1994 Season Outlook

The Cedarville College women's volleyball team will sport a different look with familiar faces this fall. While the Lady Jackets will break out new uniforms and warm-ups, Elaine Brown heads into her 13th year at the helm with a veteran nucleus with which to work. Twelve upperclassmen, including three two-year starters, are on the 14-player roster.

two-year starters, are on the 14-player roster.

"We expect to be fairly strong in all areas, especially in experience," Brown said. "This year's team is a determined group. We think we can contend for the MOC championship and we would like to go back

to the NCCAA Nationals. We're looking forward to a successful season."

Winning season's are beginning to be commonplace for the Lady Jacket program. Brown's teams have been winners in each of the last three years and in seven of the past eight. Last fall's squad was 28-16 and finished third in the MOC at 10-4.

The most experienced trio returning is Cheryl Miller, Lana Hass, and Melissa Hartman -- all juniors, even though Hass is a senior academically. Seniors Julieanne Sharp and Lori Royal have started occasionally during their careers and will add to the team's experience factor. Another senior, Cindy Hasselbring, is the most intriguing addition to the team. She should make an immediate contribution while at the same time completing her fourth straight year as a member of the cross country team.

Junior Laura Huggler is preparing to take over the setter position with the graduation of all-time assist leader Angela Hartman. Sophomores Sarah Jackson, Meredith Pollard, Marcie Duez, and Pam Goodwin bring with them a full year's experience. Melissa Sprankle, another sophomore, plus freshmen Lisa Weirich and Heather Scheffel join Hasselbring as the program's newcomers.

#### **Elaine Brown**

Head Women's Volleyball Coach

Elaine Brown begins her 13th year as head coach of the Lady Jacket volleyball program. She has guided her teams to a 288-210 record (.578) which includes a 19-9 mark in Mid-Ohio Conference play since Cedarville's women joined the league two years ago.

Brown's teams have made six appearances in the NAIA District 22 playoffs with a runner-up finish in 1992. She was named District 22 and MOC Coach of

the Year that season after the squad enjoyed a 33-13 campaign.

Brown was voted the Western Buckeye Collegiate Conference Coach of the Year after her 1988 team had a 31-13 mark, and she then earned the honor again in 1989 when her squad was 34-13 and claimed the WBCC championship.

Brown, who is single, is a 1977 graduate of Cedarville College where she was a member of the volleyball and softball teams. She coached volleyball, basketball,

and softball at Middletown Christian from 1978-81 prior to accepting the job at Cedarville where she is also an assistant professor in the Health and Physical Education Department. Brown earned her master's degree from the University of Dayton in 1982, and expects to earn her doctorate from The Ohio State University this fall.

#### Profiles on Top Returning Volleyball Players

#15 CHERYL MILLER -- 6-1, Junior, Hitter-Blocker; Cedar Falls, Iowa; Walnut Ridge Academy

Two-year starter who was named to the All-Mid-Ohio Conference second team in 1993 and was honorable mention in NAIA District 22.....Set a single season school record last year for attack percentage with a .287 accuracy and her .261 career percentage is also a school record.....Led the squad with 0.78 blocks per game and was second on team with 2.86 kills.....Ranks fifth on Cedarville's all-time kills list with 656 and is tied for fourth in blocks at 199.....Brown says, "Cheryl is not a power hitter, but she places the ball effectively. She is an intelligent player who reads blocks and defenses well."

#### #9 LANA HASS -- 5-11, Senior, All-Around; Albion, Indiana; Central Noble H.S.

Another two-year starter who is a junior athletically and intends on playing next year.....Was an All-MOC honorable mention choice after averaging 2.46 kills per game.....Ranks 10th on Cedarville's career kills list with 485.....Brown says, "Lana is clearly the strongest hitter on the team. She's lefthanded, which can throw a defense off anyway, but she is never afraid to use her right hand which makes her tougher to defend."

