A Parade of Elephants

Henke, Kevin

New York: HarperCollins Children's Books, 2018

9780062668271

The story follows a group of elephants as they march all day. It counts the elephants and talks about all the different directions the elephants go before finally resting when night comes. The book is good for beginning readers as it uses pictures to help define the words and uses lots of repetition. While the pictures are fun, they can be a little confusing. Recommended. Nicole J Spencer, Centennial Library Intern, Cedarville, Ohio.
