 season.

Congratulations to each student-athlete and coach who participates in these events. Your involvement in this championship setting certainly represents many weeks of dedicated time and work. We trust that it is also a statement that you stand for the Lord while you compete. Our hope is for each student-athlete to join in on the **#KingChasing** effort this season.

The NCCAA thanks Chris Cross, Athletics Director at Cedarville University, and the entire event committee for their excellent leadership in organizing and administrating this event. We are also very grateful for the time and dedicated work of the NCCAA Indoor Track & Field Chairperson, Brian Patton of Greenville University.

Sincere appreciation goes to Dr. Thomas White, President of Cedarville University, and his administrative colleagues for their willingness to host a championship of this magnitude. Without the partnership of our member schools, events like this would not be possible.

The NCCAA is unique and stands alone as the only national intercollegiate athletics association that uses athletics to further the Great Commission. As we attempt to assist our student-athletes in shaping their Game Plan 4 LIFE, we hope you thoroughly enjoy your experience at these NCCAA Championships.

Sincerely,

Dan Wood
Executive Director

Red Cross Collegiate Leadership Program

Developing Leadership Skills and Helping Save Lives Since 2007

Transfer Your College Career - and Beyond!

The Red Cross Collegiate Leadership Program begins with an intense two weeks of training, mentoring, and networking that will help you develop your leadership skills, discover your purpose, and prepare for your bright future. And that's just the beginning: you'll return to campus with a life-saving mission of organizing Red Cross blood drives for your classmates and community!

Program Benefits

Participating student-leaders receive:

- A \$2,000 scholarship
- A two-week internship at the American Red Cross Headquarters in Washington D.C.
- Roundtrip transportation to Washington D.C., room, board, and stipend
- Coaching and mentoring by senior American Red Cross leadership and representatives from NAIA and NCCAA

Participant Commitments

Participating student-leaders must agree to:

- Attend the Red Cross Leadership academy in Washington D.C. for two weeks in June
- Organize and market Red Cross blood drives/activities on campus
- Serve throughout your junior and senior years

In addition, participating NAIA and NCCAA institutions must agree to support and recognize the student-leader if he/she decides to form a Red Cross Club on campus.

A Life-Saving Purpose

Our program participants embrace a mission that has helped tens of thousands of people in their time of need.

WHAT IS THE NCCAA?

THE ONLY INTERCOLLEGIATE ATHLETICS ASSOCIATION WHERE #RINGCHASING AND #KINGCHASING CONVERGE

Established in 1968, the National Christian College Athletic Association is an association of Christ-centered collegiate institutions whose mission is to use athletic competition as an integral component of education, evangelism, and encouragement.

#KINGCHASING

In athletics, the term #RingChasing is used by athletes to describe their goal of winning a championship. Within the NCCAA, there is a focus on #KingChasing which helps lay a foundation of seeking Christ first.

The #KingChasing program uses the four values of the Game Plan 4 LIFE - Love, Integrity, Faith, and Excellence - to enhance the purpose of collegiate athletics to be more than winning championships. The mission of the #KingChasing program is to keep Christ at the center of the student-athlete experience. Through this program, NCCAA member institutions have the opportunity to be named an NCCAA #KingChasing Institution.

Doden Field House

The spacious Doden Field House was opened in March, 2004 and has been a welcome addition to the Cedarville University track & field program. It provides for year round training for multiple Yellow Jacket sports, enhances the school's popular intramural program, and the University moved its graduation ceremonies into the facility with enough room to provide seating for up to 7,000.

A new flooring surface was installed during the 2017-18 Christmas break by Connor Sports Flooring of Elk Grove Village, Illinois. The project took more than a month to resurface nearly 56,000 square feet.

The blue Connor 10mm Pro Traxx surface features six 36-inch lanes around the track as well as eight 42-inch lanes for sprints and hurdles. The high jump is contested on the same surface as the track. The gray infield includes a poured Connor ElastiPlus surface with game lines painted for basketball, volleyball, tennis and soccer.

There are two long jump/triple jump pits with minimum 125-foot runways and a 9 x 20 foot landing area as well as a regulation high jump pit. Two pole vault plant boxes include a minimum 135-foot runways. Throws are conducted on a wood throwing circle with an NCAA legal cage.

The facility includes an 8-lane electronic scoreboard and there is ample bleacher seating for approximately 1,000 fans. Cedarville's indoor track & field season in the building annually typically features a high school meet and several college meets.

Track & Field Complex

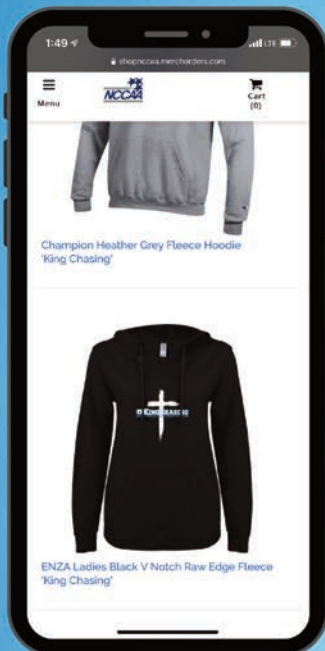

Cedarville University's track & field complex which opened in Spring 2004 and is located on the north end of the campus, continues the tradition of excellent outdoor facilities built at the University under the direction of former Athletic Director Pete Reese. The track, which is part of a lighted soccer stadium that opened in the fall of 2002, hosted its first meet on April 16, 2004.

The facility features an eight-lane polyurethane track as well as multiple field event areas both on the infield and surrounding the track. The irrigation system on the grass infield coupled with the track's drainage capabilities will help minimize maintenance on the entire facility.

Cedarville's outstanding track facilities over the years have allowed the Yellow Jackets to host several meets including the NCCAA Championships, Mid-Ohio Conference Championships and several high school meets. Cedarville hosted the first-ever American Midwest Conference Championship in 1999 as well as the 2005 and 2006 meets.
