CHALLENGE

“If there’s a better handsewn ball in the world, I’ve never laid my foot on it.”

-Jack Marinan

Laying your feet (and even your hands) on a Brine handsewn soccer ball is the best

feeling in the world. Because no other ball responds as well to the touch. Brine is the only handsewn ball to keep its shape game after game, year after year--unconditionally guaranteed.

“I’ve played International matches all over the world,” says England’s Jack Marinan. “And I’ve never touched a better ball. It’s simply brilliant.”

Lay your foot on it you’ll agree.

BRINE

A Brilliant Ball™
