An interactive *Where's Waldo*, but with a rather inept Waldo! Kids will need to help this silly bear learn how to hide before they can try to find him. *Find Fergus* will entertain your younger children and ease them into the genre of hide-and-seek books with a list of easy to moderate things to find on the foldout page near the end of the book. Parents and teachers alike can engage their pre-k to 1st-grade students with this delightful read-aloud. **Additional Purchase.** *Grace Kohler, Centennial Library Intern, Cedarville University*
