Cedarville College's enrollment has quadrupled since 1953, the year of its incorporation as a Baptist Liberal Arts College. The total enrollment this semester is 428 in comparison with the 105 total in that year.

It is interesting to break down the total enrollment into classes and observe the increase through the years. This year we have 167 Freshmen, 131 Sophomores, 74 Juniors, 43 Seniors, and 13 Special students. Enrolled in Cedarville College in 1953 were 38 Freshmen, 9 Sophomores, 37 Juniors, 20 Seniors and 1 Special student.

Let's note last year's enrollment by comparison. In 1960, we had a total of 351 students. Of this total, 175 were Freshmen, 86 Sophomores; 48, Juniors; 31 Seniors; and 10 Special students. Each class has had an increase over its counterpart in the initial year of 1953 and its counterpart in 1960. There has been more than a 400% increase over the 1953 enrollment, but the total number of Freshmen, is slightly less than the total last year.

The Freshmen are not the only newcomers to our campus. We have 52 transfer students this year and 9 new faculty members.

Our new teachers this year come from the Midwest and South as is indicated by the list below:

- | | |
|---------------------|--------------------------|
| 1. Carol L. Barker | Bowling Green, Ohio |
| 2. Alberta Chaffe | Cedarville, Ohio |
| 3. Austin Elmore | Bloomington, Indiana |
| 4. L. B. Frye | Siloam Springs, Arkansas |
| 5. Ralph Gale | Chicago, Illinois |
| 6. John W. Reed | Stryker, Ohio |
| 7. James E. Russell | Siloam Springs, Arkansas |
| 8. Ruth E. Smith | Siloam Springs, Arkansas |
| 9. Rodney E. Wynn | Stryker, Ohio |

As you will notice in the column to the left, we have students this year from the North, East, South, and West, totaling a number of 33 states being represented. The state with the largest number of students enrolled in Cedarville College is Ohio with 164. Michigan is runner up with 64 (100 less than Ohio). There are 13 states with only one student enrolled.

As is evident, Cedarville College has set remarkable records since 1953. How long this pace can be kept is the question at hand. Will Cedarville College be able to enroll over 1700 students in the year 1969?

TEACHER FEATURES:

MR. BARKER

"... May I present Mr. Carol Barker." Some of you have met Mr. Barker formally; others have merely been told that there is a new registrar here by that name.

Mr. Barker, who comes from a family of five children, was born in Rudolph, Ohio, on July 27, 1929. He was graduated from Hillsdale High School in Michigan, and after graduation, attended Bowling Green State University for a year, transferring at the end of the year to Baptist Bible Seminary in Johnson City, New York. During his five and one-half years at Johnson City, he was an associate pastor of a church, and student pastor of a small Baptist Church in Pennsylvania, and after receiving the degree of Bachelor of Theology, he pastored a church in Binghamton, New York, for two years.

Mr. Barker left Binghamton in order to continue his studies in psychology at Bowling Green, receiving his B. A. in this field in 1960. He looks forward now to receiving his M. A. in psychology from the same institution in January.

While Mr. Barker was studying at Bowling Green, he evidently put some of his psychology courses (or would it be "social-ology?") to practical use, for that campus was the scene of a romance between Miss Lois Johnson of Bowling Green, and our registrar, and they were married in 1949. The Barkers have three girls: Christine, Jeannette, and Lynn, and the family resides at 112 Poe Lane in Xenia.

A registrar does not sit in his office, whatever the general opinion may be, practicing a toothy smile and buttery manner for dotting parents and gawky adolescents. His duties are a little more weighty than most of us realize. Mr. Barker assumes a great deal of responsibility concerning us students. Take a look at the way in which the registrar relaxes in his office. His duties are to:

1. check the credentials of all candidates for graduation, and for the various honors connected with academic success.
2. serve as secretary of the faculty and of important faculty committees.
3. organize materials for statistical use.
4. prepare material for education publicity.
5. edit the college catalogue and other official

6. prepare reports of various kinds relating to personnel problems of students and faculty.
7. maintain a bureau of information.
8. prepare and transmit to the Dean of Education and the Dean of Students a list of students eligible for scholastic honors, or subject to academic probation, to be arranged according to classes.
9. handle all matters relating to personnel accounting.
10. examine and pass upon the qualifications of students for admission to the college, and to serve as chairman of the committee on admissions.
11. direct the program of registering students in classes.
12. prepare and supervise the time-and-room schedules of classes.

