Vol. II February 21, 1958 No. 13
A WEEKLY STUDENT PUBLICATION OF CEDARVILLE COLLEGE

REV. MASTELLER TELLS OF CONDITIONS AND PROBLEMS ON THE MISSION FIELD

We are very happy to have Rev. Masteller here at our school to minister to us at our annual Bible Lectures. Rev. Masteller is married, and the father of three children, Bernice is his wife, Nancy is 17, Jim 15, and Bob is 12. Probably there would be no way to get these two fellows and his daughter to Cedarville as he is a part time faculty member of the Philadelphia Bible Institute.

GIRL'S QUINT DEFEATS WILMINGTON

The Cedarville lasses upset the Wilmington College sextet on the home floor last Monday night, 52-41.

Cedarville, off to a fast start, quickly took the lead and held it throughout the game.

Paced by Nancy McDivitt, who was able not only to score, but to control the offensive backboard, Cedarville used the fast break and their passing power effectively.

Alberta Carr, Rosemary Smith, Joyce Grant, and Carol Zoellner played defensive ball for the Yellowjackets, while Nancy McDivitt, Sandy Millikin, Esther Weiss, and Norma Nulff were on the offensive end.

Nancy McDivitt, with 30 points, was high for the winners with Sandy Millikin following with 19.

Sue Eidemiller tallied 18 points to lead the losers.

Mr. Masteller is also serving at the present as Secretary of the A.B.W.E. missionary board. Two years ago Mr. Masteller circled the globe on a trip for the mission board. He was gone one month, from May 7 until June 8. Mr. Masteller went from Alaska, which was his first stop after leaving the U.S., to the Far East visiting A.B.W.E. stations in Hong Kong, and Kowloon, China and on to India and Japan. He tells that most of the ministry in China is among the communists as the stations are only forty miles from "Red" held China.

While abroad Mr. Masteller held meetings in the Philippines, India, and Japan. On his return trip he had the opportunity to stop for three days in the Holy Land and one day in London.

The mission interests of the

IMAGINATION MAY SURPRISE YOU!

When a girl glances down on a sparkling diamond, and then elevates her eyes to a certain spot on the ceiling, staring at it as though it were the seventh world wonder - imagination is at work. When a boy, sitting in on a dissertation from Shakespeare, looks at his watch and wonders which shade of blue his new Cadillac will be when he has compiled his million, imagination has another prey.

Imagination appears in many species. Most frequently among college students is the romantic dream which is aroused by a glimpse at a certain photograph or the name in the return address on a special envelope.

There is the career imagination which trails across the cerebrum with stethoscopes, nurses' caps, stenographers' pads and PhD. gowns,

Then one can always depend upon that homey, ordinary imagination.

MILLER'S MUSINGS WORDS

Words at their very best, are feeble instruments for transmission of thought from intellect to intellect. For this reason we have music, drama, and the aesthetic arts to lend a hand in this monumental task of conveying concepts from one mind to another. These facts must be realized if the realm of communications is to be understood.

In view of this inherent weakness of words, we need to correct any personal speech habits that cause a false impression in the minds of our hearers. We are to be the masters of words rather than to allow these servants to become lords over us in causing a hindrance to the effectiveness of our speech in its goal of an exact duplication of our thoughts. We who are the enissaries of the only message under heaven that can save a lost soul from eternal despair should seek to tell the story in an exact fashion.

With the preceding principles in mind, think of the difficult assignment of the Holy Spirit in giving to finite man the mind of the infinite and eternal God in a written Revelation called the Bible. Such condescension! It is no wonder that we are totally dependent upon the Author Himself for the interpretation and understanding of the Word of God.

-I Cor. 2:14-

BEAT DEFIANCE

MASTELLER (Con't from page 1)
spiritual warfare are no different on the field than at home. They have the same difficulty on the field as we have at home, but with greater intensity, and added difficulty with language barriers and because they are working with a different race of people in a different climate.

