# Yellow Jacket Track & Field Blogs

**Feb. 3, 2020**

Welcome back for another week of track & field updates! This past weekend was a whirlwind of great performances and achievements! The meet at Ohio Northern was scored, so the girls were very excited for a chance to earn some points for the team.

This week I want to discuss a little bit of my personal start to the season along with some words of encouragement. The first few meets, I was not performing at a level I knew I could. While this was discouraging, the only thing I knew to do was go into practice every day with a new positive attitude willing to work hard and get better. My effort in these practices was not being reflected in my meet performances until this past weekend. Through this, I learned (and was reminded that) determination, perseverance, and faith will overcome when you don't give up. I saw the Lord's work to teach me that I can never know His plans for me until after the fact. Finally seeing my hard work pay off in the track meet made the victory so much sweeter and gave all the glory to God.

Even though sports can be frustrating, having a close group of supporters and friends in faith can help all athletes in their journey to success on and off the field (track/court/arena)! Looking forward to our next meet, we are FINALLY competing at home Friday, February 7 beginning at 3:30 p.m. in the Doden Field House. I hope to see many classmates and friends cheering on their (fast) friends!

Until next time!

Compete with Purpose!

Madeline Barnes

*Madeline Barnes is a junior pole vaulter from Lewis Center, Ohio. She is in her third season with the Lady Jackets and is majoring in athletic training.*

**Feb. 3, 2020**

This past weekend, the team traveled to Ohio Northern and placed second as a team. There was a lot of tough competition but we managed a few event winners:

Matt Julian won the pole vault with a jump of 15'5" (a season and collegiate best!)

Benjamin Tarwater won the triple jump with a mark of 41'6"

Joel Gatchell, Ryan Rager, Andrew Sholl, and Ben Hulbert won the 4 x 400 meters in 3:26.05 to finish off the day!

Shout out to Madeline Barnes from the women's team on winning the pole vault with a jump of 12'1"! Madeline didn't have the greatest start to the season so it was awesome to see her clear a high bar this past weekend.

Sadly, I did not have the chance to clear a bar this weekend. I warmed up, thinking I was going to compete. On my last warm up jump, I felt my hamstring grab and had to call it quits. Disappointed that I couldn't compete, I sat on the bench as the women's pole vault started. Sitting there, the adrenaline wore off and I started to feel the pain – I knew that I had re-injured my hamstring. For the majority of the last three and a half months, I have not been able to practice or compete. This would have been the first meet that I competed in for the indoor season.

As most athletes know, being injured is frustrating. I am not sure how long I will be out for after this most recent injury, but I am trusting God that he has a plan for me. Whether I am able to compete during the indoor season or not, God is still sovereign and in control. It is hard to be content while injured but I am not devastated or left with an empty feeling now that I am unable to pole vault. I have to keep remembering that my identity is in Christ and not in my ability to pole vault. As I recover, I will strive to give glory to God in ways other than pole vaulting.

This weekend, we are at home! The team competes on Friday beginning at 3:30 p.m. and then we host our big high school meet on Saturday. Come out and support us at one of our few home meets of the season!

## Track & Field Complex

Cedarville University's track & field complex which opened in Spring 2004 and is located on the north end of the campus, continues the tradition of excellent outdoor facilities built at the University under the direction of former Athletic Director Pete Reese. The track, which is part of a lighted soccer stadium that opened in the fall of 2002, hosted its first meet on April 16, 2004.

The facility features an eight-lane polyurethane track as well as multiple field event areas both on the infield and surrounding the track. The irrigation system on the grass infield coupled with the track's drainage capabilities will help minimize maintenance on the entire facility.

Cedarville's outstanding track facilities over the years have allowed the Yellow Jackets to host several meets including the NCCAA Championships, Mid-Ohio Conference Championships and several high school meets. Cedarville hosted the first-ever American Midwest Conference Championship in 1999 as well as the 2005 and 2006 meets.

## Doden Field House

The spacious Doden Field House was opened in March, 2004 and has been a welcome addition to the Cedarville University track & field program. It provides for year round training for multiple Yellow Jacket sports, enhances the school's popular intramural program, and the University moved its graduation ceremonies into the facility with enough room to provide seating for up to 7,000.

A new flooring surface was installed during the 2017-18 Christmas break by Connor Sports Flooring of Elk Grove Village, Illinois. The project took more than a month to resurface nearly 56,000 square feet.

The blue Connor 10mm Pro Traxx surface features six 36-inch lanes around the track as well as eight 42-inch lanes for sprints and hurdles. The high jump is contested on the same surface as the track. The gray infield includes a poured Connor ElastiPlus surface with game lines painted for basketball, volleyball, tennis and soccer.

There are two long jump/triple jump pits with minimum 125-foot runways and a 9 x 20 foot landing area as well as a regulation high jump pit. Two pole vault plant boxes include a minimum 135-foot runways. Throws are conducted on a wood throwing circle with an NCAA legal cage.

The facility includes an 8-lane electronic scoreboard and there is ample bleacher seating for approximately 1,000 fans. Cedarville's indoor track & field season in the building annually typically features a high school meet and several college meets.
