"REACHING ASIA AND THE WORLD" FROM GRACE, WESTERVILLE

March 3-7, Grace Baptist Church, Westerville held their annual missions conference, "Reaching Asia and the World." Special guests were Dr. Ken and Alice Cole and Dr. Phil and Becky McDonald, ABWE missionaries to the Philippines, and Mrs. Merle Brock, O.I.B. editor, and Special Representative for BMM Women's Department.

Dr. and Mrs. Cole have spent two terms in the province of Leyte involved in medical evangelism at the Leyte Baptist Clinic and Hospital. Their most recent term involved church planting in Metro-Manila, having begun Heritage Baptist Church. The church has grown to an attendance of approximately 240. The Coles are active in office Bible studies, discipleship programs, as well as raising their family of four children: Michael, Kevin, Katie, and Kraig. Because of school, the children stayed home in Indiana, where the Coles have been living during this furlough.

Dr. and Mrs. McDonald began their ministry in Bangladesh. Then, due to severe ear problems with their children, they transferred to the Philippines where medical service was more suited to the needs of their family. God opened their ministry in the Philippines where Phil is Academic Dean at Asia Baptist Theological Seminary. In addition to teaching, the McDonalds are active in church ministries and strategic planning for Field Missions. They have three boys who were with them: Matthew, Mark, and Nathan.

Their teaching sessions were via the main character, Mr. Bicycle, who took the children on exciting adventures and at the same time taught them principles from God's Word. These were emphasized, also, with songs, even the learning of an African song, an African greeting, and handwork. About 55 children attended in all with an average attendance of 24.

The conference was begun with a Missions Buffet Dinner on Saturday evening, with chopsticks proffered as eating utensils. The fellowship hall was brightly decorated with colored paper lanterns and festive centerpieces on the tables. The Abundant Life Singers from Cedarville College provided the entertaining and spiritual lift-off for the conference.

On Tuesday evening, the Women's Ministries had their regular meeting with Mrs. Cole and Mrs. McDonald while the men met with Drs. Cole and McDonald.

The folks, adults and boys and girls, were truly challenged for commitment to not only missions, but to serve the Lord right where they are.

Pastor of Grace Baptist Church is Murray Murdoch, also a professor at Cedarville College.

One of the unique features of the missions conferences at Grace is a Children's Missionary Conference which is held at the same time. This year, Mrs. Merle Brock conducted the children's conference, aided by able helpers from Grace. Emphasis for the children was "Missionary Helpers," teaching the children that they don't have to wait until they are grown up to be missionary helpers. They can give of their money and time; they can pray for the missionaries; they can write to M.K.'s (missionary kids), which they did; and they can tell their friends and relatives about the Lord Jesus. They also learned what missionaries have to do to prepare for the field: Passports (the children had their pictures taken), Immunization record (some thought they were going to get real shots), Visas, and airplane tickets.

They also talked about what is packed in barrels, food costs, sampled some food eaten by folks in Africa, studied many curios such as musical instruments, everyday cooking utensils, toys and other items that portray everyday life in some countries in Africa.

EVANSVILLE BAPTIST CHURCH, NILES WELCOMES NEW PASTOR

Rev. & Mrs. David Conrad

Pastor David L. Conrad began his ministry as pastor of Evansville Baptist Church, Niles on February 4, 1990.

Sarah, Paul & Joseph Conrad

Pastor Conrad was raised in the Highview Avenue Baptist Church of Akron. He is a graduate of Cedarville College (1980) and Grace Theological Seminary (1983) of Winona Lake, Indiana. He and his wife, Diana (Chapman), were married in 1979 and have three children: Sarah, 8 years, Joseph, 5 years, and Paul, 20 months.

The Conrads have served the past 6 years as pastor and family of Vermillion Baptist Church of Perrysville. Pastor Conrad was instrumental in leading that church into the O.A.R.B.C. in 1987 and the G.A.R.B.C. in 1988. Prior to this, Pastor Conrad served one year each in a part-time pastorate at Copley, Ohio and a student pastorate at Pierceton, Indiana.

Upon arriving in Niles, the Conrads were warmly greeted with a luncheon, a food shower, and a beautifully refurbished parsonage with new paint, new carpet and many extras. In addition, on February 16 a Sweetheart Banquet was held at the church for the entire church family. The Conrads were treated to a second food shower of "sweets:" candy, dessert mixes, fruit, and many gifts of love.

All of the services have been well attended. On February 11, three new families presented themselves for church membership, totaling 13 people in addition to the five Conrads. The pastor and people of Evansville Baptist Church anticipate the blessings of God in the days ahead.

Mark

"The Gospel of Jesus Christ" is the way
Mark begins this book.
There is no genealogy, at His birth we do
not look.
For Mark presents Jesus Christ as God's
servant Son,
And does not make an attempt
His lineage to run.

Here we see the Servant as He executed
His plan—
When He healed Peter's mother-in-law and
the palsied man.
How blind Bartimaeus one day was
enabled to see,
And when He found only leaves, how He
cursed the fig tree.

The Servant Son also worked, making evil
spirits flee,

Casting out Demons at Capernaum, also
in Galilee.
He cast out devils in the Tyre and
Sidon region,
And the maniac of Gadara He cast out
a legion.

Also in this book a miracle worker He
proves to be—
As He fed the five thousand and walked
upon the sea.
In the temple He taught them as the
merchandise leaves,
Saying, "My house is a house of prayer,
you have made it a den of thieves."

But they crucified God's Servant—hung
Him on the cruel tree,
As He cried, "My God, My God, why hast
thou forsaken Me?"
But God raised Him from the dead for He
had it all well planned,
And took Him up to heaven where He sits
at God's right hand.