#### #5 MELISSA HARTMAN -- 5-5, Junior, All-Around; Fort Wayne, Indiana; Snider H.S.

A two-year starter who has played in all 90 matches her first two years in the program.....Was honorable mention in NAIA District 22 last fall after averaging 4.65 digs.....Cedarville's career leader in digs per game (4.90) plus ranks second in pass percentage (.935), and fifth in total digs (1304).....Holds school single match record for most passing attempts (37) without an error and single season mark for digs (685).....Also a letterwinner in basketball and tennis.....Brown says, "Melissa is our stabilizer on the court in all situations. She is a solid player who never seems to get rattled."

#### #10 JULIEANNE SHARP -- 5-7, Senior, All-Around; Harvard, Illinois; Harvard H.S.

A senior who is in her third year of competition since she missed the 1992 campaign with an injury.....Led last year's team with a .944 serve percentage and ranks sixth on Cedarville's career list at .937.....Set a single match record for most serves (30) without an error.....Brown says, "Julie has good skills and must stay confident and focused. At times, she can be one of the most dominating players on the floor."

#### #16 LORI ROYAL -- 5-7, Senior, All-Around; Charleston, Illinois; Charleston H.S.

The only four-year player on the team who led last year's squad at 0.49 service aces per game.....One of three players to ever record six aces in a match.....Brown says, "Lori is another player who has good skills and can be an exceptional player. Her experience should be a plus."

#### #8 MEREDITH POLLARD -- 5-4, Sophomore, Back Row; Gallipolis, Ohio; Ohio Valley Christian

Named All-MOC Freshmen honorable mention in 1993 while appearing in 41 matches.....Brown says, "Meredith is a determined player who will produce for us. We think we have a good defense and she solidifies the back row."

#### #21 MARCIE DUEZ -- 5-4, Sophomore, Back Row; Pekin, Illinois; Peoria Christian

Joins Miller, Hass, and Hartman as returning players who appeared in all 44 matches last fall.....Posted a .936 serve percentage and .921 accuracy in passing.....Honorable mention on the All-MOC Freshmen team.....Brown says, "Marcie is our sparkplug, a motivator. She comes ready to play and makes her teammates feel the same way."

#### #1 SARAH JACKSON -- 5-7, Sophomore, All-Around; Cincinnati, Ohio; Sycamore H.S.

Appeared in 32 matches as a rookie and was tabbed All-MOC Freshmen honorable mention.....Brown says, "I am expecting great things from Sarah Jackson this year. She is explosive, a great leaper for her size. I think she has made the transition from high school to college and is ready to produce."

#### #14 LAURA HUGGLER -- 5-5, Junior, Setter; Otisville, Michigan; Lakeville Memorial H.S.

Returns for her third year with a great opportunity by replacing all-time assist leader Angela Hartman in the primary setter position.....Brown says, "The setter position is Laura's to have if she wants it. She is a determined player whom we believe can fit right in."

#### 1993 Volleyball Season Review

It was another winning season for the Cedarville College women's volleyball team. Coach Elaine Brown's squad finished the campaign 28-16 overall and their 10-4 Mid-Ohio Conference record placed them third in the league. The women also made their first-ever appearance in the National Christian College Athletic Association national tournament.

Brown summarized the season by saying, "It is always satisfying to have a winning season. However, we were a little disappointed with our finish. We seemed to peak a couple weeks too

early and were unable to put together a strong finish."

Cedarville lost six of its final seven matches including the last four in a row. That streak included tough five-game losses to MOC champion Rio Grande and to Findlay in the opening round of the NAIA District 22 tournament.

Amidst all of the ups and downs, the outstanding career of senior setter Angela Hartman came to a close. The Fort Wayne, Indiana native finished her volleyball stay with 16 school records to her credit.

Among Hartman's Lady Jacket career marks are records for most matches played (182), games played (499), assists (4,004), digs (1,612), and service aces (182). She was also named to the NAIA All-America Scholar-Athlete team for the second straight year.

Junior outside hitter Elizabeth Miller, who led the team with 3.08 kills per game, was named to the All-NAIA District 22 team as well as the All-MOC first team. Sophomore middle hitter Cheryl Miller (no relation) was selected to the All-MOC second team.

