FACULTY COMMITTEES RESUME WORK ON SELF STUDY IN PREPARATION FOR REGIONAL ACCREDITATION APPLICATION

One of the most important projects Cedarville College is engaged in at the present time is a self study. This self study is not to make the school look good, but it has as its major purpose assisting the school in improvement and seeing the areas that need study. One product of the self study will be a critical document that analyzes needs.

This self study is one of the key requirements for applying for listing as a candidate for membership to the North Central Association for accreditation. Listing as a candidate for membership indicates to the profession at large that the institution is actively engaged in the process of accreditation.

The self-study committee, consisting of Dr. C. R. Maddox, Mr. Warren Webber, Mr. Cleveland McDonald, and Dr. Clifford Johnson, is meeting regularly and an outline for use in the self study of Cedarville College has been prepared. Numerous questions are asked in this outline to be followed by the various committees that have been set up to study different fields and phases of the college. Questions asked in the outline are of such a nature that they will require much study and time on the part of the various committees.

Following are the main questions asked on the outline which are covered in greater detail in the outline:

1. Is the educational task of the institution clearly defined? This includes purposes and admissions.

2. Are the necessary resources available for carrying out the task of the institution? Subpoints under this question include income and expenditures, budgeting, purchasing, accounting, financing student activities, financial administration, faculty competence, library, physical plant, space utilization, and special research facilities.

3. Is the institution well organized for carrying out its educational task? Included in this is board participation in educational planning, leadership for educational planning, faculty participation in educational planning, resources available for educational planning, results of study.

4. Are the curriculum and instructional program adapted to the goals of the institution?

5. Are conditions of faculty service

EDITORIAL
CAMPUS CLEAN UP

Eons and eons ago (first semester, to be exact) an editorial appeared in this campus newspaper regarding the neatness and cleanliness of our (potentially) beautiful campus.

It is a bit discouraging when one thinks of this earlier article, in light of some of the sights to be presently noted on the school grounds.

The sight of our fine new fieldhouse is marred by a sea of mud surrounding it. We realize, of course, that this will be landscaped as soon as funds are available and the weather proper for the work. But certain articles seen in the "lawn" make it look twice as bad as it really is. Take a look around. Can you see pop bottles, candy wrappers, paper cups, popcorn bags, and various odds-and-ends (shingles, boards, etc.) lying around?

And how about those garbage cans? Always in sight, they manage to perpetually "uglify" key corners of the campus—namely, both ends of the New Girls Dorm and the southwest corner of Milner Hall.

Take a look, too, at the area between the New Girls Dorm and the Bookstore. At this writing, it has enough paper scraps to be mistaken for a small garbage dump.

These are just a few examples. Many more could probably be cited. Perhaps we don't care. Or perhaps we care, but we've lived with these

eyesores so long that we don't even notice them—they're just part of the "scenery."

Something should be done, for during this month there will be on our campus those who will see it and will care. Probably the most important is a group from the Ohio College Association, to see if we are fit for membership. Are we? Neatness counts even in this area.

Prospective students, church tourney players, visitors for the communism seminar and the music workshop—the stream of visitors never ends. What will they think of Cedarville College? Will they tell their friends it is a neat and clean campus? Or will they be quite unimpressed by what meets their eyes?

Remember, it's the first impression that counts. What is your responsibility in this matter?

CEDARS EDITOR TO APPEAR
ON CENTRAL STATE PANEL

Whispering Cedars' Editor-in-chief Bob Fidler will participate in a panel discussion on radio station WJCS-FM on Saturday, March 16. Other members of the panel will include student editors from Antioch College, Central State College, Wilberforce University, and staff members from Dayton newspapers.

The discussion will center around the purpose and place of the campus newspaper as part of college life. The program will begin at 7:30 p.m. WJCS-FM is the Central State radio station, 88.9 megacycles.

SELF STUDY (continued from page 1)

likely to promote high morale? Considered in this question is faculty administration, tenure, faculty benefits, retirement, insurance, housing, recreation, aids to growth.

6. Is student life on the campus well-balanced and educationally meaningful? Administration of student life, student records, campus life, and student health and welfare are included here for study.