As I See It

A View from the Desk of

LAWRENCE FETZER
STATE REPRESENTATIVE

COMMITTED TO THE GREAT COMMISSION

One of the more rousing public addresses delivered in our nation in this century must be Dr. Martin Luther King's speech "I Have a Vision." While in no way approving of his theological position, I do admire the way that man was able to motivate large numbers of people into action behind him toward the fulfillment of his vision. There is power in a vision to produce results.

A Biblical illustration of a powerful vision is found in the story of Nehemiah and the rebuilding of the Wall of Jerusalem. Nehemiah had received the distressing report of the condition of the city.

Neh. 1:2 - *And they said unto me, 'The remnant that are left of the captivity there in the province are in great affliction and reproach: the wall of Jerusalem also is broken down, and the gates are burned with fire.'*

Nehemiah immediately went to prayer, calling out before God, in confession of sin on behalf of his people, Israel. He then asked permission of King Artaxerxes to go to Jerusalem to survey the situation for himself. So he came to Jerusalem.

Neh. 2:12-13 - *"And I arose in the night, I and some few men with me, neither told I any man what MY GOD HAD PUT IN MY HEART TO DO at Jerusalem...I went out by night...and viewed the walls of Jerusalem, which were broken down."*

As he prayed, and studied the whole situation first hand, God began to lay a burden on his heart. Soon he was moved to share it with the people.

Neh. 2:17 - *"Then I said unto them, 'You see the distress that we are in, how Jerusalem lies waste, and the gates are burned with fire: COME LET US BUILD up the wall of Jerusalem, that we be no more a reproach.'*

The people responded to the vision that God had laid on the heart of their leader.

Neh. 2:18 - *"Then I told them of the hand of my God which was good upon me...And they said... 'LET US RISE UP AND BUILD.' So they strengthened their hands for this good work."*

RESULTS ACCOMPLISHED:

Neh. 6:15 - *"So the wall was finished...in 52 days."*

There you have it, folks. A dramatic Biblical illustration of the power of a Godly VISION to move people into action and accomplish great things for God. AND IT WILL WORK FOR US, TOO! Here is our vision:

VISION STATEMENT

We are the Ohio Association of Regular Baptist Churches. We are dedicated to the building of New Testament churches committed to fulfilling the Great Commission locally and throughout the world. No one of our churches can accomplish this alone. We draw together to strengthen and sharpen one another through mutual encouragement and edification. As a fellowship we will impact our state and the world for Christ.

This month I am concerned about the phrase: "We are committed to fulfilling the Great Commission."

As I drive about the state of Ohio visiting our churches in every part of the state, (I have been in more than 45 already) I have become keenly aware that there is much more to be done to evangelize Ohio. In some parts of the state, our presence is non-existent. Of the 88 counties in Ohio, 24 of them have no OARBC church. These 24 unreached counties have a combined population of 1,062,200 souls, the vast majority of whom are untouched by the Gospel. We have a long way to go.

If we are, indeed, the Ohio Association of Regular Baptist Churches, should we not have, at the very least, one church in each county of our state. The Great Commission tells us to go into all the world with the Gospel message. Jesus told the disciples to begin the spread of the Gospel right at home (in Jerusalem) and then spread out from there to the immediately surrounding area (Judea) and then ultimately beyond (to Samaria and the uttermost part of the earth). We certainly do believe in overseas missions, and would in no way detract from that, but have we in the OARBC forgotten about missions in the needy field of Ohio. Our VISION STATEMENT would call us back to "fulfilling the Great Commission locally."

Your leaders of the Council of 12, have been concerned about the lack of effort in CHURCH PLANTING in our state, and are in the process of doing something about it. A subcommittee is now at work on the problem. It is called the TASK FORCE ON CHURCH PLANTING. It is made up of pastors representing the local area pastors' fellowships from across the state. The committee has recognized that the only way to get the job done, is to refine our vision in this area, and proceed to set goals, and formulate specific plans aimed at accomplishment.

On February 5, 1990, the Task Force presented their report to the Council of 12. In brief, their recommendation is that the OARBC add another full-time man to our staff to serve as a State Director for Church Planting. This would be a man who would specialize in working with our churches in motivation and procedure. He would be an idea man, an implementer, and an authority on the area of church planting. He would be an advisor and a helper, available to all the churches of Ohio, and all our local fellowships. He would work very closely with the State Representative.

The Council of 12 unanimously accepted the recommendation, and assigned the Committee to proceed with a job description, a plan of finance, and a search for the right person. These steps are now underway. The goal is to have a firm program to present at the Annual Conference meeting in Chillicothe, October 22-24, 1990, for approval by our churches, and, hopefully, to have a man on the field shortly after that.

To me, the whole idea is exciting. I have come to realize that the State Representative simply cannot fulfill this function along with all his other duties. The only way the need will be met in Ohio, is for us as a fellowship to realize the immensity of both the need and the op-

B. Ben Reed

Program Committee

Pastor G. Ben Reed was elected to Council this year, but is not a newcomer, having served on Council from 1984 to 1987. He has been given the responsibility of Program Chairman and already has Annual Conference plans well under way.

Brother Reed is pastor of First Baptist Church in Niles, where he has been since May of 1981. Before coming to Ohio, he served churches in Virginia and South Carolina. He is a native Ohioan, however, having been raised in Akron.

Repeating from the previous write-up, concerning his call to the Lord's service, Pastor Reed says:

"During the early months of 1967 God began dealing with me concerning what I was doing with my life. It was a real struggle trying to sort things out. I had worked for the A&P Food Markets for ten years and was successfully moving up to the management positions.

