RE: College Tennis Coaches

We have been gathering data for a list of career victories for college tennis coaches and have completed the research. Included is the list of the college tennis coaches and the complete breakdown of their victories. This project was considered a complete success. Thank you for all your time and cooperation.

Given the retirement of Emory's distinguished men's tennis coach, we have decided to abdicate our role as "guardian" of this list. These records will now be sent to the Intercollegiate Tennis Association and NCAA for further record keeping.
