Lap Counter - Head Timer: Jennifer Paters, Red Card transporter: Tina Peters

Excellent Race from the gun as Gary Morgan jumped immediately into the lead and led Chad, Al and DAve through a first lap of 89-91 seconds. Dave immediately slowed down after that but the first three continued to cruise, hitting 1 K at 4 and 2K at just over 8 minutes. Al took control about the 8th lap.

The college guys warming up for the collegiate 10,000 race that followed the completion of the racewalk couldn't believe how fast these guys were moving. If I can get this kind of field again I'll have to have some propaganda to pass out to the spectators.