7. Is the level of achievement of students consistent with the goals of the institution? Observations of student achievement, drop-outs, records of graduates are being studied.

Due to the great amount of work required in a study such as this, faculty members have been appointed to serve on numerous self-study committees. Among these are:

Alumni: Chairman, Dr. Williams, Mr. Bartholomew, Mr. Gromacki, Mr. Thomson, and Mr. Moody.

Administrative: Chairman, Dr. Jeremiah, Dr. Maddox, Dr. Johnson, and Mr. McIntosh.

Curriculum: Chairman, Dr. Johnson, Mr. Bartholomew, Dr. Maddox, Mr. Turnbull, Mr. Webber and Dr. Williams.

Faculty Minutes: Chairman, Miss Fisher, Miss Smith, Mr. Spencer, and Mr. Bartholomew.

Faculty Preparation: Chairman, Mr. McDonald, Mr. Elmore, Mr. Russell, Mr. Lawlor.

Finance: Chairman, Dr. Jeremiah, Mr. Callan, Mr. St. Clair, and Mr. Wyse.

Library: Chairman, Mrs. Chaffe, Mr. Bergen, Mr. Turnbull, and Mr. Gale.

Physical Plant: Chairman, Mr. McIntosh, Mr. Miller, Mr. Reed, Mr. Thornton, Mr. Frye, and Miss Mackay.

Testing, Instruction and Research: Chairman, Dr. Maddox, Dr. Johnson, and Mr. Dowell.

Self Study: Chairman, Dr. Johnson, Dr. Maddox, Mr. McDonald, and Mr. Webber.

Student Affairs: Chairman, Mr. McIntosh, Miss Kearney, Miss Mackay, Margaret Stowell, and Ron McDugle.

Faculty Handbook: Faculty Minutes Committee, Administrative Committee, and Student Affairs Committee representative.

Much has been done, but there still remains much that needs to be done for this self study which is the approximate equivalent to a doctor's dissertation.

Note: Dr. Johnson requests that when questionnaires are sent out, especially to graduates, that they be filled out and returned to the school as soon as possible.

ANTI-COMMUNISM SEMINAR
HELD AT CEDARVILLE COLLEGE

On Saturday, March 9, an Anti-Communism Seminar was held here at Cedarville College with Mr. W. P. Strube, Jr., Vice President of the Christian Anti-Communism Crusade, as director and speaker.

Attendance at the morning and afternoon sessions, which consisted of a coordination of films and lectures, averaged between 75 and 100. The morning and afternoon lectures were basically specific, while the evening lectures were more general and tied the whole day together. Nearly the whole student body was present for the required session of the evening program; however, only about half of the audience remained for the lecture and question sessions which followed.

Student opinion of the seminar seems to be that Mr. Strube is a very dynamic and effective speaker with a vast knowledge of his subject. The films were also considered very enlightening, particularly "The Ultimate Weapon," a film showing the treatment of Korean prisoners of war. One criticism leveled against the day's events was that if you attended all the sessions, you heard some of the material repeated two and even three times.

The seminar was considered by most of those who attended it both worthwhile and enlightening; it opened the eyes of many to the threat of communism in this present era. Whether or not it will have any long-range effects at Cedarville is yet to be seen.

STUDENT OPINION POLL

Sam Canine (80 miles) - "It's a Christian school, and I have a basketball scholarship."

1963 MIRACLE STAFF
MEETS FINAL DEADLINE

The delivery of the 1963 Miracle yearbook was made on time to the publisher. Mr. Spencer, yearbook staff adviser, expressed his appreciation to the staff and all those who helped with this edition. He believes this book is well worth the time and effort spent in its preparation.

ICY FIGHTS AGAINST ANTI-CHRISTIAN INFLUENCES

"Ye are witnesses of these things."
(Luke 24:48). What are the implications
of this statement for us as Cedarville
College students?

As born-again believers, we have
a responsibility to be a witness to the
truth. We believe certain fundamental
historical doctrines are clearly re-
vealed in the Scriptures to which we
must be loyal. We have a Christ who
is unique, "very God of very God," to
whom we owe an unswerving allegiance.

