James 1:2 ESV

A LETTER TO OUR GRADUATES

Dear Class of 2021,

One thousand days. For our undergraduates, four years ago, we met together at Getting Started Weekend, and there we outlined what your approximately 1,000 days at Cedarville would be made up of. We celebrated the start of a new, exciting chapter in your life. And now, among your family, friends, faculty, and staff, we're celebrating once again. This time we celebrate your achievement of becoming a college graduate. For our graduate students, we celebrate your completion of an important next step in furthering your career and impact for Jesus Christ.

Think about all of your classes. All of your conversations you've had with professors who love you and care greatly for your future. All those late nights in the dorm with the friends you've made at Brock, Printy, and The Hill, to name a few. Many, many meals at Chick-fil-A — maybe some at Stinger's too. And, of course, around five hundred times of gathering together in chapel, singing, hearing God's Word preached, and seeing firsthand how that Word has changed so many lives.

While here, you made friends for life, and some of you met that special someone whom you're going to spend the rest of your life with. For others, it was here that you learned what you're good at — what you enjoy, and are about to embark on an exciting vocation. And there are those in this room who by God's grace, experienced the greatest joy of all — repenting of your sins and placing your trust in Christ Jesus for your salvation.

We have experienced many significant milestones together within a relatively short period of time. Yet, as Christians, we don't believe time is something to be trifled with, something to be wasted. "Make the best use of the time," the Apostle Paul tells us. That's what we've aimed to do while you've been here. We've sought to prepare you for your vocational calling. We've moved to inspire you to think deeply through our liberal arts core. We've built your experience around a community of fellow-believers, whom you've lived with, shared meals with, enjoyed Alt-Nights with, and gone to church with.

Above it all, our highest goal with these past 1,000 days has been to set you on a trajectory to glorify God in all that you do. Ultimately, that's all that matters. Our hope is that you've been steeped in the wisdom of God's Word here, so that you can remain in it and proclaim it when you go out there — to the uttermost parts of the earth.

For our graduate students, you have persevered through your coursework while maintaining full-time jobs, family responsibilities, and ministries within your church and community. We are proud of your diligence and are confident that your hard work will pay off vocationally as well as in Kingdom impact.

So graduates, my encouragement to you on this last day of your Cedarville experience is the verse that carried me through my first year here — *“Only be strong and very courageous, being careful to do according to all the law that Moses my servant commanded you. Do not turn from it to the right hand or to the left, that you may have good success wherever you go. This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success. Have I not commanded you? Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go”* (Josh. 1:7–9).

Come back to see us and know that we will always be here for you, praying that you will stand with compassionate conviction for the Word of God and the Testimony of Jesus Christ.

In Christ,

Thomas White, Ph.D.
President, Cedarville University

In Christ Alone

In Christ alone my hope is found
He is my light, my strength, my
song
This cornerstone, this solid ground
Firm through the fiercest drought
and storm
What heights of love, what depths
of peace
When fears are stilled, when
strivings cease
My comforter, my all in all
Here, in the love of Christ, I stand

In Christ alone, who took on flesh
Fullness of God in helpless babe
This gift of love and righteousness
Scorned by the ones He came to
save
'Til on that cross, as Jesus died
The wrath of God was satisfied
For every sin, on Him, was laid
Here, in the death of Christ, I live

There in the ground, His body lay
Light of the world, by darkness,
slain
Then bursting forth in glorious day
Up from the grave, He rose again
And as He stands in victory
Sin's curse has lost its grip on me
For I am His and He is mine
Bought with the precious blood
of Christ

No guilt in life, no fear in death
This is the power of Christ in me
From life's first cry to final breath
Jesus commands my destiny
No power of hell, no scheme of
man
Can ever pluck me from His hand
'Til He returns or calls me home
Here, in the power of Christ, I
stand

No power of hell, no scheme of
man
Can ever pluck me from His hand
'Til He returns or calls me home
Here, in the power of Christ, I
stand

CLASS SONG

Living Hope

Verse 1

How great the chasm that lay
between us
How high the mountain I could not
climb
In desperation, I turned to heaven
And spoke Your name into the night
Then through the darkness, Your
loving-kindness
Tore through the shadows of my soul
The work is finished, the end is
written
Jesus Christ, my living hope
You're my living hope

Verse 2

Who could imagine so great a
mercy?
What heart could fathom such
boundless grace?
The God of angels stepped down
from glory
To wear my sin and bear my shame
The cross has spoken, I am forgiven
The King of kings calls me His own
Beautiful Savior, I'm Yours forever
Jesus Christ, my living hope

Chorus

Hallelujah, praise the One who set
me free
Hallelujah, death has lost its grip
on me
You have broken every chain
There's salvation in Your name
Jesus Christ, my living hope
Hallelujah, praise the One who set
me free
Hallelujah, death has lost its grip
on me
You have broken every chain
There's salvation in Your name
Jesus Christ, my living hope

Verse 3

Then came the morning that sealed
the promise
Your buried body began to breathe
Out of the silence, the Roaring Lion
Declared the grave has no claim
on me
Then came the morning that sealed
the promise
Your buried body began to breathe
And out of the silence, the Roaring
Lion
Declared the grave has no claim
on me
Jesus, Yours is the victory, whoa!