#### Athletic Center

One of the finest small college athletic facilities in the midwest, the spacious Cedarville College Athletic Center is the home of the Yellow Jackets. The A.C. could seat more than 2,000 fans for volleyball, if necessary, and is now in its 14th year.

The Athletic Center features five full-length basketball courts, a one-tenth mile indoor track, three volleyball courts, two tennis courts, a batting cage, three racquetball courts, a weight room, and training room facilities.

There are fine locker room facilities including separate areas for visiting teams, physical education classes, faculty, and staff.

The Athletic Center has been the site of two National Christian College Athletic Association District III volleyball tournaments and annually hosts the ten-team Cedarville College Invitational.

# Yellow Jacket Men's and Women's Cross Country Season Outlooks

WOMEN -- Expectations are high for the Lady Jackets this fall after being ranked as high as 9th in the NAIA in 1993 and finishing 18th out of 40 schools at the national meet. There will be continued optimism for the future since 15 of the 20 athletes on the roster are either freshmen or sophomores.

"I am more optimistic with this team compared to any that I've ever had at Cedarville," claims head coach Elvin King. "We have good upperclass leadership and this group has a lot of

confidence."

Sophomore Michelle Burson and classmate Julianne Pletcher are back to anchor the top two positions once again. The rest of the top seven returns as well with that list consisting of Jennifer Zenner, Heather Cornelius, Jill Zenner, Laura Boothe, and Cindy Hasselbring, who is also playing volleyball this fall.

King will be looking for contributions from his newcomers including Edith Steele and Rebecca

Jenks.

MEN -- The men's team is young as well with six freshmen and five sophomores on the 15-man roster and King will be eager to find out how well his rookies develop. The Yellow Jackets hope to crack the NAIA rankings where they were rated as high as 20th last year.

"I expect the freshmen to work their way into the upperclass group," King predicted. "We

figure to be quite competitive by the end of the season.'

Senior Pete Simons will hold down the number one spot among three varsity returnees. Also back are Jason Taylor, who ran in the number four spot last year, plus Josh Bell who was seventh.

The Jackets' freshmen class includes Chuck Lyngaas, Brian Hilty, and Eric Crawford who all had excellent Ohio high school careers in both cross country and track.

## Elvin King Head Cross Country Coach/Distance Coach

Elvin King begins his 26th year as a coach in the Yellow Jacket men's track and cross country programs. He started the women's track and cross country programs in 1980.

While he continues his head coaching duties in cross country, King resigned as head track coach in 1990 to devote full attention to the distance program. This has resulted in continuity from cross country to track and has provided more coaching time to both programs.

King is responsible for developing the National Christian College Athletic Association track championships, and he served as meet director of the NCCAA cross country championships for 15 years. His men's and women's teams have won a combined 12 NCCAA track and cross country titles.

King's efforts earned him induction into the Cedarville College Athletic Hall of Fame in 1988 and the NCCAA Hall of Fame in 1993. He has won numerous Coach of the Year Awards in the NCCAA, NAIA District 22, and the Mid-Ohio Conference plus is also a past president of the Ohio Intercollegiate Cross Country Association.

Elvin and his wife Joyce reside in Cedarville and have two children and one granddaughter. King is a 1964 graduate of Kent State University and earned his master's degree from Bowling

Green in 1967.

# John Bryan State Park

The Yellow Jackets train and host meets at beautiful John Bryan State Park. It is located off of Route 343 between Yellow Springs and Clifton, Ohio. The terrain of the men's 8,000 meter course as well as the women's 5,000 meter layout includes short hills over rough grass and pavement.

John Bryan State Park served as host of the National Christian College Athletic Association Championships from 1978 through 1992. The meet will return there in 1995.

#### 1993 Cross Country Season Review

Cedarville's women's cross country team put together another outstanding season with the squad being ranked as high as ninth in the NAIA national poll. Coach Elvin King's unit won four team titles including the Mid-Ohio Conference championship, placed third out of 12 schools at the NCCAA Nationals, and was 18th of 40 at the NAIA Nationals.

The men's program, on the other hand, had a season of near misses. The Yellow Jackets began the year ranked 20th in the NAIA poll but fell just out of the rating for the rest of the season. The harriers were denied an at-large berth to the NAIA Nationals despite finishing 11th out of 40 schools at the meet the previous year.

