This lectureship program has been graciously funded by the Thomas F. Staley Foundation of Delray Beach, Florida. The concept of the lectureship was conceived in the fall of 1969 by Mr. and Mrs. Thomas F. Staley of Rye, New York in memory of their parents, Dr. and Mrs. Thomas F. Staley and Judge and Mrs. H. H. Haynes of Bristol, Tennessee.

This private, non-profit organization seeks to support men and women who truly believe, cordially love and actively propagate the Gospel of Jesus Christ in its historical and scriptural fullness. It desires to enrich the quality of Christian service and to sharpen the effectiveness of Christian witness, especially at the college level.

Cedarville College publicly thanks the Thomas F. Staley Foundation for making this third annual lectureship program possible. The first lectureship was by Dr. John J. Davis of Grace Theological Seminary on the theme "Modern Archaeology and Bible History." Last year, the lectureship was delivered by Dr. Robert P. Lightner of Dallas Theological Seminary on the subject "Ecumenism and the Evangelical."