Are some of you prospective registrars changing your majors? We are grateful Mr. Barker has shouldered this responsibility and pray God's assistance for him. It is his job to keep the records straight; ours to keep them clean.

MR. RUSSELL

We would like to welcome Mr. James Russell to the Cedarville College Faculty. He has come to serve us at our college in the fields of art and English.

Mr. Russell was saved at nine years of age and then followed the Lord's command in baptism.

He obtained his M. A. in the Fine Arts school at Ohio State University in 1939, and achieved the highest grade in the All Comprehensive Examinations in the Fine Arts. He then went to Asbury College in Kentucky to teach art from 1937-1939. He also taught at John Brown University from 1954 to 1959.

Mr. Russell was ordained in the Gospel Ministry in 1940 at the Trinity Baptist Church in Marion, Ohio. He pastored denominational and non-denominational churches from 1940-1960.

He became Church-Page illustrator for the "Cincinnati Enquirer." He was staff illustrator for the "Sunday School Times" for nine years, and designed missionary church bulletins for the "Cathedral Press."

He originated and conducted the television program "TELE-BIBLE TIME" over station KTUL-

TV, Tulsa, Oklahoma.

Mr. Russell conducts conferences and week-end meetings expounding the Word and illustrating it with slides of his "Sunday School Times" cartoons.

When Mr. Russell was asked how he liked his new position, he replied, "I love my new connection with Cedarville College and am in close agreement with its Biblical position and stand on separation."

COUNCIL CORNER

STUDENT COUNCIL REPORTS:

Many of you have been wondering what has been going on in Room 3 of the Ad. Bldg. Wednesday evenings at 7:00 and at various other times since school began this year. These things have been accomplished by the Student Council:

The members assisted in Freshman Orientation, involving a week of tours, open house, morning devotional services, testing programs, counseling sessions, recreational activities, parties, including the Big and Little Sister and Big and Little Brother Mixers, an Extracurricular Life program, a Singspiration, Freshman Talent Night, and Registration.

Taxi service was also provided for incoming students and paid for by Student Council. They secured pop machines for the dorms, and use this concession as a means of raising funds. There is a closer check being kept on traffic violations this year, and Student Council takes part responsibility in organization of and assignment for the Christian Service Dept. It was just voted to give \$15 of the Student Council Fund to the Christian Service Dept., to be designated for a speaker and record player for the Street Meeting Group. Also to this department will go 10% of each month's pop machine profits for needed supplies.

Student Council also clears new organizations who wish to have constitutions approved and become officially recognized. Officially recognized organizations may have a representative on the Council.

The members helped to coordinate the Red Cross Blood Drive here in Cedarville, and not only canvassed, but did volunteer work at the blood-mobile, and of course, gave blood.

They are at present revising their constitution in order to make it more effective. Future activities and projects, along with discussion notes, will be posted on the main bulletin board after the weekly Wednesday night meeting.

POLL:

"WHAT IS THE RESPONSIBILITY OF THE STUDENT COUNCIL?"

Rayna Butler - Freshman: "One duty of the Student Council, who are supposed to be our representatives, is to represent our ideas. Therefore, the members of the Council should take polls and ask the students themselves their opinions on matters to be brought up in student council"

Phil Buchanan - Sophomore: "I think the major service that the Student Council can render to the student body is to be attentive to their opinion."

Dick Bresson - Junior: "An appeal for student rights should be made by the Student

Council in order that practical viewpoints of the students can be put into practice."

Carole Boren - Junior: "To represent the student body's opinions and to present an accurate account of the administration's views to the students."

Donna Davis - Senior: "To represent the majority opinions of the student body."

Jathy Shelton - Senior: "To promote unity in all aspects of Christian life as it represents the student body."

Lois Kennedy - Senior: "Representative of the Students--not a ruling body."

