ATHLETIC DEPARTMENT SPONSORS ALL-SPORTS BANQUET

On May 14 the Athletic Department of Cedarville College sponsored the first All-Sports Banquet. The master of ceremonies for the evening was Mr. Bill Swain, and special music was presented by Mr. Don Hall. The speaker of the evening was Mr. Bob Davenport, who was a U. C. L. A. All-American and then went on to play professional football in the Canadian Football League. He is presently football coach at Taylor University.

Participants in nine different sports received letters, but the following is a summation of the special awards which were given. Manny Pereira received all of the honors on the soccer team. He was voted M. V. P., and he was also given All-Ohio honorable mention by the Ohio College Soccer Association. Baseball awards were given for M. V. P., leading hitter, and co-captain.

The following awards were given to Dozier Carter; M. V. P., top rebounder, co-captain, top scorer, named to the NAIA District 22 first team, and named to the all-conference first team. Rod Lane received an award for co-captain and Jerry Osborn was named to the all-conference second team.

The track team gave out leading scorer and captain awards.

I REMEMBER

Seven years ago it was my anxious yet fearful experience to climb the front steps and enter "Ol' Main." "Dr. Williams, please." "Yes, I am Dr. Williams, what is your name?" Thus began an era of education in my life I will not soon forget.

Soon the hustle of freshman orientation began. It wasn't long before Dr. Maddox informed me that I probably would not graduate, whom I finally will soon be privileged to hear say, "David Cochran, A. B."

I remember President Dr. Jeremiah having more hair and with a darker tint. I believe we as students do not express our appreciation and thankfulness to him as we ought. I know he is the only man who takes only four steps between his office and the Business Office, but he can speak, and never has failed to, to me, to everyone in the hall while taking those four steps. Do we ALL really express a word of love and appreciation to him?

I remember my first baseball game Cheer up, boys, our team committed 13 errors the first inning; the score (??). This was not repeated too frequently.

I remember when Dr. Brumbaugh over-cut chapel. Do you believe he can

(continued on page 2)

I REMEMBER (continued from page 1)

almost walk through a locked door? Ask him about the time the rear wheels of his car were blocked up!

I remember Mr. Thompson's first year as College Professor. He changed botany textbooks the next year.

I remember when the rush for mail was over in about three minutes. The mail seemed to all fit in one box. You see, there wasn't so much "mush" back then.

I remember when both sexes set tables and assisted our hostess or host to a table. The atmosphere of family-style meals was enjoyed by all, especially Miss Fisher and her little bell that had a tendency to disappear at times.

I remember when Dr. Williams drove a big Buick. His economic view has changed. He certainly was a very good Dean, but his responsibility was not for five hundred students.

I remember when the snack shop, bookstore, recreation room, laundry room, dorm, and library was all housed in our present Library.

Yes, there is much more for me to remember, but what will you remember. We have a great college now. In my stay here there have been many changes. What it will be depends on you. Please do not get so economically and/or educationally minded that you forget that charity and love begin at home. Students don't ask for everything and give nothing. Also, profes-

sors and administrators, I believe you reflect the future support of the alumni.

I remember

Dave Cochran

PASTOR REPORTS EFFICIENCY OF CEDARVILLE COLLEGE

Pastor Robert Humrickhouse reports that his Berean Baptist young people thoroughly enjoyed Prospective Students Day at Cedarville College. Kathy Snedeker, Chris Betts, Sylvia Lovell, and Jane Hess driven by Phil Betts attended the conference. The girls all reported a good time. Sylvia found a class in sculpturing very interesting and she also enjoyed a band rehearsal.

As classes were visited, Jane was much impressed as the instructors freely brought in the spiritual emphasis as well as the practical and intellectual lessons. Kathy is reported to have been greatly impressed by the quality of the chapel service. Chris and the other girls enjoyed the concert by the College Choir on Friday night.

Mr. Betts was especially appreciative of the tasty food! The Cedarville cafeteria manager is evidently quite an expert. Efficiency seems to be his secret since 500 to 600 were served in an area with seating capacity for only about 125.

EDITOR'S NOTE:

The above article appeared in the April issue of the Ill-Mo Regular Baptist paper.

EDITORIAL

THE EDUCATED MAN

Herbert Spencer said, "Education has for its object the formation of character." If this character has been nurtured correctly, then it will be willing to accept others into its own society.

