The National Association of Intercollegiate Athletics welcomes you to the 18th Annual NAIA Division II Women's Basketball National Championship!

Since its inception in 1937, the NAIA has promoted the education and development of well-rounded students and productive citizens through intercollegiate athletics. Over those 72 years the NAIA has provided opportunities for more than 45,000 student-athletes to compete for 23 national championships in 13 NAIA sports.

The Association's innovative flagship program, Champions of Character, is designed to instill character values in student-athletes, coaches and youth in the communities it serves. The NAIA is committed to the true spirit of competition and the Association is striving through its programs to intentionally teach respect, responsibility, integrity, servant leadership and sportsmanship.

This National Championship event offers the opportunity to recognize our student-athletes for their dedication to mastering their sport, succeeding academically and developing their character. In addition, much credit and appreciation goes to coaches, administrators and fans for their continued support of their athletic teams and student-athletes.

All of us at the Association sincerely thank the Sioux City Convention Center, Tyson Events Center and Tourism Bureau for hosting this event and furthering the mission of the NAIA. In particular, I gratefully thank the City of Sioux City, Iowa. Our member institutions thank you and your countless volunteers for your time, effort and commitment.

Best wishes for an enjoyable event,

Jim Carr

To all fans and participants of the 2009 NAIA Division II Women's Basketball Tournament:

On behalf of my fellow City Council Members, as well as all of the citizens of Sioux City, I would like to welcome each of you to what we consider the most exciting week of college basketball anywhere. MUSTANGS

We really know how to STAND OUT IN THE CROWD.

A lot of companies make noise about car insurance, but only one has risen above the crowd for more than 60 years. Competitive rates and personal service from a State Farme agent are just two reasons why more drivers choose State Farm than our top three competitors combined. Call a State Farm agent today or visit *statefarm.com*.

State Farm is a proud supporter of NAIA Division II Women's athletics.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS

Since 1937, the NAIA has administered programs and championships in proper balance with the overall educational experience. In 2000, the NAIA reaffirmed its purpose to enhance the character-building aspects of sport. Through Champions of Character, the NAIA seeks to create and environment in which every student-athlete, coach, official, and spectator is committed to the true spirit of competition through five tenets: respect, integrity, responsibility, servant leadership, and sportsmanship. The NAIA Champions of Character program is designed to instill an understanding of character values in sport, and provide student-athletes, coaches, and parents the training to help them know the right thing, do the right thing, and value the right thing inside and outside the sports setting.