LADIES AND GENTLEMEN:

Are you refined? Are you genteel? Well, if you are only a diamond in the rough, we have some organizations on campus whose purpose is to add a little polish. Two long-standing organizations in the realm of social refinement are Gamma Chi, and Alpha Chi.

GAMMA CHI

A women's organization, Gamma Chi seeks to develop in its members the promotion of the spirit of refinement and social tastes; the development of poise, personality and leadership on the Christian level. Gamma Chi held its Autumn Reception this year on Oct. 2nd, primarily to acquaint the Freshmen and new students with the society. Miss Smith presented a fine musical program, after which all those wishing to become members of the society were invited to join. The officers for this year are:

Jane Ginz - President
Rosa Lee Albrecht - V. Pres.
Judy Humphreys - Secretary
Donna Finley - Treasurer
Lois Jacobson - Program Chair.
Pat Barrett- Parliamentarian
Margaret Stowell - Soc. Chair.
Bonnie Nash - S. Council Rep.
Mrs. Maddox - Sponsor

The main event sponsored by Gamma Chi is the Valentine Banquet. This is something we will be looking forward to in the months to come.

ALPHA CHI

Alpha Chi, a men's organization, seeks to provide opportunity for the Christian man to develop culturally and socially. One of the club's chief goals is that each member live a consistent life of Christian excellence. The officers of Alpha Chi are:

Dave Earnhart - President
Otis Stone - Vice President
Warren Burnside - Sec'y-Treas.
Paul Gathany - Parliamentarian
Mark Haseltine - S. Council Rep.
Gordon Finley - Chaplain

The Club Project of most interest to the student body is the sponsorship and execution of the yearly Thanksgiving Banquet. However, as in other clubs, many activities such as lectures, field trips, concerts, and attendance at athletic contests are scheduled throughout the year, adding to a well-rounded and interesting program.

KAPPA DELTA XI

Also a women's organization, Kappa Delta Xi is a brand-new society which we are happy to welcome to the list of campus clubs. Last year a small group of girls wanted to start a new society that would rank well among the existing organizations on campus, and that would be important to its members. They started with about 35 girls with Mrs. Callan as their advisor. They chose the Greek name stated above, which translated, approximates the meaning, "Gracious Lady Servants of the Lord." Their purpose is "to stimulate an interest in and to provide an opportunity for the practice of gracious living," underscored by the verse, "A gracious woman retaineth honor..." Proverbs 11:16. Officers of Kappa Delta Xi are:

Hazel Brovant - President
Donna Thompson - Secretary
Donna Davis - Treasurer
Carole Lanus - Program Chair.
Betty Wall - S. Council Rep.
Mrs. Callan - Advisor

One business meeting and one social meeting are held each month. In the future, the girls would like to plan and carry out a major project, besides attending concerts, plays, and other activities.

HARRIMAN WINS
INTRAMURAL CROWN

Harriman, the small but talented team from the other side of the library, captured the intramural championship Saturday by slipping around Bethel, 25-18.

The game started with a bang, Harriman scoring the first touchdown on its sixth play--a pass from O'Bryan to Earnhart. Bethel bounced right back, when Al Biddle took the kickoff all the way for a touchdown. By the end of the first half, Harriman was leading 19-6, but Bethel was trailing by only one point at the end of the third quarter, 19-18. Harriman wrapped it up when they scored their final touchdown with only three minutes left in the game.

This victory, of course, entitles Harriman to the individual trophies, plus points toward the All-Sport Trophy awarded at the end of the year to the team that has accumulated the most points in football, basketball, and volleyball. This is still anyone's trophy, so don't give up now!

Final Standings:

	won	lost	tied	games behind
Harr.	6	1	1	0
Beth.	5	2	1	1
Book.	5	3	0	1½
Rife	3	5	0	3½
Cedar	0	8	0	7½

THERE'VE BEEN SOME
CHANGES MADE

Intramural football, this year under the able direction of Coach Callan's Officiating Class, has developed a better brand of football than has been played here before.