Attending college we should become familiar with a greater variety of facts, events, and people. If we do not become well educated, thereby failing our goal, many subjects will be less familiar to us than to our successful friends. When things are unfamiliar, their peculiarity often causes fear or ridicule. However, if we have been educated as to what is before us, we become capable of accepting it. This college frightened many of us our first weeks as freshmen; but, now, because things are familiar to us, that fear no longer exists.

If we are truly educated, we are capable of accepting any personality on our campus who is the product of an environment foreign to ours. Students who snicker and "hiss" when a chapel speaker presents a sermon in a style different to the midwestern norm display their own ignorance. We as collegians should be willing to accept idiosyncrasies of others, and to learn from them. If you feel more elite and aloof to others than you did nine months ago—then you are not a truly educated person, you have failed the past year at college.

SPORTS BANQUET (continued from page 1)

In cheerleading, Martie Bennett and Ardie Cayton received first year awards, letters. Vicki Curcio received a lavaliere for two years, and Bette Adamson, a plaque for four years of service.

On the girls' basketball team, Maryalyce Jeremiah received a co-captain award, and Bette Adamson received awards for co-captain and M. V. P.

Sue Johns received co-captain, and Maryalyce Jeremiah received co-captain and M. V. P. awards on the girls' volleyball team.

Congratulations to the fine athletes of C C.

SENIORS' FINAL WEEKEND STARTS WITH DINNER PARTY

Our departing seniors will get their memorable weekend off to a good start Thursday at 6:00 p. m. at the first annual Senior Dinner-Party. It is designed strictly for the graduates and wives of graduates. No parents, children, fiancées, or friends are included.

The purpose of the dinner is to have all of the graduating seniors together for one final time before the formal activities begin. After the dinner, charges to the class will be given by the Alumni Association President and by the President of the College. A slide sequence with tape narration depicting the seniors' four years at CC is on the program.

FBA ELECTS OFFICERS

The Future Business Associates elected officers for the 1964-65 school year at a recent outing held at the roadside park west of Cedarville on Route 42. Joe Osborne was elected president; Dan Stephens, vice president; Barbara Randall, treasurer; and Phyllis Irish, secretary.

The group has enjoyed a number of activities during its first year. Beside the outing sponsored by Mrs. Webber, Mr. St. Clair, and Mr. Wyse, the group has had three guest speakers and went on one field trip. Mr. Wyse, when asked for a comment, stated that "the progress in the first year as a functioning organization was gratifying."

SECOND HONORS DAY PROGRAM OBSERVED AT CC

May 8 and 9 were set aside this year to pay tribute to the honor students in the College. Over 150 students received recognition. This was the second time that such tribute was shown to students maintaining high scholastic averages. This year the Honors Day program was held for two days.

On Friday, May 8, a special chapel service was held for all the students on the Dean's List and the Dean's Honor List. President Jeremiah presented an Honors Day message and personally handed each student a certificate of merit for his scholastic achievements.

Three special science awards were given to Dave Prosser for mathematics,

FRESHMEN SPONSOR FINAL ALL-SCHOOL PARTY

The last "all-school" party was sponsored by the Freshman Class on May 18 at Fairborn, Ohio.

Pillows, aspirin, heating pads, band aids, and ice packs, were not provided for the treacherous but exciting and somewhat challenging roller skating party, held for the benefit of those who dared to "bark" their bones or some elses.

"Dutch treat" pretty much set the pace for dozens of dates, who enjoyed hours of fun skating and sliding to the "rhythmic" music of our own organists, Pat Scovell and Nancy Crown. A rest period discouraged and encouraged many distressed persons who listened to the "Firehouse 5" display their amazing ability to "fracture" an audience.

In the words of certain noted people--"swift."

SENIORS ENTERTAINED AT TEA

On May 17, the graduating seniors and Mr. and Mrs. Gromacki were entertained in the home of Dr. and Mrs. Maddox.

The tea is an annual affair and is one that is greatly anticipated by each graduating class.

The school colors were carried out in both the refreshments and decorations, and created a delightful atmosphere.

HONORS DAY (continued from page 4)

Shirley Otto for physics, and Ruth Grant for chemistry. The awards were provided by the Chemical Rubber Company of Cleveland, Ohio, and given only to students with highest averages in the first year courses in mathematics, physics, and chemistry.