This warfare of the missionaries means that we at home should not be satisfied with just increasing our missionary budgets, but our people must realize the value of the prayer warfare and the ministry of intercession.

There is not only the necessity of winning souls but the need of churches, so that nationals who are saved will have a place where they might be built up in the faith. Most of these believers come out of backgrounds where satanic power is so forceful. Unless we establish local independent churches much of the evangelism would be abortion rather than births into the kingdom.

The need of the field of missions is not the specialized fields such as teachers, nurses, etc., but just plain field evangelists who will take the gospel to a world in heathen darkness.

Brother Masteller will be taking another trip this coming summer to the missionaries in South America. Pray that God will very definitely bless our friend in Christ as he ministers to those called to the regions beyond.

"The whole world was lost in the darkness of sin, but, the light of the world is Jesus."

CAMPUS WHISPERS

WE WONDER.....

if Bob and Carolyn will hear wedding bells in June.

why Bob Self's Pontiac is seen so often at the Girls' Dorm.

if Jerry could play basketball without the help of the smallest member of his anatomy--his tongue

why a certain foursome enjoyed their pizza so much Saturday night

if the quartet "got lost" enroute from Coshocton because their driver was "Love Struck".

when the Freshman Intramural team is going to win a game.

if Coach Bowser has signed Nancy Mc up for Varsity Ball yet.

if the 3 visitors to campus last week end caused any emotional upheavals.

what a certain tall blonde Freshman boy sees in the Girls' Dorm---a short brunette?

why Fran and John are counting days. Getting married?

if "2" can live as cheaply as one -How about that, Dave and Donna?

what the "Green Bug" is. Ask Fran; she might know.

JUNI BERT'S GOVT PER SEASONS WIN

February 14th, the Yellowjackets travelled to Columbus to play a return game with the Columbus Naval Air Station.

The going was a little bit rough Tues, as the Navy looked more like a team. The Jackets played to win though and were able to gain an impressive victory over Columbus, 80-64.

VARSITY TAKES INDIANA FORRESTERS

On Saturday, February 15, the Blue and Gold played host to the Huntington Forresters of Huntington, Indiana.

The Yellowjackets began playing good heads -- up ball from the start. The game was a hard-fought, scrappy game with good teamwork.

At times, the Jackets enjoyed a fifteen point lead. Huntington however, began to whittle at the lead until the end when the score was 95-88 in favor of the Blue & Gold. However, on Huntington's last shot of the game, Pete Reese was called for goal tending and the final score was Jackets 95 -- Huntington 90. The Jackets had 4 men in the double figures.

J.V.'S WIN

While the Varsity Jackets were playing host to Huntington, the Little Bees were playing the Emmanuel Baptist Church team of Dayton.

The J.V.'s playing one of their best games of the season, unleashed a well-balanced demonstration of team basketball. The

Little Bees had three men in double figures with Bob Self high with 17 points. Jim Entner had 12 and Dick Gravens 11. Everyone on the team scored at least five points in the contest.

The final score showed the J.V.'s on top, 72-55.

GRACE GAINS REVENGE IN 2ND MEET

Last Tuesday, the Varsity and J.V.'s travelled by car to Grace College for their return engagement. The Jackets defeated Grace early in the season.

The going was all rough for Varsity as they had an 81-69 loss tagged on them.

Grace played a pesky, fast game. They constantly intercepted Jacket passes. This in addition to the fact that the Blue and Gold were on the short end of the field goal percentage soon found the Jackets far behind in the contest.

The Jackets caught a little fire in the second half, but were never able to catch the red hot Grace team which was out to avenge its loss. Reese had 27.

LITTLE BEE'S WIN

In the first game, the J.V.'s had a game with Grace Seminary.

Although some of the Seminary men had had ball experience, the Little Bee's found the going relatively easy and kept the trip from ending in a shutout. They won 67-45.
