## About Cedarville University

Cedarville University is a Baptist institution of arts and sciences of 3,000 students. The school is located on a 400-acre campus at the north edge of the village of Cedarville, Ohio, a quiet town with a population of approximately 3,000. The village and its surrounding area have long maintained a reputation for providing a wholesome environment for learning.

Though located in a rural community, Cedarville is conveniently situated in the center of a triangle formed by Columbus, Dayton, and Cincinnati, which allows easy access to three of the fastest-growing metropolitan areas in the nation.

Founded in 1887 by the Reformed Presbyterian Church, Cedarville College was established by individuals who had a vital interest in the spiritual welfare of young people. In 1953, the operation of the College was transferred to the trustees of Baptist Bible Institute of Cleveland with the goal of enlarging the Institute's ministry. The name Cedarville College was retained, and the school continues to perpetuate the original purpose of its founders. The school credo, "...for the Word of God and testimony of Jesus Christ," reflects this commitment. The institution became known as Cedarville University in 2000.

Since its founding, Cedarville has coupled a balanced liberal arts program with a conservative theological position in regard to doctrine and patterns of conduct. All classes are taught by dedicated Christian professors who integrate the knowledge of their respective fields with biblical perspectives.

In keeping with the liberal arts concept, the curriculum centers on a basic program of general studies, including biblical education, communications, humanities, physical education, science and mathematics, and social science. Students choose a major field of concentrated study related to their abilities, interests, and career goals. The University offers more than 100 undergraduate and graduate programs of study.

The University recognizes that students must live and work in a society where computers and computer networks are an essential part of everyday life. To equip students to function effectively in this environment, Cedarville launched CedarNet, the award-winning campus-wide computer information network. CedarNet, which allows access to the Internet, the world-wide web, and OhioLINK, links computers in every dorm room and office on campus. The University received the CAUSE Networking award in 1997, given in recognition of the integration of networking technology into the instructional program. Cedarville was the first Ohio institution to win the award. Also, the University has been identified as one of the nation's "100 Most-Wired Campuses" by Yahoo! Internet Life magazine.

Cedarville views individual ministry involvement to be a vital and necessary part of each student's education and personal growth. The Christian Ministries Division provides training and assistance to the hundreds of students who volunteer for any of the more than 150 different ministries each semester.

Cedarville attracts students from 48 states and over 68 percent of the student body comes from out of state, including more than 20 international students.

Residence hall living is considered an integral part of the educational process with approximately 75 percent of the student body residing on campus in University housing.

## Yellow Jacket Track & Field Complex

Cedarville University's new track & field complex, located on the north end of the campus, continues the tradition of excellent outdoor facilities built at the University under the direction of athletic director Pete Reese.

The track, which is part of a lighted soccer stadium that opened in the fall of 2002, is holding it's first-ever meet today - The Yellow Jacket Track & Field Open.

The new facility features an eight-lane polyurethane track as well as multiple field event areas both on the infield and surrounding the track. The irrigation system on the grass infield coupled with the track's drainage capabilities will help minimize maintenance on the entire facility.

Cedarville's outstanding track & field facilities over the years have allowed the Yellow Jackets to host several meets including the NCCAA Championships, Mid-Ohio Conference Championships and several high school meets. Cedarville hosted the first-ever American Midwest Conference Championship in 1999.

**Marathon (Half Marathon):**  
**3000/5000 Meter Walk:**

Must have been completed after December 1, 2002.  
Women may qualify for 3,000 meter walk with a 1,500 meter time.  
Men may qualify for 5,000 meter walk with a 3,000 meter time.

**Timing:** Report performances as recorded/timed in the competition- if hand timed, report as a hand time to the tenth of a second; if fully automatic timed, report as F.A.T. to the hundredth of a second. **DO NOT CONVERT HAND TIMES to F.A.T.**, the statistic compiler will do this.

**Hand times are not accepted in events 200 meters or less.**
