The articles were from the pen of Mr. Hundley and are largely responsible for the position tendered him. It was only last June that Mr. Hundley resigned from the Herald force to accept a more lucrative position in a Chicago office. His writings have commanded attention of those connected in the newspaper world.

### A FOOL AND HIS MONEY.

"A fool and his money are soon parted." This is a saying as old as the hills and it is a true one. Here is a sample: A certain fellow who answered advertisements in cheap story papers has had some interesting experiences. He learned that by sending \$100 to a Yankee he could get a cure for drunkenness. And he did. It was to "take the pledge and keep it." Then he sent Get a good rubber, tire buggy of fifty 2-cent stamps to find out how to raise turnips successfully. He found out-"Just take hold of the tops and pull." Being young, he wished to marry, and sent thirty-four 1-cent stamps to a Chicago firm for information as to how to make an impression. When the answer came back it read. "Sit down on a pan of dough." It was in town Tuesday morning greeting a little rough, but he was a patient man, and thought he would yet succeed. Next advertisement he answered read, "How to double your money in six months." He was told to convert his money into bills, fold them and be Miss Ins Murdock entertained a would see his money doubled. Next. ie sent for twelve useful household ai ticles and got a package of needles. Walter Condon left yesterday for | He was slow to learn, so he sent \$1.00 to find out "how to get rich." "Work like the devil and never spend a cent," and that stopped him. But his brother wrote to find out how to write without pen or ink. He was told to use a lead pencil. He paid \$1.00 to learn how to live without work and was told on and Mrs. James Creswell, is suffering a postal card, "Fish for suckers, as

# Nervous Headache Breeds Insanity.

Many a person's whole pleasure in life is ruined by the fear of hervous headaches, Any little excitement, no matter what, business or social, brings them on. The feet and hands grow cold, the head is hot, the eyes stiff, the temples throb, and only in the quiet of a darkened room is relief obtained. This condition must be checked or It means complete mental ruin. To those people Dr. A. W. Chase's Nerve Pills come as a blessing. They do not stop, they cure the headaches. They do not blanket, they build up. They put the pervous tystem in a strong, vigorous, stardy condition-a condition that gives one restive power and enables them to again enjoy life's pleasures. Mrs. Kolbenstettar of 125 Clark St. Springfield, Ohio, says: I was troubled with evere nervousness, nervous headaches aud indigestion. I was advised to try Dr. A. W. Chase's Nerve Pills and got some and after taking three boxes of the pills I can say my nervous system is in splendid strape againthe old troublesome headaches entirely cured and the stomach and digestion I perfect order. I consider the medicine the best nerve tonic and health builder I ever took," For further information call of Ridgway & Co's, Drug Store, Cedarulle, O. 500 a hox at dealers or Dr. A. W. This is not a gentle word—but when you think how liable you are not to purchase for 75c the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Phroat and Lung troubles without losing its great popularity all these years you will be thankful we called your attention to Boschee's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bron-chitis, Croup—and especially for Con-sumption, where there is difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent size has just been introduced this year. Regular size 75 cents At all drug-