THE ACADEMIC REGALIA

The colorful academic regalia dates from the first European universities in the Middle Ages. Academic costume has been in use in the United States since colonial times and is traditionally used for graduation convocations. The mortarboard is the standard cap. The tassel color, as established by an intercollegiate commission, indicates the subject field.

arts, history, letters, languages	white
business, commerce.....	drab
communication.....	silver gray
criminal justice.....	navy blue
education	light blue
engineering	orange
fine arts	dark brown
journalism.....	maroon
music	pink
nursing.....	apricot
philosophy	royal blue
physical education, allied health.....	sage green
religion.....	scarlet
science, mathematics, psychology.....	golden yellow
social work, political science, public administration.....	citron
doctor of arts.....	gold
doctor of education.....	gold
doctor of pharmacy	olive green
doctor of philosophy.....	gold
doctor of theology.....	gold

The length of the hood and the width of the velvet indicate the level of the degree. The doctor's hood is quite long, has two tails, and has five-inch-wide velvet. The master's hood is shorter than the doctor's and has three-inch-wide velvet. The bachelor's hood is shorter yet and has two-inch-wide velvet. The color of the velvet indicates the field of study. Blue indicates a doctoral degree. Dark brown indicates a Master of Arts degree. White indicates a Bachelor of Arts or a Master of Arts degree. Scarlet indicates a Bachelor of Divinity degree or a Master of Divinity degree. Yellow indicates a Bachelor of Science degree. The colors in the lining of the hood are the university colors.

The gown's traditional color is black. The distinguishing feature of the master's gown is the tippet sleeve. The doctor's gown has two distinguishing features. It is cut much fuller than the bachelor's or the master's gown and has velvet panels on the sleeves, around the neck, and down the front. These panels may be black or the color that symbolizes the subject field in which the degree was earned.

Some regalia represent academic awards that have been conferred from universities outside the United States, notably from Europe. Universities in Europe have not undergone the standardization in academic dress that was introduced in the United States. Each European university retains the right to design unique and distinctive regalia for its graduates. This results in a wide variety of hood and gown colors. The crest of the university may be woven into the hood or panels in the gown. Gowns are worn open, and formal attire is worn underneath the gown; women wear black skirts and white blouses, while men wear a formal suit or national costume.

GRADUATION WITH HONORS

Students graduating with academic honors are wearing a gold cord. A student who earns a grade point average of 3.50 or better is graduated “with honor”; one who earns a grade point average of 3.75 or better is graduated “with high honor”; and one who earns a grade point average of 3.90 or better is graduated “with highest honor.” A student must be in residence at least two full years (60 semester hours) in order to qualify for honors.

FACULTY SCHOLARSHIP TROPHY

❖ Awarded to the student with the highest grade point average in the graduating class

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The document provides a detailed list of items that should be tracked, such as inventory levels, customer orders, and supplier payments. It also outlines the procedures for recording these transactions, including the use of standardized forms and the importance of double-checking entries for accuracy. The second part of the document focuses on the analysis of the recorded data. It describes various methods for identifying trends and anomalies, such as comparing current performance with historical data and conducting variance analysis. The document also discusses the role of management in reviewing the financial records and making informed decisions based on the findings. Finally, the document concludes with a summary of the key points and a call to action for all staff members to adhere to the established procedures and maintain the highest standards of accuracy and transparency in their financial reporting.

THE UNIVERSITY SEAL

Adopted in 1894, the seal reflects the commitment of the first Board of Trustees to the cause of Christ. Prominently displayed on the seal are the words “PRO CORONA ET FOEDERE CHRISTI,” translated “For the Crown and the Covenant of Christ,” as well as a crown to signify His preeminence. The trustees desired to emphasize that Christ was the One for whom Cedarville College existed.

The board of the Baptist Bible Institute, after taking over the operation of Cedarville in 1953, retained the original seal of the college, acknowledging that the desire of Cedarville’s founders was theirs as well. They then surrounded the seal with the motto of the Baptist Bible Institute, “For the Word of God and the Testimony of Jesus Christ,” to visually remind those who observed the seal of the common commitment by both institutions to Jesus Christ.

The seal was updated in 2000 when Cedarville College became Cedarville University.
