# WHISPERING CEDARS

Vol. IV

April 30, 1959

No. 14

This special, library issue of WHISPERING CEDARS brings you the latest news and some interesting facts about the library. From time to time your WHISPERING CEDARS staff will keep you up-to-date on what's new in the library through the issuing of library supplements similar to the one issued this week.

## LIBRARY SUFFERS GROWING PAINS

Anyone who has done much evening studying in the library is well aware of the crowded facilities. Expansion plans for the near future should help to alleviate this condition, and make your studying more enjoyable.

As the Lord provides space for the Snack-Shop and lounge, the library will be able to use these downstairs rooms. The northwest room will be made available to Greene County, thus making it possible for them to expand their own reading room facilities for the members of the community. This will give the college room for an additional two thousand books in the main reading room.

The room now used by the book-store will be used for bound periodicals, with reading tables available. This arrangement should be of great help to students who are using the periodicals for research work.

## WANTED

Our history majors will be especially glad to hear that the library has been able to obtain eight back issues of AMERICAN HERITAGE. We only need four copies (Oct. '56; Feb. '57; June, '57; April, '57) to complete our set.

If you know anyone who would have these copies, and who would be glad to donate them to the library, please tell them of our need.

## JUNIORS, SENIORS HAVE SMORGASBORD

"Old Seniors never die  
They just fail away."

The senior class will presented last Friday evening was one of the highlights of the annual Junior-Senior Banquet held in honor of the class of 1959.

The Ohio National Guard Armory was the scene of this big event of the year. The dinner was held in the form of a Smorgasbord. Master of Ceremonies for the evening was Jack Willetts, a 1958 graduate of Cedarville College. Following the dinner Dave Matson led the group in a series of choruses which included the class song of the graduating class.

Paul Van Kleek and Warren Woodard presented the class will and class prophecy respectively. The class will was presented as a skit.

John McCormack, Professor of English Bible at Tennessee Temple Schools in Chattanooga, Tennessee, was the guest speaker.

## SENIOR SILHOUETTES

"I plan on going into 'full time service for the Lord, but I do not know exactly what the Lord wants me to do. I am planning on being a counselor for two weeks at a Bible Club Camp in Canton, Pennsylvania, this summer. I do not know for sure just what else I will be doing. I may try to find a pastorate or try to start a church." These are Jerrold Root's hopes for the future.

Jerrold began his training in 1953 at the Baptist Bible Seminary in Johnson City, N. Y. In 1954 he came to Cedarville and following a year of training he found it necessary to drop out and work returning to Cedarville the following fall.

Jerrold's major is Bible and his minor is History. His favorite verse is Ephesians 1:3.

You may often see Jerrold down at Bernie's Snack Shop eating ice-cream.

Brazil, Brazil, Brazil. This is one of Ray Reiner's favorite topics of conversation and one does not have to be with him long before knowing of his burden for the people of Brazil. Philippians 3:10 is his favorite verse of Scripture.

Ray, who is from Hamburg, N. Y., is majoring in Bible and minoring in History. His activities during his school years have included FWM and the yearbook. Ray likes to hunt and fly.

Ray is now preparing for a meeting with the board of Baptist Mid-Missions to take place in the very near future. He and Carol have set May 26 as their wedding day.

"Beef Bar-B-Que? Hmmm. Sure I'll have some." Who else but Ken Pierpont could make such a positive statement about his favorite food?

Ken, who is one of our married students, was born May 17, 1934, in Newark, Ohio. Since coming to Cedarville he has kept very busy in

Christian work. During his sophomore year, he was class chaplain. He is an active worker at the Emmanuel Baptist Church in Xenia where he is Sunday School Superintendent and Deacon.

Bible has been his major at Cedarville and History and English his minors. His favorite verse is Jeremiah 29:13.

Ken has two children, Melony and Kenneth. His interests out of school include hunting, fishing and gardening.

Future plans for Ken are still a little undecided, but probably they will include Grand Rapids Seminary and the ministry.

A pastorate in Iowa is one of Dick Johnson's hopes for the future. Dick transferred from Grand Rapids to Cedarville as a senior. He is from Des Moines, Iowa.

Dick's favorite food is pizza with coffee. As a senior, he states his red letter day to be "when graduation day comes." He is a Bible major and sociology minor. Exodus 23:20 is his favorite verse.

Of Cedarville he says it is "a good school and I'm quite satisfied with Cedarville.

## LIBRARY SUPPLEMENT

### LIBRARY ADDS FINE EDITIONS

Anyone who likes books will be interested in the editions of literary works which the library has recently purchased. The limited (only 800 printed) Julian Edition of The Complete Works of Shelley is the finest set of Shelley which has ever been printed and we were especially fortunate to be able to secure this set since it is now out of print.

Another handsome edition recently acquired is the Hampstead Edition (limited to 1025 copies and also out of print) of The Poetical Works and Other Writings of John Keats. The introduction to this edition was written by John Masfield and Volume I of our library set bears in blue ink the signature of the contemporary poet.

Also in the library now is the standard edition of The Works of Lord Byron, edited by E. H. Coleridge.

### ART PRINTS

Something new has been added to our library in the line of audio-visual aids. We have enrolled in an Art Seminar course sponsored by the New York Metropolitan Museum of Art. This one year art appreciation course will add twelve art prints and a portfolio to our library each month.

We also have a number of other art prints of various sizes which are available for student use. These should be particularly helpful in presenting material for classroom projects. They represent the work of famous artists and deal with a number of subjects ranging from prehistoric times up to the twentieth century. Students interested in using this material should see the college librarian.

### FILMS AND FILM STRIPS

In cooperation with Central State College a joint program has been worked out for the use of visual aid material. Available for our use are 68 films and 192 film strips, as well as various types of projection equipment. A list of this material is on file at the library and those interested in using it should consult the college librarian. Central State has asked that the following necessary rules be observed:

1. Make your request at least one week before you need the material. Some of these films are used by the public schools as well as by their own students. Therefore, sufficient time is needed to reserve a specific film for a definite date.
2. Fill in all the information asked for on the request card. These cards are available from the college librarian. Do not go to pick up material without taking this card with you.

Central State has requested that all material be obtained in the above way. It is important to the testimony of our school that we abide by their wishes. "Let all things be done decently and in order."

## NEW PERIODICALS

Collegiate Baseball is a semi-monthly newspaper that contains baseball news from the nation's colleges, and informative editorials and articles about this sport.

The Ohio Poetry Review is a quarterly publication devoted to the work of contemporary Ohio poets. If you are poetically inclined this would be the place to submit your masterpiece for publication.

The American Biology Teacher will be of interest to our science students. It is published every month.

Social Science is the official journal of both the National Social Science Honor Society Pi Gamma Mu and of the National Academy of Economics and Political Science. It contains many timely articles pertaining to these fields.

Keep watching the magazine racks in the library for these new publications.

Coming soon will be Modern Language Journal, Paris Match (similar to Life, only in French), and Midstream, (a quarterly Jewish Review). The first issues of these should be arriving soon.