WOMEN -- Freshman Michelle Burson was the Lady Jackets' top runner in every outing. She won three individual titles and finished in the top ten in eight races in all. Burson placed fourth at the NCCAA event to earn All-America status.

Julianne Pletcher, another freshman, progressed to the number two spot by season's end. She was also an NCCAA All-American after finishing seventh. Juniors Cindy Hasselbring and Jennifer Zenner, sophomores Laura Boothe and Heather Cornelius, as well as freshman Jill Zenner all made significant contributions to the team's success.

Burson, Jennifer Zenner, Pletcher, and Boothe all made the All-MOC team. Burson was the lone Lady Jacket to gain a spot on the All-NAIA District 22 unit after the team finished second in the race but earned a national meet at-large bid.

Jennifer Zenner also earned recognition on the NAIA and NCCAA All-America Scholar-Athlete teams. Honorees are juniors and seniors with cumulative grade point averages of at least 3.50.

MEN -- Senior Kevin Conkel closed out his career on the men's team with an outstanding effort as the Yellow Jackets' top runner in the final seven meets. One of his more impressive outings came at the Gettysburg Invitational in Pennsylvania where he won the meet that featured 239 runners.

Conkel was also an NCCAA All-American where he placed fifth out of 105 competitors. He narrowly missed NAIA All-America status by four places where he finished 34th out of 349 runners.

Junior Peter Simons won two individual titles and was the team's number two runner for most of the season. He finished ninth at the NCCAA meet for All-America honors.

Conkel and Simons both earned spots on the All-Mid-Ohio Conference team where the Yellow Jackets placed third. Conkel was also an All-NAIA District 22 performer.

Several others contributed at various times by running on the varsity's top seven. That list included seniors Jared Alsdorf, Brian Miller, and John Porter, junior Chris Nickel, sophomore Jason Taylor, plus freshmen Josh Bell, and Andrew Miller.

#### Yellow Jacket Men's Soccer

1994 Season Outlook

Cedarville College enters the 1994 soccer season looking for some players to step forward with som offensive firepower. The kickers will be missing their top two scorers from last year's 8-9-1 team who accounted for nearly 60 percent of the goals scored.

"I think we'll be alright defensively, but I'm a little worried about putting the ball in the net," stated head coach John McGillivray, who begins his 21st year in the position. "We'll be looking at some

different players to assume more of a scoring role than what they have had in the past.'

Senior midfielder Eric Reini is the team's top returner. He has been an All-America Second Team performer in the National Christian College Athletic Association the past two years. He was also Co-MV on the squad last fall.

Two other players, Andy Stewart and David Gardner, return for their fourth years in the program. Stewart tied for the team lead in assists last year with nine and was later named to the All-Mid-Ohio Conference Second Team and to the All-NCCAA District III Team. The only other senior is Tom Kosman who was the Jackets' third-leading scorer last year with six goals and nine assists for 21 points.

Juniors Mark Otto and Ryan Mears will again share goalkeeping duties. Otto posted a 1.59 goals against average in 1993 and was named to the All-MOC First Team and the All-NAIA District 22 Second

Team. Fellow classmate Neil Brown was a second team selection in the MOC last fall.

Cedarville has its usual demanding schedule including MOC powers Walsh and Tiffin. Non-conference ncounters include Denison, Wilmington, and Wittenberg.

# John McGillivray

Head Men's Soccer Coach

John McGillivray is one of the most well-respected men's soccer coaches in the state of Ohio and the NAIA. The Springfield, Ohio native, who last fall was inducted into the NAIA Hall of Fame, begins his 21st year at the Yellow Jacket helm with a career mark of 188-147-19.

McGillivray has led his teams to eight Mid-Ohio Conference titles, five NCCAR District III banners, three NAIA District 22 championships, and one NAIA Area IV crown which carried with it a trip to the NAIA Nationals in 1974 where the Yellow Jackets placed sixth. He has guided his squad to a pair of runner-up finishes at the NCCAA Nationals and he was chosen NCCAA Coach of the Year III 1981.