The teams each represent a boys' dorm, and each team has its own captain, co-captain, and coach, chosen by the players. Not only does each team strive to defeat other teams, but the added incentive of personal trophies for the members of the winning team, makes the competition stiff.

New rules, in addition to better organization, have done much to make for a better game. The biggest change allows more body contact, by permitting the blocker to assume a three-point stance. This stance allows the blocker to hit his opponent lower and harder. The game is also speeded up by permitting only 20 seconds for a huddle, instead of the usual 30 seconds. The addition of more uniform flags is another great improvement over last year.

The refereeing is improved this year by the presence of a third judge on the field. The referees, most of whom are members of the Officiating Class, have complete authority throughout the game.

These, plus other minor changes, have contributed to the more enthusiastic football games we have been watching.

PS. What price glory for the heroes of "touch" football? Graduates of Greene County Memorial Hospital are: Tom Evans, Mark Haseltine, and Bill Warfield. Recently enrolled were Otis Stone and Fred Goodwin, and who can count the myriad others who have received their baptism of fire? For all of you--a gold-plated band-aid! For others who have been hospitalized, a quick recovery and a medal for your "enthusiasm!"

THE OLD GRAY MARE, SHE AIN'T
WHAT SHE USED TO BE...

Thanks to the Varsity "C" Club, our gym has had a much-needed face-lifting. The fellows got together with 35 gallons of ceiling and 25 gallons of wall paint, and gave the old girl a facial that not only brought "ohs" and "ahs" from students, but pleased comments from trustees who were visiting here this past weekend. Credit for refinishing the floor goes to Mr. Tartar, and special mention goes to Phil Brower for pushing the project. Though not a member of V. C., Phil has been an active supporter of our sports program and a faithful and competent announcer of the games. We will see him demonstrating more of his flair for announcing as the basketball season gets underway.

Activities of Varsity "C" have only begun. They plan, as usual, to take care of concessions, but will also have charge of basketball programs and player introductions before the games.

As usual, initiation this year was a sight to behold! The speech-making "Romans" (bed-sheet variety) inducted into the club were:

Bob Ellis
Don Tennant
Tom De Lanzo
Jim Sprague
Dave Warren
Al Biddle
Dennis McDonald
Jerry Peifer

Congratulations; we know you can hardly wait for next year to wreak your revenge!

Officers of V. C. are:

Jim Grafton - President
Mark Haseltine - V. President

Rod Lane - Secretary
Norris Smith - Treasurer
Dave Jeremiah, - Co-chaplains
Jack Moffat

The club also looks forward to sponsoring a hayride soon, and continuing the improvement of the gym's appearance by decorating the walls with campus organization pennants, and the foyer with sports pictures and names of V. C. members.

CHEERLEADERS CHOSEN

Irene Lane; Ohio, Junior -
Two years varsity at another college

Judy Lachman; Ohio, Junior -
One year varsity - Cedarville

Donna Thompson; Ohio, Junior -
Two years' varsity - Cedarville

Bette Adamson; Iowa, Sophomore -
One year junior varsity - Cedarville

Pat Kaster; Iowa, Freshman -
One year high school varsity

Our cheerleaders are looking forward to a very active year. Besides leading us in some fancy throat calisthenics and making like airborne pretzels, they plan to organize the Pep Club with officers and a constitution, parallel to other clubs on campus. The members of Pep Club will have some type of uniform dress and perhaps a pin or letter for added incentive. The cheerleaders also have the responsibility of planning rallies, and have acquired the support of the pep band. With a club and a band, it should not be hard for you to get behind them and yell! Show the team and cheerleaders some spirit and they will do their best to show you some victories!

It was encouraging to see the number of girls who came out for the tryouts. Each one, we are sure, did her best, and we congratulate those who were chosen!

THANKS FOR YOUR GOOD
SPORTSMANSHIP...

in contributing to the Red Cross Blood Drive. There were 91 volunteers, and 200 volunteer hours chalked up. Eighty-five people came to contribute; there were 10 rejects, leaving a balance of seventy-five pints of blood donated, 33 pints of which were designated for Gale Rowland. Practical Christianity can go a long way, thanks to our volunteers and donors!