On Saturday, May 9, a luncheon was held for these students and their parents. It was a good time of fellowship for all, and we are all hoping that this will become an annual affair at CC.

GRIFFIN AND ADDLEMAN RECITALS HIGHLIGHT MONTH OF MAY

May is the month of music at Cedarville College, and this trend was adequately carried out this year.

Two main highlights of this month were the piano recitals given by Gordon Griffin and Sharon Addleman.

Gordon's recital was presented on May 11th at 8:00. A few of the selections played were: Etude, Op. 10, No. 12 "Revolutionary" by Chopin; Three Rondos on Folk Tunes by Bartok, and Sonata, Op. 2, No. 2 by Beethoven. The highlight of the evening was when Miss Ruth Smith joined Gordon for a duo-piano version of Gershwin's "Rhapsody in Blue."

Gordon is working toward the bachelor of music degree and then plans to continue his piano study eventually going into concert work.

The second recital in May was the graduation recital by Sharon Addleman. Sharon's program included: Valse Brill-

liante, Op. 34, No. 2 by Chopin, and Miss Smith joined her to render "The Nutcracker Suite" by Tchaikovsky.

Sharon will be receiving the bachelor of arts degree, and she plans to go into church secretary and pianist work.

JACKETS COMPILE 4-3 RECORD

Our Yellowjackets have achieved a 4-3 record this year, thanks to a few timely hits and excellent pitching.

In the second outing of the season, we battled Bluffton 19 innings with neither team scoring a run. Schilling went the distance for Bluffton, while Rich Dilelio pitched 17 $\frac{2}{3}$ innings with Charlie Wilkins mopping up. We muffed our biggest opportunity to score in the 8th inning as we had men on 1st and 3rd with one out only to have our effort nullified by a fast double play.

Findlay's stylish right hander blanked out hitters with a nifty four hitter, while Cedarville's Rich Dilelio allowed but two runs in a losing cause. Our only chance for a run came in the seventh, when Randy Ross reached second on an error. Mark Combs promptly singled to right but Ross was nailed at home trying to score.

Randy Ross, helped by a four unearned run bulge in the first inning, stymied Malone for his second win of the season. It is rather ironic that Ross has pitched in but two games while that same number represents half of the total Jacket victories.

Big Charlie Wilkins, the "veteran"

(continued on page 6)

of our mound staff, was the victim of two unearned runs in the second game of the Malone doubleheader, as we came out on the short end of the stick by a 2-1 score. Charlie, somewhat unaccustomed to giving up hits and runs was nicked for five safeties in his second appearance of the season.

On May Day, Coach Moody's men erupted for a grand total of 10 runs in a twin killing of Wilmington, 3-1 and 7-2. Run production had been quite sparse, and Rich Dilelio and Charlie Wilkins sat and watched with disbelief. Mark Combs slapped out five hits in seven attempts to boost his batting average to a team-leading .385, while Randy Ross and Denny McDonald added some badly needed offensive punch.

TRACK NEWS

In the latest track results, our men took eight firsts at a meet in Defiance but did not capture first place honors.

Bill Francis rode over the old pole vault record with a ride of 12'6". Coach Callan is doing well but wants some quantity to go along with quality.

W. C. 'S SPORT SPOTLIGHT
 SWINGS TO GOLF

Well, spring is here again and intercollegiate sports have been in full swing. Yes, baseball, tennis, golf, and track have been dodging the raindrops for the last few weeks trying to get in a few hours of practice here and there.

This issue focuses its sport spotlight on the golf team. The team, composed of five players: Roger O'Bryon, John Hess, Joe Stowell, Jerry Stadt, Jim Engelmann, and alternate Bill Kirtland, has had a hapless season so far but has also been playing out of their class.

For a team that receives probably the least recognition and only half a varsity letter per season, the fellows show dedication to the sport. Out on the links they have a real opportunity to witness because of the close contact with the opposing "hackers." This year, although they have a winless season, they show progressive marks of improvement. The coach, Mr. Gromacki, who usually shoots in the 80's, proves to be an important factor in bringing the team's average down.

In each match there is a possible total of 20 points. There are five players from each team which leaves a possible total of four points for each individual match. Each individual match receives one point for the most holes won on the first nine, one point for winning the most on the last nine, one point for total holes won, and one point for the lowest score. With this type of a scoring system, it is possible to be very close to an opponent and still lose 20-0.
