SUMMER AT THE LIBRARY

The public hours for the Library for the Summer of 1997 are listed both on the Library Information screens found on the Library Catalog main menu and by access through the Library CedarLINK Home Page accessed through Netscape. Printed copies will be available at the Circulation Desk. The Curriculum Materials Center and the Media Resource Center will be available during all the Library summer hours. AV Services will be staffed Monday through Friday, 8:00 a.m. to 5:00 p.m.

For those faculty intending to use media hardware, software, or the classroom technology equipment during the summer school sessions, please contact Dara Fraley in AV Services at 7853 for assistance in scheduling and for technical support.

In addition, Dianne Gottwals, MRC Graphics Production Technical Assistant will be working full-time in the Media Resource Center during July and August. If faculty have graphics production projects planned for the Fall quarter, this would be a good opportunity to get a head start on those productions.

MEDIA SERVICES GRADUATION VIDEOS

The staff of AV Services and students under the direction of Professor Jim Kragel will be preparing videotape productions of the Senior Program, Nursing Convocation, and the Commencement exercises. Copies of each of the three productions can be purchased for \$29.00 prepaid. Additional copies of each are \$25.00. Copies may be reserved by contacting the AV Services office and making pre-payment. MasterCard and VISA will be accepted at those times. Once the productions are edited, they will be sent out for commercial duplication and delivered by mid-Summer. If you have questions, contact Dara Fraley at 7853.

OHIOLINK NEWS

Center for Research Libraries materials now available. Nearly 470,000 rare newspapers, books, journals, reports and other materials from the Center for Research Libraries (CRL) are now available through OhioLINK. A not-for-profit corporation, CRL functions as a cooperative research library dedicated to acquiring, storing, preserving, and providing access to rare and specialized research materials it has purchased or has been given

by its 165 member libraries. Its cataloged collection includes 330,000 books, 7,700 U.S. and foreign newspaper titles, and 47,600 current and retrospective journal titles. Any faculty and staff of OhioLINK-participating institutions can place a request on-line for any CRL materials available for circulation.

OhioLINK logs one millionth on-line request. Since on-line borrowing was initiated in 1994, students and faculty have now requested more than 1,000,000 books on-line through OhioLINK. Requests totaled 485,000 in the last 12 months, and the total is still growing by 23 percent per year. The on-line OhioLINK catalog currently makes available 24.8 million items to OhioLINK users.

Cedarville College has been involved in approximately 12,000 lending and borrowing transactions since September of 1996 when the Centennial Library became an active participant in the OhioLINK PCirc program. About 8,000 of those transactions were materials borrowed by Cedarville faculty and students.

STAFF NEWS

At a June 1st luncheon for all Library staff and families, Library student assistants were honored for their contribution to the Library operation. During this academic year 45 student assistants worked almost 14,000 hours in various Library departments. In fact, over 40% of the Library's open hours are serviced or supervised by student Library assistants. This year 17 seniors were honored and received recognition awards for their service to the Library.
