SPRING BIBLE LECTURES

Dr. Chester Tulga will be the guest speaker at the Cedarville College Spring Bible Lectures which will be held April 29—May 3. In addition to the chapel services, Dr. Tulga will speak each evening at 7:30.

Dr. Tulga was a member of the Northern Baptist Convention. After Dr. Tulga had used his every effort to awaken members of the convention to the situation, he severed his connections with the organization to become the outstanding voice of the Conservative Baptists.

Now Dr. Tulga is a member of the Bolden Avenue Baptist Church, in Chicago, which is in the G.A.R.B.

Dr. Tulga travels as a conference speaker. He has written several booklets which are distinguished by their characteristic titles "The Case For or Against." Some of these booklets are available at the Cedarville College Bookstore.

CHOIR TOUR

Our fourth annual choir tour turned out to be quite an experience for the members of the choir.

The first day out the bus broke down and the choir members were brought back home by members of the student body and faculty.

Sunday morning a girls' trip and Mr. Jeremiah left at 4:00 for services in Detroit and Flint, and they met the choir at Windsor Monday morning. However, that was not the end of the troubles.

Thursday the whole motor was ruined and the choir enjoyed a lively game of volleyball while waiting for a chartered bus to take them to Horseheads, N.Y. They had a couple more good days, but found they had a leaky radiator in Springfield, Mass.

After this, things went well till the last day of the tour when the bus caught on fire on the edge of Lock Haven, Pa.

This was soon repaired

CHOIR TESTIMONIES

Despite the tribulations of the choir members, they were blessed tremendously by the Lord. He works in ways that are unknown to man. Although these 4 students do not know what His purpose was their testimonies are:

Nancy Cope: I enjoyed the Christian fellowship in the homes in which I was privileged to stay.

Lois Jeremiah: The quiet time before the services has been a blessing to me. Through it the Lord has drawn me closer to Him.

Warren Woodard: It has been a blessing to sing praise unto Him who has saved us.

Merlin Ager: I received spiritual blessing from singing with a group of Christian young people. I thank God that He can use even frail vessels when they are yielded to Him.

Esther Chesebro

We often hear of an editorial as one person's view on a topic of local and immediate interest. This is one person's view of the current popular topic—Spring.

On our campus this season has many effects. It is quite noticeable that if something isn't going on everyday it is because someone overlooked a day on the social calendar.

The words most often heard are I'll never make it!

A major problem on campus is concerned with the conflict of the many activities and the students studies. The standard rule at this time is: Never let your studies interfere with your social life.

The weather is conducive to baseball, tennis, bicycling, walking, photography, picnics, loafing, and, in general, everything but studies.

A big consolation to all of this is the fact that it will all be over in a month and then we have three months to rest before it starts all over again.

Sandy Millikin—
 Down - and - out, as he watches successful man whirl by in a Cadillac:
 "There but for me go I."

A controversial question among those in the student body is: "How far should a Christian college go in regulating the lives of its students?"

In answer to this question, Dr. Williams said, "A Christian college should regulate the lives of its students only by necessity." He said that, even though there must be rules, students should learn self-discipline as much as possible.

and a few miles further we had a blowout. However the Lord was good to the choir and despite the mishaps they are praising the Lord for keeping them safe in the midst of danger. They are thankful for Mr. Marshall's ability to keep things under control.

The Lord richly blessed in the services, though we saw no visible results. We feel that He was honored.

Reporter: "Al, do you know what type of work you are going to do after graduation?"

Al Yost: "I would like to spend some time working as an assistant pastor and then enter the field of organizing and establishing Baptist churches."

Reporter: "What are your plans after your work at C.C., Patsy?"

Patsy King: "I have made application for the mission field of French Equatorial Africa under Baptist Mid-Missions. I will probably appear before the mission board in August and also attend a seminar that month. With that completed, I will take my medical examination and start deputation work. I will travel to Paris for language study and finally, Lord willing, will be able to enter the field.

Chapel Speaker

Dr. Chester Tulga will be our chapel speaker for the coming week. His morning messages will be on the O.T. prophets while the evening lectures will deal with current thoughts and trends.

The C.C. racquet squad dropped its lid lifter to Ohio Northern U. on the winners courts last Wednesday afternoon. Lane Moody saved the local net men from a complete shut out by scoring the lone Cedarville match point.

The Intramural Ping-Pong Tournament came to a close this week with the final results showing David Dautel in first place for the men's tournaments while Rosemary Smith was the victor for the girls.

Ray Erickson and Norma Nulph came in second in their respective tournaments.

Congratulations to all of these winners!

The baseball team split a double-header with ONU last Thursday. They won the first game 11-3 but were defeated in the exciting 11 inning clash 6-4.

The team journeys to Ashland for another league double-header on Saturday. Good luck, fellows!

The champion athlete, in bed with a cold, was told that he had a temperature "How high is it, Doc?" "A hundred and one." "What's the world record?"

Have you heard that..... ..the Junior Rock walked to the cemetery twice all by itself?

..Maurice Stone reported to the police that somebody stole his car? Perhaps some energetic people could tell us what happened to it.

..during vacation Ed Mawhorter was awakened at 2 o'clock in the morning? Some lovely students, who were locked out, wanted the master key.

..dutch dates are available at Cedar Hall?

..Moody and Marcellino are selling most of their clothes in order to get married? Poor wives!

..Karen Fay is quite the track star?

..Nancy Cope has formed a new habit? It seems that she likes to sleep on her knees.

..our "pretzel queen" has recently become better known as "Miss Pinhead of 1957?"

Rosemary the Cat deserves our heartiest congratulations on the arrival of her kittens. The proud "papas" are quite relieved.

Anyone have any names?
