INSTRUCTIONS

1. Include all games played from start of season, rather than just games played since last report.
2. Include only games played against four-year degree-granting institutions. Games against alumni teams, service teams, AAU teams, semi-pro teams, or junior colleges are not reportable.
3. All playoff games and tournament games are to be included in your final report.
4. The home team's statistics are official. If the visiting team does not have a statistician, the home team should provide a copy of the game statistics afterward. If visitor's statistician is present, the two should work together in order to have the fewest possible discrepancies.

FIELD GOAL ATTEMPTS: Any attempt to make a basket, including controlled tips and blocked shots is a field goal attempt. Don't charge an attempt when a player is charged with violation or a foul is called unless the basket is allowed.

FREE THROW ATTEMPTS: Do not charge an attempt when a lane violation occurs.

A REBOUND MUST BE CREDITED for every missed goal if the ball becomes or continues to be alive.

A REBOUND IS CREDITED TO A PLAYER who recovers a live ball which has missed scoring a goal (field or free). The recovery may be accomplished: (1) by gaining control of the ball; or (2) by tipping or batting the ball in an attempt to score a goal; or (3) by tipping or batting the ball to a teammate so that teammate or another member of his team is the first to gain control of it.

A REBOUND IS CREDITED TO THE TEAM: (1) which is awarded the ball for a throw-in if the ball has gone out of bounds after a missed goal; or (2) which recovers the tip if a held ball is called after a missed goal; or (3) which is awarded the ball for a throw-in or free throw if a violation or foul has been called immediately following a missed goal.

INDIVIDUAL REBOUNDS PLUS TEAM REBOUNDS EQUAL the number of missed field goals plus the number of missed free throws after which the ball remains alive.

A TURN-OVER OCCURS: (a) when a team, after gaining control of the ball, loses it to the opponent before the ball is in flight following a try for goal (field or free); or (b) when a team, awarded the ball for a throw-in, loses it due to a violation or foul before the throw-in ends; or (c) when the opponents of the thrower-in gain control of the ball following the throw-in.

AN ASSIST is a pass made to a player who makes a try and scores directly or who does not dribble more than twice before making a try and scoring.