"Even with the apparent success there was not the inner peace. I began seeking another line of work, but this was not God's will and it brought frustration. I confided in my pastor the struggle I was having and, through his counsel, I began to seek God's will for my life.

"In the summer of 1967 a Gospel team from Piedmont Bible College was ministering at our church. It was at the conclusion of that service that I surrendered my life to the Lord and His service. Matthew 28: 19,20.

"Little did I know that two years prior to this my wife had confided in our pastor that she believed that God would have her in some kind of Christian service.

Together they had been praying that God would speak to my heart and He did. I had accepted the Lord as my Savior at the age of nine. Now I was 27 and our son Benjie was two years old."

Having graduated from East High School in Akron, Ben attended Akron University from 1959 to 1965 on a part-time basis with courses in business and elementary education while working in the business world. He graduated from Piedmont Bible College in 1972 where he earned his THB degree.

Mrs. Reed (Pam), also a native Ohioan, raised in Stow, is a graduate of Kent State University and taught for ten years in the elementary and middle school grades. She is responsible for the starting of a new Mothers' Club in their church. The Reeds have two children: Benjamin, who is a fireman in the Niles area, and Becky (Humphreys), who is living in Georgia and attending engineering school.

Pastor Reed's favorite verses are:

Proverbs 3: 5,6 - *"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."*

Philippians 1:6 - *"Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ."*

His desire as a pastor is briefly stated as "to be faithful in presenting Christ and Him crucified."

"SUCCESSFUL" CELEBRATION AT FIRST, VALLEY CITY

Mr. & Mrs. Lyon, Mr. Pauley, Dr. Hutson, Dr. & Mrs. Wiltheiss

Dr. and Mrs. Jack Wiltheiss celebrated 23 years of ministry at the First Baptist Church of Valley City, Ohio on February 18, 1990.

It was a beautiful sun-shiny day and the church broke its attendance record with 507 attending.

Pastor Wiltheiss gave special recognition to two families who had been Charter Members: Mr. & Mrs. Odys Lyon, Medina and Mr. Roy Pauley of Valley City. They have labored faithfully for these 23 years with the pastor. They helped to start the work, build the church, and are faithful to the services of the church each week.

Dr. Curtis Hutson, editor of *The Sword Of The Lord* was the guest speaker. Dr. Hutson is a dear friend of Dr. Wiltheiss and has come for the past 12 years for the pastor's Anniversary Sunday.

A heart-shaped key chain with the inscription, "You're The Heart Of Our Success" was given to each one attending.

A large heart-shaped door entrance, which everyone had to enter through, was made with the theme, "You're The Heart Of Our Success" posted above the entrance.

Many decisions were made that day and praise to the Lord was given for all that has been accomplished these 23 years.

OHIO PASTORS PARTICIPATED IN PROJECT H.O.P.E.

Two pastors arrived back in Dayton in February after participating in the largest evangelistic campaign ever held in the Philippine Islands.

Dennis Henderson

Dennis Henderson, pastor of Shawnee Hills Baptist Church in Jamestown, and Daniel Gelatt, pastor of Washington Heights Baptist Church, Dayton took part in the campaign known as "Project H.O.P.E." along with fifty-three other American pastors. The group conducted more than 650 meetings over the two weeks in the Philippines with the goal of assisting missionaries and Filipino pastors in their work of church planting and discipleship.

Pastor Gelatt said that he began work on the campaign three years ago when he served on the staff of the Association of Baptists for World Evangelism (ABWE), a mission agency located in Cherry Hill, New Jersey.

Daniel Gelatt

"We began to see an increased response to the Gospel message in the last six months. We felt that this was an ideal time to share the message of hope found in Jesus Christ," he said.

The pastors used a variety of methods to attract the attention of the people during their indoor and outdoor meetings. Pastor Henderson used his skills in chalk artistry in both large meetings in the capitol city of Manila and in remote villages. Pastor Henderson said the Filipino people have great respect for Americans and, consequently, he had opportunities to speak in public schools and other public areas that national Christian leaders would not have.

It is hoped that the goal of starting dozens of new churches will be accomplished through the follow-up efforts of ABWE missionaries and Filipino Christian leaders.

Pastor Larry Green of Midview, Grafton also participated in the project and arrived back home in time to say farewell to his people before he went to Michigan to begin his new ministry.

NEW PASTOR WELCOMED AT ALTON ROAD, GALLOWAY

Pastor Don Applegate & family

On November 1, 1989, Alton Road Baptist Church, Galloway welcomed their new pastor, Donald L. Applegate and his family to their new place of service.

Prior to his call to Alton Road, Pastor Applegate served nine years as pastor of East Lindley Baptist Church, Corning, New York.

The Applegate family includes Mrs. Applegate (Deloris) and nine-year-old son, Daniel.

Psalm 92:1, "It is a good thing to give thanks unto the Lord and to sing praises unto Thy Name." Since the Applegates arrived, three couples have joined the church. An eight-year-old girl trusted Christ and was baptized in February. An encouraging baptismal service with five candidates was held in January. The church also installed an auditorium sound system.

Pastor Applegate is a Pastor Missionary under Baptist Mission of North America (BMNA). The church is on mission status.

Pastor Applegate's prayer is for wisdom in planning and carrying out outreach ministries into the growing Galloway community.

PERSISTENCE PAYS

At the end of the day, a life insurance salesman was finally admitted to see the big boss. "You should feel honored," said the boss. "Do you know that I have refused to see six insurance men today?"

