Track & Field Complex

Cedarville University's track & field complex, located on the north end of the campus, continues the tradition of excellent outdoor facilities built at the University under the direction of former athletic director Pete Reese. The track, which is part of a lighted soccer stadium that opened in the fall of 2002, hosted its first meet on April 16, 2004.

The facility features an eight-lane polyurethane track as well as multiple field event areas both on the infield and surrounding the track. The irrigation system on the grass infield coupled with the track's drainage capabilities help minimize maintenance on the entire facility.

Cedarville's outstanding track & field facilities over the years have allowed the Yellow Jackets to host several meets including the NCCAA Championships, Mid-Ohio Conference Championships, Great Midwest Athletic Conference Championships, and multiple high school meets.

Doden Field House

The spacious Doden Field House was opened in March, 2004 and has been a welcome addition to the Cedarville University track & field program. It provides for year round training for multiple Yellow Jacket sports, enhances the school's popular intramural program, and the University moved its graduation ceremonies into the facility with enough room to provide seating for up to 7,000.

The original flooring was replaced with a blue six-lane track featuring a Connor 10mm ProTraxx surface and is striped per NCAA Track & Field regulations.

The gray infield includes a poured Connor ElastiPlus surface with game lines painted for basketball, volleyball, tennis, and soccer. The recent project was completed on Jan. 15, 2018.

There are two long jump/triple jump pits with minimum 125-foot runways and a 9 x 20 foot landing area. Two pole vault plant boxes include a minimum 150-foot runways. Throws are conducted on a wood throwing circle with an NCAA legal cage.

The facility includes an 8-lane electronic scoreboard and there is ample bleacher seating for approximately 1,100 fans. Cedarville's indoor track & field season in the building annually features the Cedarville Collegiate Indoor Invitational and the Richey Indoor High School Tune-Up meets.

Cedarville has also hosted the NCCAA Indoor Championships as well as the G-MAC Indoor Championships.