As citizens of this great nation, we
need to be witnesses to the rights that
we have under God to live in a free so-
ciety in which we live, work, and wit-
ness for Christ.

Whenever any system would turn us
from the truth, from our doctrines,
from our Christ, from our freedoms --
we have a duty under God to resist them.
This is the crisis seen in the world to-
day! Modernism would turn us from
the Scriptures and the Christ of the
Scriptures. Communism would rob us
of our rights and freedoms as indi-
viduals who are stewards of our own
souls and daily resources.

The apostasy is with us. Even the
clergy promote programs which are
contrary to the principles of Christi-
anity. The gospel has been lost. It
needs to be given its rightful place once
again.

A voice needs to be heard repre-
senting those who are concerned about

the forces attacking the churches and
attacking our freedoms. This is the
purpose of International Christian Youth,
a newly-organized youth organization.
It was constituted in August, 1962, in
the famed Concertgebouw in Amsterdam,
Netherlands.

The American affiliate of this organ-
ization was formally constituted in Chi-
cago, Illinois, in December of 1962.
Delegates from all over the United States
met to adopt a constitution, pass reso-
lutions, and initiate a program of action
to preserve and strengthen our ortho-
doxy and to enable us to maintain our
freedom.

Larry Killian, a junior, attended the
Chicago assembly and was elected to
the Executive Committee of ICY. The
Executive Committee formulates pol-
icies and procedures for the national
organization. It is composed of fifteen
members from many Christian colleges
across the country.

ICY membership is open to all
young people from ages 15-30 who feel
the need to band together to give the
"youth witness" to the truth, the doc-
trines, the Christ, and the freedoms
that we have as members of His Church
and a free nation.

MIRACLE (continued from page 4)

This year's cover, designed by Gor-
don Langeneger, is somewhat different.

According to Mr. Spencer, there
are several new features, including a
special section. However, he would
not reveal the nature of this section.

CHORALAIRES PRESENT CONCERT

The Choralaires believe the old adage which says, "Practice makes perfect." They have practiced and are now ready for their concert to be held March 26 at 8 p. m. in Alford Auditorium.

This group has been busy performing at other events in the vicinity. On March 1, they sang for a kick-off program of a Sunday School membership drive for the Emmanuel Baptist Church in Dayton. The Melody-Aires Trio and the Firehouse Five performed with them. On March 5, they sang for the Cedarville, Jamestown, and Clifton Lions Clubs at Cedar-Cliff High School.

For their concert at the school, the group will be singing the following numbers: Moon River, You'll Never Walk Alone, It's A Grand Night for Singing, Without a Song, and Noah and the Ark.

MUSICAL GROUPS TO TRAVEL

The Trustees of the College have approved two ensembles to travel for the school this summer. These two groups are the "Ambassadors" and the "Life-Liners Trio."

The "Ambassadors," composed of John Stockwell, Joseph Stowell, and Gary Fransted, are accompanied by Gordon Griffin and have as soloist, Mark Averitt. They will travel to Wisconsin for special music at a camp and then will go on to northern Ohio, Indiana, Michigan, New York, and New Jersey.

The "Life-Liners Trio," Vickie

Curcio, Ruth Johnson, Sharon Marks, and accompanist, Shirley Byrd, plan to go to middle Ohio, Illinois, Indiana, and on to Denver, Colorado, for music at some camps.

CEDARVILLE 78, ASHLAND 84

The Ashland Eagles flew high Feb 23 as they downed Cedarville 84-78 at Ashland.

Bidding for a third straight Mid-Ohio League crown and a berth in the District 22 NAIA playoffs, the Eagles helped their cause by downing the Jackets. Four Ashlanders scored in double figures, three of them with 20 or more. Boze Johnson, 5'8", Ashland team leader in points-per-game average, hit for 22. Larry Augler canned 21 and big Wilber Ritzhaupt 20. Jim Garbash chipped in with 14.

Ashland led by 3 at halftime, 38-35. With 30 seconds left in the game, they still led by three but with Cedarville in possession of the ball. The Yellow Jackets were unable to capitalize, however, and Ashland went on to win on free throws in the last seconds.