McGillivray and his teams have been recognized for their sportsmanlike behavior before, during, and after matches. He was presented the first-ever yard in 1990 by the Ohio Collegiate Sector Officials Association. The National

Distinguished Merit Award in 1990 by the Ohio Collegiate Soccer Officials Association. The National Intercollegiate Soccer Officials Association honored him in 1992 with their National Merit Award.

McGillivray has served in various areas of NAIA soccer including president of the NAIA Coaches Association from 1983-85. He is a 1970 graduate of Cedarville College and earned his master's degree from the University of Dayton in 1976. John and his wife Bonnie reside in Cedarville and have five children plus two grandchildren.

#### 1993 Men's Soccer Season Review

The Cedarville College soccer team could have never imagined what would happen following a 5-0-1 start in 1993 -- the best start in the school's 31-year soccer history. The Yellow Jackets would later tie a school record for consecutive losses, have a 1-6 record in one-goal games, and finish 8-9-1 for their fifth straight losing season. This team was unquestionably better than the final record would indicate.

"Of the teams that I have had with losing records, this was easily the best one," remarked head coach John McGillivray, who completed his 20th year at the helm. "We had some frustrating losses, but this was a talented team. We were so close to having a great season."

The campaign got started off on a positive note with a 3-1 win at Denison which was only Cedarville's fourth win in 24 tries versus the Big Red. The Yellow Jackets completed their 5-0-1 start with a 5-3 victory at Bluffton.

Following a 1-0 loss to Mid-Ohio Conference and NAIA District 22 champion Walsh University plus a 3-1 setback at Findlay, the Jackets appeared to right themselves with a 3-1 victory at Shawnee State. However, then "the streak" set in. Cedarville tied a school record with six straight losses, five coming by a single goal.

The Yellow Jackets entered the NCCAA District III tournament at Marion, Indiana seeded second out of three teams. They opened with a convincing 3-0 win over Spring Arbor as senior forward Ted Kruse scored twice and sophomore Jeremy Walling added the other score. The season came to a halt in a 2-0 loss to host Indiana Wesleyan in the final even though the Jackets outshot the Wildcats, 10-8.

Junior midfielder Eric Reini was named to the NCCAA All-America second team for the second straight year. He also earned a spot on the All-MOC and NAIA District 22 second teams.

Walling led the team in scoring with 13 goals and four assists for 30 points. He was voted to the MOC first team and the district second team as was sophomore goalkeeper Mark Otto. Sophomore back Neil Brown and junior midfielder Andy Stewart were named to the All-MOC second team.

#### Yellow Jacket Soccer Field

The Yellow Jackets soccer field is located just north of the Athletic Center on the north end of the campus. The natural turf playing surface measures 120 by 75 yards and there is enough seating for 500 spectators.

Cedarville moved to the present site in 1989 after playing for many years on the infield of the track. Once the track and field complex was renovated to include most field events on the infield, the soccer team was forced to find a new location.

While the Yellow Jackets remember many championship moments on the former location at the track as well as the initial field in the middle of campus near Williams Hall, the present turf has not been too friendly. Entering the 1993 season, Cedarville has an 11-25-3 (.321) record at home.

# Cedarville College

Cedarville College is a Baptist college of arts and sciences of approximately 2,350 students. The school is located on a 100-acre campus at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 3,000. The village and its surrounding area have long maintained a reputation for providing a wholesome environment for learning.

Though located in a rural community, Cedarville is conveniently situated in the center of a triangle formed by Columbus, Dayton, and Cincinnati which allows easy access to three of the fastest-growing metropolitan areas in the nation.

Founded in 1887 by the Reformed Presbyterian Church, the college was established by individuals who had a vital interest in the spiritual welfare of young people. In 1953, the operation of the college was transferred to the trustees of Baptist Bible Institute of Cleveland with the goal of enlarging the Institute's ministry. The name, Cedarville College, was retained and the school continues to perpetuate the original purpose of its founders. The school motto, "...for the Word of God and testimony of Jesus Christ," reflects this commitment. Since its founding, Cedarville has coupled a balanced liberal arts program with a

Since its founding, Cedarville has coupled a balanced liberal arts program with a fundamentalist, theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with Biblical perspectives.