"I know," said the agent with tireless enthusiasm. "I'm them."

What a WONDERFUL lesson to Christians! How many visits does it take to finally get that opportunity to win a soul to Christ? How many calls does it take to get to make that visit?

While it is always true that the only place you will ever find a lost article is in the last place you look, you will never find it at all if you stop the first time and in the first place you look. Souls are almost never won with one phone call or with one visit.

THE
BUTTON FAMILY
 FOR KIDS

by PATRICIA CONANT

The Best Grade

"What is wrong, Bobby? Why aren't you hungry this morning?" Mommy Button asked as she poured milk on Suzy's cereal.

"I guess I'm just really scared about my science test," he answered.

"Didn't you study?" Daddy wanted to know.

"I studied hard, but I keep forgetting things." Bobby put his chin in his hands. "I wish this day was over."

Daddy Button opened his Bible. "Let's find a verse for you, Bobby," he began. "The Lord wants you to do your best, so if you've tried, I'm sure He'll help you."

"Maybe this one will help you remember that the Lord will be with you."

Daddy read, "The Lord is my helper."

Bobby said the words over again to himself. "Can we pray too, Daddy?" he asked.

"Of course we can," Daddy prayed first. Then Bobby prayed.

"Dear Heavenly Father, help me to do my best work today for you. Amen."

Bobby said his verse over and over again on the way to school.

The test didn't seem too hard after all, and Bobby was pretty sure he had done well.

Before they went home, Bobby's teacher handed out the graded tests.

Bobby was really pleased to find he had 100% of the questions correct.

Sam Harper peeked at Bobby's test. "Wow, you got them all right," he said. "No one else did that. How did you do it?"

"Guess I'm just smart," Bobby said.

The bell rang to dismiss the children, and Bobby met Suzy in the hall.

"Suzy, look at this," Bobby called. "I got all the questions right! I'm just about the smartest kid in my class."

Bobby ran nearly all the way home with his good news.

He showed his test to Mommy and Daddy. Then Bobby told them how he did better than anyone else.

"I knew I could do it," Bobby said proudly.

"We are proud of you, Bobby," Daddy said, "but aren't you forgetting to thank your Helper?"

"What he... Oh, you mean the Lord, right?" Bobby asked. Daddy nodded.

"I'm sorry," Bobby said. "Can we thank Him now?"

The Bible says:

"Better it is to be of a humble spirit..." Prov. 16:19

**ON TARGET
 WITH
 MISSIONS**

By V. Ben Kendrick, D.D.
 Midwest Deputation Secretary
 Baptist Mid-Missions

"Missions in its every aspect and outreach is the lifeblood and the heartthrob of the church." The tremendous truth of this statement by Dr. Arthur G. Fetzer, beloved former administrator of Baptist Mid-Missions, finds its basis in the Word of God. This divinely inspired fact is vital to the cause of missions and should never be diluted or overlooked even in the slightest way in one's involvement and promotion of our world-wide cross cultural ministry.

Rev. Robert Collins, presently working in the Spanish Literature Publications outreach of Baptist Mid-Missions, was right on target when he said, "The local church is God's chosen instrument for world evangelism." Your writer is a firm believer that God has entrusted to the local church the responsibility of reaching the peoples of the world with the Gospel of Christ. Missions work, as I understand it, is to be carried out through the auspices of the local church which has that mandate from the Lord.

Some of these thoughts have appeared in previous ON TARGET WITH MISSIONS articles but they are of such importance that they certainly merit repeating. The Bible clearly teaches that the Holy Spirit calls missionaries. The local church, in recognizing that call, has the responsibility and the privilege of sending them forth. In other words, the local church looses them and lets them go to do the work that God has called them to do.

We must keep in mind that God, in choosing the local church to evangelize the lost peoples of the world, has directly involved individual people since local churches are made up of people. Nowhere in the Word of God does your writer read or hear of any other methods of reaching the lost with the Good News of the Gospel in the ministry of missions than that of using people.

Since the local church plays the major role in global evangelism, then the cutting edge of the ministry must be closely guarded, well honed, and ready for use at all times. In other words, missions should be in a priority category and must always be given that prominent place in the program of the local church.

Having said this, the question immediately arises as to how this can be done. How can missions be taught and promoted in the local church in a way that will result in a well-balanced ministry? I have seen a few churches that have emphasized missions to the extent that other important areas of the church ministry suffered, including proper care of the pastor and his family.

On the other hand, there are churches that have such a weak approach to missions that one would get the idea that the blessed global responsibility did not even exist. In putting these thoughts down on paper, there are churches that come to mind that, to me, are excellent examples of a good healthy involvement in missions. The individual church family members think and talk missions. They know the names of their missionaries and where they are located. One does not have to be in churches like that very long to sense that good missions atmosphere. It is always a special joy and blessing to visit such churches and to challenge them for missions.

A church of about 300 people met one time for a fellowship dinner. Part of the activities that night was focused on missions. The moderator passed out slips of paper to each one, along with pencils. He then asked the church family to write down the names of the missionaries supported by the church and also the country in which they ministered. The papers were then collected. It turned out that there were only two correct answers among all of the people. One was the missions treasurer, who sent out the checks for missionaries, and the other was his wife.

I am sure that this is an unusual case and that most churches in which I have ministered would have far better results than that. It does raise a point, however. How much do you know about the missionaries supported by your church?

What are some of the ways to promote missions in the families of the church as well as in the church family? Dr. Quentin Kenoyer, Medical Director of Baptist Mid-Missions, has written excellent material on how to promote missions in the home. His suggestions are excellent, especially when there are children in the home. Dr. Kenoyer's material can be obtained by writing to Baptist Mid-Missions, P.O. Box 308011, Cleveland, Ohio 44130-8011.

