Students who qualified for the Dean's List and the Dean's Honor List were revealed to the student body this past week.

Congratulations to the Honor Students from the faculty were expressed by Dr. Maddox when the lists were read in Chapel last Monday morning.

Those on the Dean's List were: John Abuhl, Merlin Agar, Florence Bockhold, Sandra Capron, Nancy Cope, Charles Horn, Carol Johnson, Patsy King, Jack Meyer, Sandra Millikin, David Mosher, Tom Shelow, Ruth Smelser, Jim Spaulding, Maurice Stone, Dave Thomas, and Jerry Thornton.

The Dean's Honor List included: Ray Bartholomew, John Brumbaugh, Bette Burrows, Dr. Burrows, Alberta Chaffe, Esther Chesbro, Keith Coakley, Frances Cooper, David Dautel, Wanda Frye, John Entner, Linda Marshall, DeElda Patton, Roy Shelman, Howard Shumare, Helen Stevens, Gene Walker, and Ruth Yost.

During the month of March, various ensembles from the music department will travel over 1800 miles as they present the gospel in song in churches throughout Ohio and the Mid-West. President Jeremiah, Dr. Williams, and other faculty members

speak at these services in the interest of Cedarville College.

Last week-end the Choir traveled about 600 miles as they went to Bay City and Cass City, Michigan.

The choir members were thrilled as they saw the number of young people at the Saginaw Valley Regular Baptist Youth Rally. Although we saw no visible results, we believe the Lord was working.

The choir has services during the week-end of the 15th, and again the week-end of March 29th.

An extended service is planned for April 13-24.

## WORDS AND THOUGHTS

Words are virtually the sole means of conveying thoughts from one individual to another. Since the importance of exact communication is immense, the words employed to convey thoughts need to be exact and proper. Hence, a narrow vocabulary hinders a person, who might have worthwhile thoughts in his attempt to communicate his ideas. All men need to have at the tip of their tongue "the right word and not its second cousin," as Mark Twain said. Men are partially judged by their utterances and rightly so since speech more often than we think reflects one's heart and mind. Therefore, we ought diligently to pursue an exact language.

#### LITERARY SOCIETIES

Last Friday night, in Milner Chapel, Alpha Chi and Gamma Chi met together to discuss the constitution and other matters of business.

Roy Shelpman, President of Alpha Chi, presided over the meeting as the joint societies discussed the proposed constitution and then agreed to accept it with slight changes.

The societies approved Galatians 2:20 as their verse and it was decided to let a committee select two sets of colors and submit them to the joint societies for approval.

The group also voted to ask Mr. and Mrs. Ambrose to serve as advisors.

Our student newspaper will regularly express in its pages some Faculty news or opinions of general concern.

Miss Margaret Hook, English and Greek instructor responded to the question, "What do you think about the United Nations?"

She said: "The organization of the United Nations is an attempt to fulfill what can only come to pass during the Millennium. God has stated in His Word that there will be wars and rumors of wars. For any organization to think it can change this statement is sheer folly. The heart of man is as wicked as ever and such wickedness can never produce peace on this earth. There will be peace only when the Prince of Peace comes to earth to reign.

BASEBALL

With the completion of basketball season and the coming of warmer weather we find that the thoughts of the young men on our campus have turned to baseball.

According to Coach Bob Underwood baseball practice will begin shortly after the church basketball tournaments are completed next week-end.

The student body is anxiously awaiting for this popular spring sport to begin.

TENNIS

One of the newer teams on our campus, the tennis team, will begin practice soon in preparation for their first Spring meet which will be held in mid-April against Wilmington College.

The team, coached by Mr. Ambrose, is looking forward to having new courts for the coming season. These courts will be located behind the gym.

Why don't you ask Jerry Thornton what connection he has to Mickey Mouse. We hear that he was serenaded by some girls in the choir.

Question of the week: What are the "Old Cats" going to do when they are deserted for baseball?

Could be that some of the guys from Science Hall have started a Humane Society for the preservation of mice and the cats on our campus. We hear that there are two "Rosemarys" on campus now. Ask Lane Moddy about the new one.

Speaking of Spring Fever, which we weren't, we see that Russ Gibson has the bug!

Hey Coach! what is this we hear about you and Rosetta Stone?

Is it true that Dody Hukill is trying to bump off her husband?