In keeping with the liberal arts concept, the curriculum centers on a basic program of general studies, including biblical education, communications, humanities, physical education, science and mathematics, and social science. Students choose a major field of concentrated study related to their abilities, interests, and career goals. The college offers over 75 programs of study leading to a baccalaureate degree.

The College recognizes that students must live and work in a society where computers and computer networks are an essential part of everyday life. To equip students to function effectively in this environment, Cedarville has developed and launched CedarNet, the campuswide computer information network. Developed in partnership with IBM, the network will eventually link computers in nearly every dorm room and office on campus.

Cedarville views individual ministry involvement to be a vital and necessary part of each student's education and personal growth. The Christian Ministries Department provides training and assistance to the hundreds of students who volunteer for any of the more than 100 different ministries each quarter.

Cedarville attracts students from 43 states and nearly 65 percent of the student body comes from out of state which includes more than 30 international students. Residence hall living is considered an integral part of the educational process with approximately 85 percent of the student body residing on campus in college housing.

# Mid-Ohio Conference

The Mid-Ohio Conference has been providing quality athletic competition for academically qualified student-athletes since the league's founding in 1949. The MOC, which is affiliated with the National Association of Intercollegiate Athletics (NAIA), believes that collegiate athletics is an integral part of the total educational program of each of its member schools.

The ten MOC members, all from Ohio, are Cedarville College, the University of Findlay, Malone College, Mount Vernon Nazarene College, Ohio Dominican College, the University of Rio Grande, Shawnee State University, Tiffin University, Urbana University, and Walsh University.

The presidents of the ten member institutions have taken an active part in the operation of the conference. Their move from an advisory to governance role has helped place a renewed dedication to excellence in academics and athletics.

The MOC features championships in 13 sports -- seven for men and six for women -- and nearly all made their mark on the NAIA national level last year by virtue of All-Americans, Scholar-Athletes, team rankings, or statistical leaders. Member schools also have teams competing in four additional sports that were represented on the national level as well.

**Dr. Paul Dixon**President of the College

Dr. Paul Dixon is a graduate of Tennessee Temple University and Temple Baptist Theological Seminary. In 1986 he received his doctorate in higher education from the University of Cincinnati. He is the recipient of an Honorary Doctor of Divinity from his alma mater and Honorary Doctor of Laws from Liberty University.

After 14 years in an evangelistic ministry, Dr. Dixon became the president of Cedarville College in 1978. Under his administration, the College's enrollment has grown over 80 percent, with 2,350 students in fall 1994.

For the past 19 years, Dr. Dixon has been a popular speaker for professional sports chapel programs including the Cincinnati Reds and Bengals, and many of the National League baseball and NFL teams.

Mrs. Dixon, the former Pat Landers of Chattanooga, Tennessee, has been a faculty member in the Language and Literature Department since 1971. The Dixons have one son, Scott, who is the assistant pastor at Grand Ledge Baptist Church in Grand Ledge, Michigan. Scott and his wife, Sara, have four children: Andrew Paul, 8 years, Benjamin Robert, 5 years, Anna Claire, 4 years, and Seth James, 1 year.

Psalm 37:23 has been a challenge for Dr. and Mrs. Dixon since their marriage in 1960: "The steps of a good man are ordered by the Lord, and he delighteth in his way."

**Dr. Don Callan** Athletic Director

Dr. Don Callan is in his 34th year as athletic director at Cedarville College. He oversees a Yellow Jacket program that contains 13 varsity sports.

Callan begins his 35th season as head men's basketball coach at the school. He is the second winningest active coach in the NAIA with a career record of 558-412, and is a member of the Halls of Fame at the NAIA, NCCAA, Cedarville College, and Taylor University, his alma mater.

Callan has guided the Yellow Jackets to two NCCAA National Runner-Up finishes, three NAIA District 22 championships, three NCCAA District

III titles, and four Mid-Ohio Conference crowns. Eleven of his teams, including the last seven, have won 20 or more games.