Dozier Carter and Norris Smith led Cedarville scoring with 19 each. Sam Canine scored 14, and Dave Jeremiah and Gary Walthall 13 each.

CEDARVILLE 83, HUNTINGTON 86

Cedarville lost its third in a row to even its record at 11-11, falling to the Foresters of Huntington 86-83 at Huntington, Feb. 25.

Cold shooting early in the game eventually cost the Yellow Jackets the contest. Hitting on only 2 of 17 attempts, the Cedarville team dropped quickly behind 13-5. Hot corner sniping by Dave Jeremiah helped narrow the gap, however, and the Jackets were down only

40-38 at the midway buzzer.

Cedarville pulled ahead shortly in the second half, but fell to the hot shooting of Rollo Williams and Sammy Kreigh, Indiana's leading scorer. Kreigh led all scorers with 24, followed by Williams with 21 and Mark Crain with 20. Dave Jeremiah hit 23 for Cedarville.

CEDARVILLE 51, WILBERFORCE 49

Cedarville avenged an earlier defeat by edging Wilberforce 51-49 in a home game Feb. 28.

Ted Ocheltree, senior substitute guard, scored the Jackets' last four points with a field goal and two free throws in the last 30 seconds. The Yellow Jackets, playing without the services of Gary Walthall, led at halftime 29-22, but were pressured by a stubborn Wilberforce ball club in the second half. The Bulldogs led twice in that half, and had tied the score 47-47 when Ocheltree came into the game for his last-minute heroics.

Ben Kendrick led Wilberforce with 16 points. Dozier Carter and Sam Canine led Cedarville with 17 and 10 respectively.

CEDARVILLE 54, FENN 50

The Yellow Jackets clinched their first winning season in fifteen years by edging Fenn, 54-50 in the final home game of the year on March 2.

Fenn, led by big Weldon Kytley, forged to a 30-26 halftime advantage. But a

PRACTICE BEGINS FOR FOUR SPRING SPORTS

The last basket has rustled the nets, and once again the athletic department's attention is turned to warm weather and the spring sports program at Cedarville.

No less than four intercollegiate sports are found at Cedarville during the closing months of the school year. They include baseball, track, tennis, and golf. All teams compete in Mid-Ohio League play.

Last year's baseball team, which posted a 5-11 record, will be back in full force this year. The Yellow Jacket diamondmen lose no one from last year, and barring injuries should have a banner season. Baseball will be coached by Lane Moody. Pitcher and catcher workouts began Tuesday, March 12. Complete squad workouts will begin Monday, March 18.

No date has been set for the beginning of track workouts; however, track coach Don Callan is optimistic about the success of this year's team. Returning from last year's squad are Jim Sprague, one of the state's top milers, and Ray Davis, high jumper deluxe.

Only two members of last spring's tennis team will be on the courts this year. Don Entner and Bob Auffort will make the nucleus of the Cedarville netters as they try to put together another winning season, compiling a 4-3 record last year while tying for second place in the MOL tourney.

Robert Gromacki, golf team coach, says a schedule is being prepared for

the golf team. Anyone who shoots in the 80's or 90's will be a welcome addition to the Cedarville linksmen. Back from last year are Ted Ocheltree and Jim Sprague.

YELLOW JACKETS NAMED IN BASKETBALL HONORS

Dozier Carter, Gary Walthall, and Norris Smith have all received honors as a result of their fine play this season.

Walthall was named to the second team of the All-Ohio NAIA, while Carter was named as honorable mention. The rebound twins averaged 17.6 and 16.2 rebounds per game respectively, good enough to be 1, 2 in the Mid-Ohio League, and among national leaders in rebounding all season. Walthall, a junior, has been named by his teammates to be team captain for next year.

Smith was voted Most Valuable Player by his teammates. This was the second year "Smitty" has received this honor, the first being the 1960-61 season when he averaged 21 points plus per game.

FENN (continued from page 9)

9-point flurry by Cedarville to open the second half put the Jackets ahead to stay, 35-30, although it took four clutch free-throws by senior guard, Sam Canine, to "ice" the game for Cedarville.

The win made Cedarville 13-11 for the season. The Jackets were fifth in the Mid-Ohio League with a 2-6 loop mark.
