## CEDARVILLE INITIATES FRESHMEN, OCT. 9-11

Wednesday, Thursday and Friday of last week were the dates of this year's Freshmen Initiation.

### HOLIDAY ON ICE

On Saturday evening, October 12, twenty-three members of Alpha Chi and Gamma Chi enjoyed the world famous ice show—Holiday on Ice of 1958, at the Hobert Arena in Troy.

The spectacular ice show included many acts, each of which portrayed something in particular.

Productions such as "Aladdin and His Wonderful Lamp," "Waterama," "Fiesta in Spain," and "Alice in Toyland," were

supplemented by comedy acts, an acrobatic team, a juggler and little four-year-old Debbie Williams.

The show, characterized by elaborate costumes and outstanding lighting, was brought to a close by the entire cast in a number called "Happy Holidays to You" which presented the various holidays of the year.

At five o'clock Wednesday morning the Freshmen were routed out to the gym. At the gym rules and regulations were read.

At the chapel that morning Freshmen girls were viewed with wonder and amazement. They were wearing upside-down skirts, unmatched blouses, one boot, one shoe, a nylon hose and an ordinary sock. The most peculiar thing was their hair—Whoever heard of pony tails on the side of your head?

The fellows wore backward shirts with a tie hanging down the back. They were only allowed to shave one side of their faces, but, to make up for the unshaven side, they shaved a strip down the back of each leg.

All Freshmen carried their books in a suitcase. They must have a handkerchief for at any time a sophomore could demand

## MINIATURE ESSAY

Do not read this article, I repeat, stop reading! You have deliberately continued to disobey this order, but I say the third time, stop reading this theme!! Since you have read this

## EDITORIAL

"Did you say you had to do research on a history paper now? Well, I'm sorry friend, but there is play practice, remember?"

"Oh, no! And I was going to work on our homecoming display for a few minutes too,"

"Say-what did you think of that assignment for Bible Doctrine?"

"Couldn't tell you! I haven't a s much a s looked at it yet."

"Don't forget V.C. meeting tonite!"

"Can't be there. I have to work."

Do you find yourself in such a dither? The Whispering Cedars Staff admits that we are bewilderingly busy. However, we have learned to say with the Psalmist, "My times are in Thy hand." Take me and use me for Thy glory. If this is our objective, our tasks will become lighter under the direction of His provided strength.

far, probably nothing will stop you now because you are perplexed about the meaning of this unorthodox "non-sense."

Why have you read this? Were you simply curious as to the meaning of the unusual introduction? I think not. The true reason for your disobedience is the fact that you are by nature "a child of disobedience." At this moment, unless God has saved your soul, you are rebelling against the assertion that you are a rebellious character. Unregenerate hearts cry for liberty and a "throwing off" of authority in their lives. They reject the Lordship of Christ by saying, "We will not have this man to rule over us" and by so doing voice the

## STRANGE PROCEEDINGS

Well, another Freshmen initiation is over, and it is good to see they have decided to conform to society in their manner of attire.

It is also good to see they have survived all the bug spray!

All the Freshmen girls have either gargled Alum water, washed with shaving lather or shampooed their hair with eggs.

Jim is now an excellent shoe shiner, however, some of the fellows prefer fried eggs for breakfast instead of raw eggs for a night snack.

We also received a first class proposal---I wonder if the effect will be as great this coming summer as last year's demonstration had on this summer? Time will tell.

To top the events of the night, the Sophomore-Junior team won the basket ball game. Too bad, Freshmen!

## CAMPUS WHISPERS

What's this between John I. and Micky? Coke bottles?

We have heard that a certain alto is being serenaded by a certain tenor. Could you tell us, Lois Dodson?

It was reported that Dining Hall songs have an effect on the lives of the students. Do you think so Shirley?

We heard that Jim and Lois J. are hearing things. Could it be wedding bells?

From a reliable source: Jack Cook thinks that  $\frac{1}{2}$  of the Senior girls are simply wonderful!

From all appearances we are able to gain, the ice follies had quite an effect on campus. That right, Les and Barb?

Announcement: For anyone interested in wrestling. Lessons are given in Cedar Shack at 6:30-7:15 p.m. by instructor Yost.

We, the redeemed, can rebell against the Lordship of Christ in our lives if we do not daily yield ourselves unto God as those that are alive from the dead and our members as instruments of righteousness unto God.

Freshmen initiation culminated by putting each Freshman through the final test Friday night in the gymnasium. The Freshmen are now true Cedarvillians.
