Dear Indoor Track & Field Participant:

Welcome to Cedarville University and the 2020 National Christian College Athletic Association's National Indoor Track & Field Championship in the Doden Field House. We at Cedarville are delighted to be the hosts for this wonderful event. Congratulations to each participating student-athlete and coach for their accomplishments and success during the 2020 season.

May we use the opportunity this weekend to continue the commitment of each of the Christian colleges and universities involved in the NCCAA to magnify Jesus Christ in all that we do.

Again, we welcome each of you to Cedarville University, Greene County, and Southwestern Ohio. Have a *great* time of fellowship and competition!

Sincerely in Christ,

## National Christian College Athletic Association

On behalf of the NCCAA and the Board of Directors, I welcome you to the **2020 NCCAA Men's & Women's Indoor Track & Field National Championships**. It is exciting for all of us to have these institutions from across the United States competing in Cedarville, Ohio this weekend.

These events are just two of our 26 national events sanctioned by the NCCAA. Over 17,000 student-athletes and 89 institutions make up the NCCAA and these Championships are an important part of our competitive calendar as we proceed through the 2019-20 academic year.

Congratulations to each student-athlete and coach who participates in these events. Your involvement in this championship setting certainly represents many weeks of dedicated time and work. We trust that it is also a statement that you stand for the Lord while you compete.

The NCCAA thanks Dr. Alan Geist, Athletics Director at Cedarville University, and the entire event committee for their excellent leadership in organizing and administrating this event. I am also very grateful for the time and dedicated work of the NCCAA Indoor Track & Field Chairperson, Brian Patton of Greenville University, who was inducted as a member of the NCCAA Hall of Fame in 2019.

Sincere appreciation goes to Dr. Thomas White, President of Cedarville University, and his administrative colleagues for their willingness to host a championship of this magnitude. Without the partnership of our member schools, events like this would not be possible.

The NCCAA is unique and stands alone as the only national intercollegiate athletics association that uses athletics to serve the Great Commission. As we attempt to assist our student-athletes in shaping their Game Plan 4 LIFE, we hope you thoroughly enjoy your experience at these NCCAA Championships.

Sincerely,

Dan Wood  
Executive Director

The spacious Doden Field House was opened in March, 2004 and has been a welcome addition to the Cedarville University track & field program. It provides for year round training for multiple Yellow Jacket sports, enhances the school's popular intramural program, and the University moved its graduation ceremonies into the facility with enough room to provide seating for up to 7,000.

A new flooring surface was installed during the 2017-18 Christmas break by Connor Sports Flooring of Elk Grove Village, Illinois. The project took more than a month to resurface nearly 56,000 square feet.

The blue Connor 10mm Pro Traxx surface features six 36-inch lanes around the track as well as eight 42-inch lanes for sprints and hurdles. The high jump is contested on the same surface as the track. The gray infield includes a poured Connor ElastiPlus surface with game lines painted for basketball, volleyball, tennis and soccer.

There are two long jump/triple jump pits with minimum 125-foot runways and a 9 x 20 foot landing area as well as a regulation high jump pit. Two pole vault plant boxes include a minimum 135-foot runways. Throws are conducted on a wood throwing circle with an NCAA legal cage.

The facility includes an 8-lane electronic scoreboard and there is ample bleacher seating for approximately 1,000 fans. Cedarville's indoor track & field season in the building annually typically features a high school meet and several college meets.

Track & Field Complex

Cedarville University's track & field complex which opened in Spring 2004 and is located on the north end of the campus, continues the tradition of excellent outdoor facilities built at the University under the direction of former Athletic Director Pete Reese. The track, which is part of a lighted soccer stadium that opened in the fall of 2002, hosted its first meet on April 16, 2004.

The facility features an eight-lane polyurethane track as well as multiple field event areas both on the infield and surrounding the track. The irrigation system on the grass infield coupled with the track's drainage capabilities will help minimize maintenance on the entire facility.

Cedarville's outstanding track facilities over the years have allowed the Yellow Jackets to host several meets including the NCCAA Championships, Mid-Ohio Conference Championships and several high school meets. Cedarville hosted the first-ever American Mideast Conference Championship in 1999 as well as the 2005 and 2006 meets.

**NCCAA Christian Service Project (CSP) –  
All donated funds/items will go to:**

Feed the Ville

Caring for our children

The purpose of Feed the Ville is to provide non-perishable, healthy food for children in need to eat on the weekend. Our students who are identified for being a risk will be eligible for the weekend meal program. Each week, qualified students will receive a bag of food at school to meet their needs during the weekend.

One in four school age children (K-9) does not have enough to eat over the weekend. Every day there are about 60 students in Cedarville Elementary who receive reduced cost or free lunch during the week. Some of these students will have very little or nothing to eat on the weekends.

**All teams at the NCCAA ID Track & Field Championships  
are encouraged to give \$50.00 per team or more if able.**

# 2020 NCCAA Indoor Track & Field Wheeler Award Recipients

## Bekah Spencer

**BETHEL UNIVERSITY • Mishawaka, IN**

The NCCAA is pleased to announce Bekah Spencer of Bethel University as the 2020 Wheeler Award recipient for Women's Indoor Track & Field.

Spencer has experienced success on the track for Bethel, earning NCCAA All-American status in both the pentathlon and 60m hurdles in 2019. Her personal record in the 60m hurdles came this season with a time of 9.64 that currently is the third fastest time in the NCCAA this season. Spencer's mindset to pursue consistency and dedication to show up early and stay late has enabled the positive results she has achieved. She has earned the respect of teammates and opponents alike, and takes the time to mentor younger student-athletes.

The senior from Fife Lake, Michigan also impresses off the track. Spencer is an NCCAA Scholar-Athlete, having earned a 3.41 GPA in science education/biology. She also demonstrates her faith through her daily interaction with her peers, singing in the chapel band, and traveling on mission trips.

Danny Wilkerson, Head Track & Field Coach at Bethel, stated, "Bekah has a positive attitude that brightens up everyone's day. Her attitude, service, leadership, spiritual maturity, academic success, and athletic success are a perfect example of what this award represents and she will be greatly missed at Bethel."

## Daniel Esteril

**WARNER UNIVERSITY • Lake Wales, FL**

The NCCAA is pleased to announce Daniel Esteril of Warner University as the 2020 Wheeler Award recipient for Men's Indoor Track & Field.

Esteril is a leader for the Royals both on and off the track. He earned All-Sun Conference honors as part of the 4 x 400m relay team for Warner in 2015. Esteril's personal best in the 400m is 51.99. Outside of competition, the senior leads the team by example and pushes his teammates to be the best they can be.

The Port St. Lucie, Florida native also impacts the team spiritually with his servant heart and through prayer time that he leads. Esteril is heavily involved in ministry and is a member of the Warner Rebuild Prayer Team. Through the prayer team, the Warner community can submit prayer requests in small wooden boxes around campus, and Esteril along with other members will become prayer warriors for those requests.

Emperatriz Gonzalez Henao, Head Track & Field Coach at Warner, said, "Daniel is completely dedicated to studying, being a spiritual lead for the team, and practicing for track & field. He is always willing to help and is reliable to complete any task asked of him."