The coaching career of Dr. Callan has had an impact internationally as well as at Cedarville. He has coached and lectured in Australia, Japan, Korea, Hong Kong, the Philippines, Poland, Portugal, New Guinea, Spain, Taiwan, and Thailand. He is also founder of the Missionary Internship Service (MIS) at Cedarville College.

Dr. Callan is a 1955 graduate of Taylor University. He received his master's degree from Ball State University in 1960, and his Ph.D. in physical education from The Ohio State University in 1968.

Dr. Callan and his wife Nedra reside in Cedarville and have two married children. A daughter, Jan Leach, and her husband, Mark, reside in Fairfield, Ohio along with their two children: Joel Donald, 9, and Annette Marie, 6. The Callan's also have a son, Jon David, who lives in Cedarville with his wife, Karen, and their two children: Matthew David, 4, and Alyson Marie, 2.

# National Association of Intercollegiate Athletics

Throughout its history, the National Association of Intercollegiate Athletics (NAIA) has provided strong leadership for all aspects of intercollegiate sports. Since its introduction of intercollegeiate championship basketball in 1937, the NAIA has maintained the highest standards while administering first-rate athletics programs.

Time and time again, the NAIA has stepped forward to address the important issues of the day -- be it racial integration in the '40s and '50s or establishing the first women's championship program in 1980. The NAIA has not been afraid to enact changes while others have watched and waited.

In the past decade, presidents of the NAIA colleges and universities have assumed a position of responsible leadership. The NAIA's Council of Presidents, the organization's primary governing body, is comprised of 32 college and unversity presidents from all regions of the United States.

With its major emphasis on educational development, it was natural for the NAIA to further strengthen academic eligibility requirements in the mid-'80s. All NAIA participating student-athletes must maintain a certain grade point average (GPA) while accumulating credit hours for a declared academic degree. Unlike other associations, NAIA student-athlete academic eligibility is monitored on a semester-by-semester basis. The All-America Scholar-Athlete program, a long-standing NAIA tradition, recognizes junior and senior student-athletes with a minimum cumulative GPA 3.5 on a 4.0 scale.

Since 1937, the NAIA has administered athletics programs and championships in proper balance with the overall collegiate educational experience. Serving higher education in this manner is a responsibility the NAIA does not take lightly. It is a relationship built on confidence and trust -- a relationship strengthened year after year.

# National Christian College Athletic Association

The NCCAA, with national headquarters in Marion, Indiana, is a miracle organization. In just a few years an idea has become a reality providing Christian student-athletes in Christian colleges both an opportunity for fellowship and competition on the national level.

The NCCAA game plan is to produce true winners; a game plan that will carry an individual through his or her entire life. The game plan is devised to draw out the student-athlete's greatest potential -- body, mind, and spirit.

This game plan is catching on virtually all over the United States. Since its first tournament in 1968, the NCCAA has grown to encompass more than 100 Christian colleges nationwide, both liberal arts and Bible colleges in nature. The participating schools are dedicated not only to the best athletic competition possible, but also to exemplify Jesus Christ in everything.

The NCCAA believes:

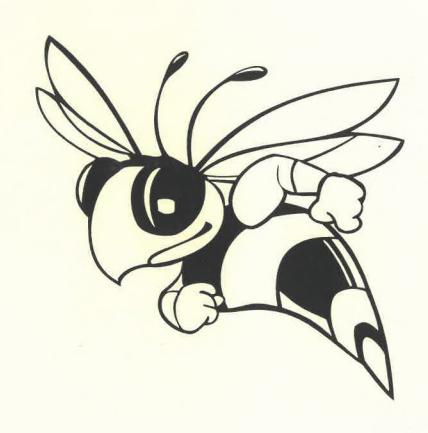

That athletics are a means to an end, not an end in themselves.

That the process is as important as the performance.

That the person (student-athlete) is more important than the program.

NCCAA. It is an organization bringing Christian colleges together not just for athletic competition. More importantly, it is an organization bringing colleges together who have common goals and perspectives in Christian higher education.