The Annual Missions Conference is not out of date and can be a very useful means to promote missions in the church. The length of the conference, the number of services, the number of participating missionaries, etc. are flexible. The conference activities such as meals, program, financing, among other things, should be well planned. God honors good, thoughtful preparation. Nothing should be done for the Lord in a haphazard way. He deserves our best.

The activities of a missions conference can be very exciting and interesting. Placing a telephone call (where possible) with missionaries on the field during a conference can be a very special event. Arrange it so the call can be played through the church's audio system.

Involve the children of the church by having a mini-conference for them. An increasing number of churches are doing this. Simply use the missionaries who are there for the annual church missions conference. The children can see audio-visual presentations, hear stories, and even learn songs in foreign languages. These can be sung by the children later on in the conference for the church family.

The foreign food carry-in fellowship dinner is still high on the list of interesting things to do. The people of the church prepare various foreign foods for the event. Each dish is labeled as to what it is. The missionaries can also participate by bringing in a particular food representing their country.

Decorations are always in order for the missions conference. A hand-made poster contest among the various age groups of the church is a challenging way of involving more of the church family. These can be posted for all to see during the conference. The missionaries can be the committee to choose the winners of the poster conference.

Some mission agencies will provide wall posters, place mats, song sheets, flags, and other materials to enhance the atmosphere of the conference. Last, but not least, don't forget a conference theme and a banner.

These are not new ideas but they are still appealing and can help give your missions conference a boost.

Remember, there are some basics that don't need change. The command to go is as much a command today as it was when our Lord spoke the words. God uses people to do His work and the local church is still God's chosen instrument for world evangelism.

TERRESTRIAL OR CELESTIAL

Our journey through life is like
 A voyage on the sea,
 The waves mount up and we
 Make our plea —
 Lord set my feet on some firm
 Solid land,
 Where I can build my castle
 And expect it to stand.
 But what can one do when
 Terra firma begins to quake,
 And the whole wide world
 Begins to shake —
 When the castle we erected
 So firm and sound,
 In a moment of time lies
 Crumpled on the ground?
 There seems to be no place on
 Either sea or land
 Where a mortal can build and
 Be assured 'twill stand
 So, when terra firma quakes
 And the waves begin to roar,
 We should set our compass toward
 Another shore.
 There our Lord has gone to
 Prepare us a place,
 Where some day by virtue of His
 Marvelous grace,
 The redeemed of planet earth
 Will all be taken,
 To a celestial land that
 Cannot be shaken.

A WOMAN'S INTUITION

While traveling through this world
 There is many a puzzling design,
 To figure them all out would
 Baffle an Einstein.
 But there is one thing for which
 Science has no explanation...
 How to find the source and origin of
 A woman's intuition.
 In things unbelievable and
 Difficult to explain,
 When facts are hard to come by
 And no arguments remain,
 When backed to the wall without
 Further investigation
 She will confidentially announce, it's
 A woman's intuition.
 When disagreements occur as they
 Very often will —
 When she has no logical basis
 Her assertions to fulfill,
 When pressed to give a reason
 For her final resolution
 Like a judge who wields the gavel, it's
 A woman's intuition.
 So let us use this mystic weapon
 And at the ballot box retrieve
 This most intuitive wisdom of
 The descendants of Eve,
 Who in turn will solve all problems
 With a feminine solution,
 As she wields that secret weapon
 A woman's intuition.

TRANSPORTATION COSTS FOR PASTORS

Maintaining an automobile by a pastor for church business may be quite expensive over his life as a pastor.

Probably most pastors have not analyzed the costs of owning and operating an automobile. Let's make some assumptions and arrive at some comparisons.

We shall make the following assumptions:

1. Cost of regular unleaded gasoline per gallon - \$1.00.
2. Miles driven each year will be 20,000.
3. Trading will be done every four years.
4. Three types of automobiles will be compared.

Costs	USED Large Car	NEW Small Car	CLASSIC Automobile
Odometer reading at purchase	25,000	-0-	75,000
Cost	\$4,000	\$12,000	\$5,000
Value at Trade	1,000	5,000	7,500
Depreciation/Appreciation	\$3,000	\$7,000	\$(2,500)
Average Miles per gallon	15	30	15
Fuel \$1.00 = 6.67¢/mile			
15	\$1,334(1)	667(1)	\$1,334(1)
\$1.00 = 3.33¢/mile			
30			
Insurance	300(2)	420(2)	300(2)
Repairs	400	150	600
License	50	50	50
Depreciation:			
\$3,000 = \$750			
4 yrs.	750	1,750	(625)(3)
\$7,000 = \$1,750			
4 yrs.			
Appreciation:			
\$(2,500) = \$(625)			
4 yrs.			
Interest - Imputed			
\$4,000 X 7% = \$280	280(4)	840(4)	350(4)
12,000 X 7% = 840			
5,000 X 7% = 350			
Total Annual Cost	\$3,144(5)	\$3,877(5)	\$2,009(5)

Conclusions:

1. Fuel cost is not the only cost to consider.
2. Collision insurance is not necessary for the older autos. Collision insurance will be added when the classic car becomes more valuable.
3. The classic car does not depreciate, it appreciates. There are some autos being driven regularly on the highways today with more than one million miles.
4. Interest costs are not considered by most drivers. Think about this cost. Whenever you take a sum of money out of your savings in a bank to buy an automobile, you lose the chance to earn interest on that principal for life. This cost is significant when you draw out a larger sum to buy a new auto. The interest cost is more significant when you borrow the purchase cost and pay a higher rate of interest.
5. The new fuel efficient automobile will not always be your most economical transportation cost.

