*Life on Mars*

Agee, Jon

New York, Penguin Young Readers Group, 2017

9780399538520

This charming picture book follows the disappointing adventure of an astronaut who lands on Mars looking for life. Our hero searches and searches, but only comes across a single flower, no aliens. The illustrations allow for interactive story time as they depict a giant alien following the astronaut through the entire story, which will entice children to direct the astronaut to look behind him.
