NATIONAL ASSOCIATION OF
INTERCOLLEGIATE ATHLETICS

THE RIGHT GAME FOR LIFE™

NAIA.ORG

Welcome to the 15th Annual NAIA Division II Women's Basketball National Championship!

This marks the 69th year that the National Association of Intercollegiate Athletics has provided opportunities for more than 45,000 student-athletes to compete for 23 national championships in 13 NAIA sports. The NAIA and host cities strive to create championship events that reward athletic and academic excellence and provide memorable experiences for all student-athletes, coaches and fans in attendance.

Since 1937, the NAIA's mission has been the education, development and advancement of student-athletes. Through our nationally recognized Champions of Character program, the association is emphasizing the positive lessons of sport and encourages participation based on the love of the game. The NAIA is committed to the true spirit of competition and our athletic programs strive to intentionally teach respect, responsibility, integrity, servant leadership and sportsmanship inside and outside athletics.

NAIA national championship events provide a center stage to reinforce the association's commitment to change the culture of sport across the country while implementing exceptional standards for academics, diversity and character. As the NAIA celebrates the culmination of long hours of team and individual preparation, season-long competition and dedication, I would like to thank the student-athletes, coaches, administration and fans and express my appreciation for your continued commitment, interest and support of the NAIA.

On behalf of our entire Association, I want to thank Sioux City for hosting this event and furthering the mission of the NAIA. In particular, I would like to express my appreciation to Sioux City Mayor Craig Berenstein, tournament directors Dennis Gann and Tim Seaman and countless volunteers for their dedication, time and energy

Best wishes for an enjoyable event,

Jim Carr

Interim President and Chief Executive Officer

To all fans and participants of the 2006 NAIA Division II Women's Basketball Tournament:

On behalf of my fellow City Council Members, as well as all of the citizens of Sioux City, I would like to welcome each of you to what we consider the most exciting week of college basketball anywhere. I extend a special welcome to those of you that are visiting from out of town. Sioux City is happy to be your host for NAIA Women's Basketball for the ninth straight year.

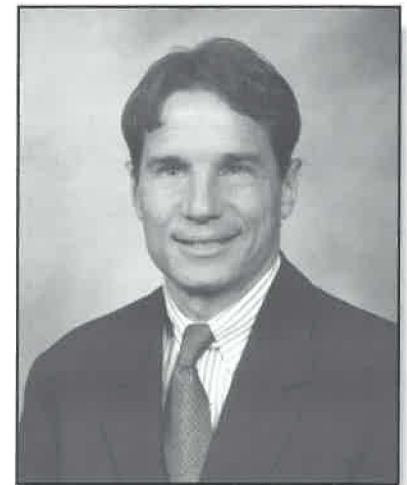

While in Sioux City, I hope you will take the opportunity to visit our shops and restaurants throughout the city and experience our local historical attractions and sites. Please visit our downtown, including our renowned Art Center and Orpheum Theatre, our Historic 4th Street district, and our unique riverfront including the Lewis and Clark Interpretive Center – attractions which we are sure you will enjoy.

I would like to commend and congratulate all of the coaches and athletes here this week. Each of you has worked hard to reach this level of success and should take great pride in your accomplishments. I also extend a special thanks to all of the parents and fans involved in the success of these athletes. Your support and dedication is to be commended.

We hope you enjoy your stay in Sioux City and wish you all the best.

Sincerely,

Craig S. Berenstein, Mayor

SPORTSMANSHIP

Since 1937, the NAIA has administered programs and championships in proper balance with the overall educational experience. In 2000, the NAIA reaffirmed its purpose to enhance the character-building aspects of sport. Through *Champions of Character*, the NAIA seeks to create an environment in which every student-athlete, coach, official and spectator is committed to the true spirit of competition through five tenets: **respect, integrity, responsibility, servant leadership and sportsmanship**. The NAIA *Champions of Character* program is designed to instill an understanding of character values in sport, and provide student-athletes, coaches and parents the training to help them know the right thing, do the right thing and value the right thing inside and outside the sports setting.

OPPORTUNITIES FOR THE STUDENT-ATHLETE