"TOTALLY" TEENS

News and Views for Teens
and Those Who Love Them

PARENT-TEEN COMMUNICATION by Max McCullough

Communications has been defined as the transmission or exchange of ideas, information, etc., as by speech or writing. As the parent of two teen-agers, I have discovered that talking to a teen can be like talking to a brick wall or it can be a very delightful experience.

I ask myself, "Why the difference?" We are the same people and yet why do we sometimes communicate and other times walk away totally frustrated?

To discover the answer to this puzzling dilemma, I sat down with my teens. Together, we concluded that the following guidelines, when followed, were of great value in promoting effective communication.

1. Be considerate of the other's feelings
2. Share your inner feelings
3. Don't use words or phrases that are too easily misunderstood
4. Don't have an overly critical attitude
5. Don't use belittling words
6. Don't change the subject when it gets too uncomfortable
7. Don't be sarcastic
8. Don't nag
9. Don't choose peace over sharing honest feelings
10. Don't make excuses
11. Don't clam up
12. Don't daydream when the other is talking
13. Don't get upset when the other disagrees with you
14. Don't manipulate
15. Be sensitive
16. Compliment
17. Honestly try to see and listen to the other's viewpoint
18. Don't monopolize the conversation
19. Speak in a loving manner
20. Encourage the other to share thoughts and feelings
21. Choose the right time to talk
22. Attack the problem not the person
23. Tell them you love them
24. Don't be preoccupied/give undivided attention

These may not be exhaustive, but they will get you off to a good start. They apply to both the teen and the parent. Sometimes we as parents must make sacrificing concessions if we are going to effectively communicate with our teens. For example, my girls generally want to open up and talk when it is time for "normal" human beings to be tucked in bed. However, I have discovered that we have some of our greatest open communication during these "early morning" hours. Let's be careful we don't expect our teens to behave and think like adults. They are still teens!

RUDY ATWOOD CONCERT

Rudy Atwood will perform a sacred piano concert at Faith Baptist Bible College and Seminary on April 21, 1990 at 7:00 p.m. in the Convocation Building.

Rudy Atwood has remained a pianist in the traditional manner since his years with Dr. Charles E. Fuller's Old Fashioned Revival Hour radio program. His concerts have taken him through the United States and Canada, where he has played in churches large and small, and in many of the large halls and auditoriums, including Madison Square Garden, Boston Garden, and Constitution Hall.

He was an innovator in the days when hymn arrangements were non-existent. He has been called "the most imitated pianist in gospel music." Today, his piano arrangements of great hymns of the church and beloved gospel songs capture the grace of classical music. With over 500 hymns in his repertoire, he is both a pioneer and a bridge, keeping alive the love for traditional hymns. Rudy's fine musicianship and melting harmonies challenge, comfort, and bless Christians everywhere.

YOUTH CONFERENCE

Faith Baptist Bible College and Seminary will sponsor the 1990 Youth Conference Thursday-Saturday, April 5-7. The theme for this year's conference is "Reaching New Heights for Christ."

A variety of activities are planned. On Thursday night, the teens will watch "Where Your Treasure Is," the 1990 Spring Drama Presentation. It features a search for hidden treasure, a robbery, and a romance. Following the play will be a time of fun, food, and fellowship.

Friday's schedule will include a taste of college life as the teenagers visit classes and chapel. The afternoon events will include a pizza party and activities and Friday night's banquet will be a night to remember. Mr. Bartemus will close the Conference with the final message on Saturday morning.

Dr. John Hartog, III will teach the seminar. Currently, Dr. Hartog has ministered in various capacities including Chairman of the General Education Department and Head Librarian of Faith Baptist College. He has authored Sunday School curricula for Regular Baptist Press and has written the *Enduring to the End: Jehovah's Witnesses and Bible Doctrine*.

The Summer Ministries Teams are oriented toward service. They seek to encourage believers to grow in the Lord and to challenge unbelievers to accept Christ as their personal Savior. Each team includes a speaker and a musical ensemble. The music chosen is edifying, uplifting, and glorifying to the Lord.

The teams traveling this summer are Sounds of Triumph, which will travel in the Midwest; Servant's Heart, which will travel in the Great Lakes region; and Faith Alive, which will visit the southeastern portion of the United States.

If your church or camp is interested in having one of our teams visit, please contact Mr. Tim LaFleur, Extension Coordinator.

CEDARVILLE STATE CHAMPS IN FORENSICS

Cedarville College Forensics Team

The Cedarville College forensics team recently won the state forensics (speech competition) championship. The award is based on sweepstakes points accumulated during the two Ohio State Forensics Association tournaments.

The State Novice Tournament was held Feb. 9-10 at The Ohio State University and the State Varsity Tournament at Youngstown State University Feb. 23-24. Cedarville accumulated 480 points, The Ohio State University was second with 301 points, and Bowling Green State University was third with 287 points. For the past six years Cedarville has topped other colleges in state competition, but this was the first overall state championship.

"Many of my students have told me that forensics competition is the toughest and most rewarding work they do during their entire college career," stated Dr. David Robey, associate professor of communication arts and director of Cedarville's forensics program. "Intercollegiate forensics is a dynamic forum where our students compete on an academic and aesthetic basis with some of the best and brightest speakers in the nation."

The 20 students involved this year spend many hours each week preparing contest literature and original oratory for competition in numerous tournaments throughout the school year.

As for winning the state championship, Robey said, "To God be the glory."

