With this issue the Whispering Cedars completes its second volume of college activities which have taken place on our campus. Our school paper, young as it is, has taken some rapid strides in growth this year. It began as a four page pamphlet. This year, several times, it has doubled its number of pages. We're certain you will agree that a larger, clearer, neater paper is being produced this year. For these improvements, we want to thank our staff, and the student body for their cooperation in even the busiest of times. Special recognition is given to the typists who faithfully performed the more tedious end of publishing. We do also appreciate the help Mr. Wittig has given us as he acted as our advisor.

Next year we hope for a better paper. Each of you can help. Turn your news in to the editor before it is published elsewhere. Do not hesitate to join the staff. Your new editor, Mr. Tom Shelow, will want your cooperation. Remember, our paper speaks for our school.

Friday, May 16th, at 7:30 in Milner Chapel, the Bible Clubs held their annual program. Thirty-six children were present from eight Bible Clubs. The purpose of this program was to inform the parents of Bible Clubbers as to how a Bible Club is managed, and as to what the children learn. This year their lessons were divided into periods of seven weeks. The first week the lessons answered the questions; "What did Jesus teach about himself?", The third group of lessons answered this question, "What did Jesus teach about us?" Friday night the boys and girls answered these questions with flannelgraph, and memory verses, and songs.

Rev. MacDonald concluded the program with a gospel message.

"The worst indigestion comes from having to eat your own words."

THE CLASS OF '58 RECORDS ITS FINAL PAGE OF HISTORY

The graduating class of '58 began as green freshman with a bang, and we do mean "bang", in '54. This class was then composed of 33 members and now is graduating 18 of whom only 6 are of the original class. Their advisor, Mr. Wyland, was also a "freshman" to this school that year. He has grown with the class and with the school both aiding and advancing the class and school with his spirituality and guidance.

Their Freshman year was one of real initiation. They were the first class to be the victims of Freshman Initiation. After they endured this they began to form clubs to "enlighten the intellectual": The Dumb Peoples' Party and The Gun Club. These, needless to say caused small riots on campus. During this year the class purchased a clock for the chapel and helped build sidewalks.

Their Sophomore year was one of more seriousness and it began with the fun of initiating the Freshmen. What Fun!! They were the first class to initiate the Green Beanie fad. This year the class chose I. Cor. 15:58 as their class verse and "That in all things He might have the preeminence" as their motto.

Their Junior year was one of hard work as they published the yearbook and had the responsibility of the Jr-Sr Banquet. The class also set the precedent of a Junior rock which was plac-

ed on campus and is painted each year by the present Junior class in their class colors. The class also saw the need of the students and presented to the Student Council 2 recommendations which were later accepted and are now in use - (1) Chapel Cuts, (2) members of the yearbook staff do not have to donate an hour of work to the school. And finally they did not catch the Seniors who "sneaked" to Columbus.

Their last year--Their Senior Year--has been a busy one--what with History Seminars etc. They successfully "sneaked" to Cincinnati by outwitting the Jerky Juniors. During Homecoming weekend the Senior development which had the theme "Welcome Home" was erected and placed at the entrance of the Ad Building. The Seniors leave our school with a parting gift of a beautiful sign announcing the school. Truly the graduating class, with Jerry Thornton as President and who have had Gene Christian, Marshall Watson, and Ed Mawhorter as former presidents, has been an asset to our school. They leave with mixed emotions: going out to serve Him but leaving behind fond memories.

"To err is only human, but if you wear out the eraser before you've used up the pencil, you're overdoing it.

"Backbone won't get you anywhere if the knob at the top of it is made of the same material."

The girls' literary society, Gamma Chi, has chosen the following members to serve as officers next year: President, Ruth Yost; Vice-president, Grace Willetts; Secretary-Treasurer, Esther Weiss; Parliamentarian, Helen Stevens

....that Bob, Jake and Dave have sworn to leave the "Female Human Race" alone for 1 year.

....that Grace columnizes her dreams and types "History" on each one. That right, Sleeping Beauty?

....that Terry and Phyllis had a good time all week at the GAR-BC Meetings.