LOWER COURT RULING UPHELD

The U.S. Supreme Court upheld an Urbana, Ohio, court case last fall, and Cedarville's Dr. Raymond Bartholomew was an "expert witness" in the lower court ruling. When the town's obscenity law was challenged by the sale of certain pornographic magazines, Bartholomew, Professor of English and Chairman of the Department of Languages and Literature, was called upon to prove the non-literary value of the publications. Urbana's City Law Director said that the high court decision established standards by which the city can judge other magazines.

ALUMNUS OF THE YEAR

Congratulations are due James Reese ('61), winner of the 1990 Val Osdel Trophy. Jim was surprised with the honor at the Tuesday evening session of Bible Conference, where he has served as songleader the last eight years.

Raised in a pastor's home, Jim has been in ministry all his adult life. After pastoring Moline Baptist Church, Moline, MI, while he attended seminary, he was soloist and music director with Canadian Baptist evangelist, Ken Campbell, from 1961-78, conducting over five hundred crusades. Then in 1965 he founded Christian Horizons, a ministry to the handicapped. He began his ministry at Benton Street Baptist Church in Kitchener, Ontario, in 1978, and became senior pastor in 1983. He has composed over one hundred gospel songs, recorded several albums, and continues his ministry as song leader-soloist at many conferences. Jim and his wife, Adrienne, have five children.

LADIES RETREAT SPEAKERS SCHEDULED

Sisters Jennie Dimkoff and Carol Kent will be the featured speakers at Ladies Retreat May 21-23. Though both have been here before, and though they speak together around the country, this is the first time we'll

be enjoying these dynamic ladies as a duo!

Retreaters will again have the option to take in the full three-day retreat or to "Take a Day" either Tuesday or Wednesday. Regular attenders will note that the date has been changed from the early June time in order to accommodate requests to move away from the busy, end-of-the-school-year activities of the first week of June. Write for a brochure to **LADIES RETREAT**, 1001 E. Beltline N.E., Grand Rapids, MI 49505.

DISCOVER DAY SCHEDULED

Grand Rapids Baptist College invites prospective students to join others at its spring Discover Day, April 27. Students, parents and youth sponsors may visit classes, eat in the Student Center, and learn more about the College's program and financial aid. Students may stay in the dorm as well. Visitors are welcome to attend the evening performance of *Fiddler on the Roof*. To make reservations, call 1-800-354-0271 (MI) or 1-800-354-0272 (USA).

CHANCEL SINGERS MINISTRY

Music—Ministry—Mission. With these three goals uppermost, Grand Rapids Baptist College Chancel Singers, with the support team of over thirty parents, friends and administrators, completed their Hawaii '90 Tour on Jan'y 15...tired,

tanned and very fulfilled.

Their music was designed to clearly share the gospel. Songs, including "Jesus Saves," "Create in Me a Clean Heart," and "Unshakable Kingdom," rang in the dozen concerts given at Pearl Harbor, malls, schools and churches.

Chancel Singers were serious about their mission. They designed a special tract for the trip which shared their purpose and explained God's plan of salvation. Two thousand of these tracts were personally handed out to pilots, service people, passers-by at the malls, and folks everywhere there was interaction.

Dr. Galloway, director of the group, returned with many requests for a "repeat" of the missions trip and invitations to visit other islands and schools.

Many hundreds of parents, relatives, churches and friends sponsored these young people. All were invited to a special "thank you" concert. The Chancel Singers final concert in March featured the choir with the Third Dimension, a special drama team within the group, presenting *The Living Spectrum*, an inspirational drama and music program written by student Randy Wyatt, which portrayed what God has done in the lives of several of the choir members.

Gordon Home recently retired as President and Chief Executive Officer of Guarantee Company of North America, a Canadian property casualty company headquartered in Montreal. He and his wife, Olive, are grateful for the Christian liberal arts training their children, Marilyn and Mark, received at Cedarville College.

Canadian Couple's Goals for Their Children Realized at Cedarville College, U.S.A.

"Olive and I have strong convictions about the distinctives of our faith. So we were quite interested in encouraging our children to attend a quality, liberal arts college where our values and beliefs were not only taught but also modeled. We were glad when we found Cedarville College in the U.S.A.

"We wanted our children to learn in an accepting, friendly atmosphere. We knew we had found this when we saw the 'Welcome Canadians' sign upon our arrival in Cedarville that first year.

"We were especially impressed with the breadth of Cedarville's academic programs. At that time our children were not sure in which area to major, but we were confident that with our prayers and the help of concerned Christian faculty, God would direct them. And He did.

"Marilyn and Mark have graduated now. As we reflect upon their experience, we realize several other benefits Cedarville afforded them.

"Their academic preparation was first-rate. Marilyn has taught successfully in Canada and in the States. And Mark has received excellent opportunities in business and is furthering his education in an M.B.A. program.

"Most important though, our children grew spiritually while they studied. They attended classes that were taught from a biblical perspective, and they matured in their Christian walk through meaningful extracurricular activities. Marilyn developed a compassion for people through ministries in the U.S.A. and Australia. And Mark received important Christian leadership experience as the College's first Canadian student body president.

"Now that Cedarville has helped us realize important goals for our children, it is clear to us that this College was the right choice."

Saddle Sayings From SKYVIEW RANCH

The Ranch's winter retreat season is over and what a successful season it was. Each week saw decisions made as the Lord worked at the Ranch, a place set aside by God. Attendance climbed higher again this year with 64 at our Singles retreat; 99 & 83 at our Teen retreats; and 29 & 95 at our Junior retreats. Other church groups use the Ranch each winter for activities, too, such as youth group retreats, deacon retreats, and a Campus Bible Fellowship retreat.

Many of our summer campers come back to the retreats to meet the friends they made at camp during the summer and receive another boost in their spiritual growth. We asked several of the Senior High campers to give testimonies of the impact Senior High week made on their lives. The impact of that one week during the summer when they were challenged to make a decision for Christ at the Ranch has lasting effects. For some it's a part of a gradual spiritual growth process. For others it was the point when they made a complete turn-around in their life and since then they have been steadily growing in the Lord. Some found a new faith in Christ when they did not believe in God before they came to camp. One boy decided to visibly stand as a Christian on the football team.

As an outreach ministry of the church, Skyview Ranch is on the leading edge of effective evangelism and discipleship to young people and families. The ranch's program effectively reaches out to the needs of young people today. In a program designed to make the Ranch a Christian learning center, action-filled days with a great variety of activities are integrated with the principles of God's Word to change lives.

In fact, a week at Skyview is more than a good time — it's a forever experience.

God becomes real to our ranchers through the discipleship of carefully selected and trained counselors and specially chosen speakers. We show love and friendship to our campers that allows us to guide campers into a relationship with Jesus Christ and His Word. We know their needs and understand their problems, and we've put together an exciting and attractive program to meet those needs.

FAMILY CAMP

SVR family camps offer a true family vacation, a refreshing change from the normal vacation routine. We provide the services needed so mom and dad can relax, too. We feature 15 of the Ranch's greatest meals, morning conference programs for all ages, a Christian family atmosphere, daily program options, babysitting, table service, and much more. The whole family can be together for recreational and spiritual refreshment.

SENIOR HIGH CAMP

Totally different than any of our other programs, this action-packed week is meant to be a week of spiritual excitement and training that will not be forgotten. There is no room for idle spectators in this week. We get ranchers involved in a dynamic program that brings them back each year for another week of challenge in their Christian walk.

FUND ESTABLISHED TO PROVIDE FOR SUMMER COUNSELOR SALARIES

One of the Ranchers who gave her testimony at the Ranch this winter said, "When I came to Skyview last summer I was really surprised. I had worked at other camps before but I was never treated like I was at Skyview. When I got there my counselor really let me know she wanted to be my friend. She really listened to me, the whole staff was that way. By Thursday I really wanted to talk

with my counselor about my problems because I knew she cared."

Skyview has great programs and facilities but nothing is as important to our effective ministry as the staff we hire to minister each summer. Our counselors do a fantastic job of establishing meaningful relationships with ranchers that lead to a solid relationship with Jesus Christ. To help ensure that we attract the best qualified counselors, the Board of Trustees has established a special salary fund for our college counselors. We want to be sure that we take care of the people who take care of our kids and so effectively minister God's Word by example, love and teaching each summer. In just one week \$1,200 has been raised. Give us a call at the Ranch if you want to be a part of this special effort to ensure that lives are changed at the camp this summer.

MEN'S RETREAT

The dates for our Men's retreat is May 17-19. Dr. Paul Tassell, our GARBC National Representative will be the speaker. The cost will again be \$30 per person. Pastors that bring ten men may attend for free; bring five men and pay only \$15. Activities include: horseback riding, horseshoes, rifle shooting, volleyball, basketball, and archery. Briar Hill golf course is nearby.

Thursday (May 17) is a workday for those that can come early beginning at 9 A.M. The retreat begins at 6:30 P.M. with supper and ends on Saturday after lunch.

SMOKE SIGNALS FROM SCIOTO HILLS

TO GOD BE THE GLORY

For his provisions at Scioto Hills Baptist Camp & Retreat Center. "TOUGH DECISIONS MADE EASY WITH GOD'S HELP" by Gary Storm

Each day we pray for wisdom to make the right decision; well, it was Saturday morning and we were trying to make the decision if we should put the deck on the new Tecumseh Lodge right then or wait until later. The problem was that the money had not come in yet to buy a sliding glass door. We decided that the Lord would have us to move forward and frame in for the door and make the deck the following week. At church, the very next day, while shaking Dale's hand, his first statement to me after saying "Hi" was: "Can you use a sliding glass door at camp?" Needless to say I said YES and PRAISE THE LORD for meeting this very need. I told Dale it was important that the door was in good shape because it was our main window overlooking the lake. That evening on my way to church, we picked up the door, and because it had been sitting outside it picked up moisture between the thermal pane glass of one door. We told Dale we would try to clean it up and use it if we could. On Monday Dale's wife called me and told us to purchase a new door and to send them the bill. (Thank you Lord for making the tough decisions easy with your provisions!) "And my God shall supply all your needs according to His riches in glory in Christ Jesus." Philippians 4:19.

APPEAL

Over the years the faithful supporters of Camp Patmos have seen the camp progress to the point where the Camp is debt free. To God be the glory for the things accomplished at Camp Patmos.

Having reached this goal we are evaluating the needs of our campers and the needs of our camp. Camp Patmos is dedicated to the task of reaching all ages with the gospel of Jesus Christ and seeing them grow in the faith. We want our facilities and equipment to help in that endeavor.

The camp always has need of repairs and equipment replacement. We are also looking ahead to expansion and renovation of our facilities to meet the needs of our campers.

Perhaps you could help in one of the following ways:

1. Pray for the Camp, the trustees, the staff, and the campers for the coming season.
2. Consider a one time donation to help the camp update & expand the facilities where necessary.
3. Encourage your church to take the camp on for much needed monthly support.
4. Bringing a group from your church to assist on work days at Camp patmos during the weekends (Friday, Saturday) in the month of May.
